Lockdown: Star Wars Legends (Maul) Joe Schreiber, 2014-01-28 NEW YORK TIMES BESTSELLER Set before the events of Star Wars Episode I The Phantom Menace this new novel is a thrilling follow up to Star Wars Darth Plagueis It's kill or be killed in the space penitentiary that houses the galaxy's worst criminals where convicts face off in gladiatorial combat while an underworld gambling empire reaps the profits of the illicit blood sport But the newest contender in this savage arena as demonic to behold as he is deadly to challenge is fighting for more than just survival His do or die mission for the dark masters he serves is to capture the ultimate weapon an object that will enable the Sith to conquer the galaxy Sith lords Darth Plagueis and Darth Sidious are determined to possess the prize And one of the power hungry duo has his own treacherous plans for it But first their fearsome apprentice must take on a bloodthirsty prison warden a cannibal gang cutthroat crime lord Jabba the Hutt and an unspeakable alien horror No one else could brave such a gauntlet of death and live But no one else is the dreaded dark side disciple known as Darth Maul Praise for Lockdown Schreiber was a great choice for this novel imbuing the story with a dark foreboding tone while never quite stepping into the horror territories that Death Troopers and Red Harvest took us Jedi News Fans of the dark side should rejoice Lockdown delivers a can't put this down tale of scum and villainy Club Jade Lockdown is an action packed ride that spins one entertaining chapter after another The multiple layers of story keeps readers guessing what will happen next and just who will live and who will die It certainly adds to the character of Darth Maul while matching Darth Plagueis's complexity with sheer fun Five out of five metal bikinis Roqoo Depot Somehow Schreiber is able to skate the line between hard hitting prison story and the adventure and excitement I love from Star Wars in a way that doesn't betray

either genre It's really quite masterful Big Shiny Robot Lockdown is an exciting engaging read It actually lines up beautifully for a sequel which I for one would love to read Coffee with Kenobi The novel makes The Clone Wars better It also illuminates The Phantom Menace I think it's the hallmark of the best tie-in fiction to resonate throughout other parts of the expanded universe in that way Knights Archive By the fiftieth page I was hooked Lockdown is a wonderful antihero novel where it's just fine to root for the villain because there are even worse things out there This book was so fun and entertaining I'll have to keep an eye out for more Star Wars books from Schreiber Seattle Geekly **Crosscurrent: Star Wars Legends** Paul Kemp, 2010-01-26 An ancient Sith ship hurtles into the future carrying a lethal cargo that could forever destroy Luke Skywalker's hopes for peace The Civil War is almost over when Jedi Knight Jaden Korr experiences a Force vision so intense he must act Enlisting two salvage jocks and their ship Jaden sets out into space Someone or something appears to be in distress But what Jaden and his crew find confounds them A five thousand year old dreadnaught bringing with it a full force of Sith and one lone Jedi has inadvertently catapulted eons from the past into the present The ship's weapons may not be cutting edge but its cargo a special ore that makes those who use the dark side nearly invincible is unsurpassed The ancient Jedi on board is determined to destroy the Sith But for Jaden even more is at stake for his vision has led him to uncover a potentially indestructible threat to everything the Jedi Order stands for *Jedi Search: Star Wars Legends (The Jedi Academy)* Kevin Anderson, 2011-06-28 As the war between the Republic and the scattered remnants of the Empire continues two children the Jedi twins will come into their powers in a universe on the brink of vast changes and challenges In this time of turmoil and discovery an extraordinary new Star Wars saga begins While Luke Skywalker takes the first step toward setting up an academy to train a new order of Jedi Knights Han Solo and Chewbacca are taken prisoner on the planet Kessel and forced to work in the fathomless depths of a spice mine But when Hans and Chewie break away they flee desperately to a secret imperial research laboratory surrounded by a cluster of black holes and go from one danger to a far greater one On Kessel Luke picks up the trail of his two friends only to come face to face with a weapon so awesome it can wipe out an entire solar system It is a death ship called the Sun Crusher invented by a reclusive genius and piloted by none other than Han himself Features a bonus section following the novel that includes a primer on the Star Wars expanded universe and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years *Outcast: Star Wars Legends (Fate of the Jedi)* Aaron Allston, 2010-04-27 Does a new start for the Galactic Alliance mark the beginning of the fall of the Jedi Order After a violent civil war and the devastation wrought by the now fallen Darth Caedus the Galactic Alliance is in crisis From all corners politicians power brokers and military leaders converge on Coruscant for a crucial summit to restore order and determine the future of their unified worlds But even more critical and far more uncertain is the future of the Jedi In a shocking move Chief of State Natasi Daala orders the arrest of Luke Skywalker for failing to prevent Jacen Solo's turn to the dark side and his subsequent reign of terror as a Sith Lord But it's only the first blow in an anti-Jedi backlash fueled by a

hostile government and suspicious public Negotiating his freedom in exchange for his exile from the Jedi Order Luke with his son Ben at his side sets out to unravel the shocking truth behind Jacen Solo's corruption and downfall But the secrets Luke uncovers may bring his quest and life as he knows it to a sudden end And all the while another Jedi Knight consumed by madness is headed to Coruscant on a fearsome mission that could devastate the entire galaxy **Darth Bane** Drew Karpysyn,2009 The epic tale of Darth Bane the most famous Sith Lord ever finds the forces of evil clashing in a spectacular battle with the future of the Sith hanging in the balance *Death Star: Star Wars Legends* Michael Reaves,Steve Perry,2011-06-28 THAT'S NO MOON Obi Wan Kenobi The Death Star's name says it all with bone chilling accuracy It is a virtual world unto itself equipped with uncanny power for a singularly brutal purpose to obliterate entire planets in the blink of an eye Its annihilation of the planet Alderaan at the merciless command of Grand Moff Tarkin lives in infamy And its own ultimate destruction at the hands of Luke Skywalker is the stuff of legend But what is the whole story and who are the players behind the creation of this world killing satellite of doom The near extermination of the Jedi order cleared the way for Palpatine power hungry Senator and Sith Lord to seize control of the Republic declare himself Emperor and usher in a fearsome totalitarian regime But even with the dreaded Darth Vader enforcing Palpatine's sinister will the threat of rebellion still looms And the Emperor knows that only abject fear and the ability to punish dissent with devastating consequences can ensure his unchallenged control of the galaxy Enter ambitious and ruthless government official Wilhuff Tarkin architect of the Emperor's terrifying dream come true From inception to completion construction of the unprecedented Death Star is awash in the intrigues hidden agendas unexpected revelations and daring gambits of those involved on every level The brightest minds and boldest egos the most ambitious and corrupt the desperate and the devious all have a stake in the Death Star and its potential to control the fate of the galaxy Soldiers and slaves loyalists and Rebels spies and avengers the innocent and the evil all their paths and fates will cross and intertwine as the Death Star moves from its maiden voyage to its final showdown And a shadowy chapter of Star Wars history is stunningly illuminated in a thrilling unforgettable adventure Features a bonus section following the novel that includes a primer on the Star Wars expanded universe and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years *The Lando Calrissian Adventures: Star Wars Legends* L.
