Memoirs of A Regular Guy Rj Davenport,2000-03-01 **Reflections of a Regular Guy: A Memoir of Love, Resilience, and Happiness** Mike Gardner,2025-04-30 In the game of life it helps to have a good but flexible game plan especially when you re behind We all have stories about our lives Some wonderful Some tragic But we all have something else in common However long or short the periods of smooth sailing are you know the ones perhaps hidden away between the periods of turbulence they re just waiting to burst out at any time This regular guy takes the regular reader along the ups and downs of his own life s journey with touching sometimes humorous anecdotes and shares some simple ideas on how to increase one s happiness stressing the importance of family and friends continual self assessment and the ability to adapt one s mind set along the way He then challenges readers to go beyond mere reflection and to share their own stories with others After all this is a memoir about looking back and moving forward together **Dogfish Memory: Sailing in Search of Old**

Maine: A Memoir Joseph A. Dane,2011-06-06 An exquisite memoir about lost love and the sustaining grace of the sea T C Boyle The Maine dogfish are gone fished to the brink of extinction Gone too is Linda Jane and with her the love and the subjunctive Maine that they might have shared And what of that fabled Old Maine Is it gone for good Dogfish Memory is the story of the search for an authentic Maine a Maine of the past whether historical or simply imagined and a Maine of the present one experienced by both permanent residents and seasonal ones summerfolk Joseph Dane is both He has worked on commercial fishing boats as a local and he has sailed the coast for years like those who are from away Dogfish Memory tells the story of how his often conflicting Maines are intertwined Authentic Maine is elusive stories and even photographs of a past Maine often contradict the memories of those who have lived through the changes they record Dogfish Memory is thus the story of loss the loss of a Maine recalled and imagined and the loss of the love with which Maine is irrevocably associated

Delivered: A Memoir Janet Gillispie,Sammie Jo Barstow,2013-04-08 A thrilling personal story you don t want to miss After years of addiction prostitution homelessness and unimaginable loss Delivered shares a raw and candid document of how one woman s life was radically changed when she experienced the ultimate delivery hers and that of an unexpected daughter The greatness of God is so miraculously displayed that you ll be inspired to believe that if God can change Janet s life He can change anyone maybe even yours In addition to being a good read Delivered offers advice for addicts and family members dealing with loved ones in self destructive lifestyles **The Curious Case of the Cleveland Indians: A Time**

Traveler's Memoir Philip King,2025-03-20 An old man is considering the life he has led As a former professor he is inclined towards assigning letter grades so he gives his life a B bordering on B A pretty good life all in all but with some regrets about opportunities not grasped kindnesses not bestowed and received loves lost and persons valued and admired meeting serious injury or early death Not to mention the steadily declining state of Planet Earth s natural ecologies in his lifetime from the overburden of massively increased human numbers overpopulation human generated pollution and global warming of land

and ocean Much of his regret is symbolized by the fortunes of the Cleveland Indians his favorite baseball team and one with a strong historical connection to his family back to the early years of the twentieth century In his youth in the 1950s the team always seemed to finish second usually to the New Yankees before descending into mediocrity for a third of a century If only the Indians had been a bit better had won six or eight more games each year won a few pennants and World Series Perhaps successful Cleveland teams would have given him more confidence in his own life path set his life on a better course up from a B to an A He might have achieved a greater place in the world and a more confident presence He determines to fix the shortcomings of team and self by traveling to the past to advise the team which players to acquire and keep and which to let go and when to make these moves He knows baseball and the historical record of how the players in question fared the arcs of their careers so his advice would be sound His challenges are three traveling to the past in the first place being believed there when he claims to be a time traveler from the future and making choices that will improve and not damage the changed future The first task getting there he approaches by relying on friends from his youth and young adulthood who have the resources scientific knowledge wealth and personal connections to set him on his path back to Cleveland in 1948 The second task being believed once he arrives he intends to handle by predicting events that have not yet happened in the past but that he knows are shortly to occur there The third task Well read the book This book is a fictional work about time travel connected to and blended with a memoir of the author s life particularly in sports and especially in baseball It will come to no surprise to the reader when the book s main character travels seventy five years into the past to Cleveland Ohio no less that the book is a made up story What is not so immediately obvious is that the book is a memoir as well The back story and contextual accounts of the book s characters are entirely based on the author s life his experiences and those of his family friends and acquaintances Except for public figures persons names have been omitted and other identifying details changed Readers with an interest in major league baseball history baseball statistics mid twentieth century life in small town Ohio time travel theory and mechanisms and the planetary ecological crisis of our times will find interest in this science fiction novel memoir

Memoir of Madness Paul Stark,2014-02-07 In Washington D C Paul Stark handled contracts for the Federal Government worth millions of dollars and had a military security clearance with access to some of this Nation s most sensitive secrets All the while he suffered from a crippling mental illness that eventually struck him down Along the way he became a confidential informant to the FBI negotiated contracts worth more than 100 Million and grazed the power politics of Washington He also spent years in and out of mental institutions This is a powerful and graphic depiction of mental illness This is a must read for anyone interested in mental illness in general bipolar disorder in particular the interplay of religion and psychosis and anyone seeking to know how a person can make peace with such a devastating illness and live a meaningful life Show more Show less
