My Journey Through The Garden Of Life:

My Journey Through the Garden of Life Donna Bumgarner, 2004-12-01 My Journey Through the Garden of Life is a compilation of prayers and poems It tells about my struggle to become the person God wants me to be It is a prayer journal filled with cries for help prayers of thanksgiving and words of encouragement Some of the prayers and poems are inspired by the life experiences of others I met along the way They are the testimonies of other struggling Christians who survived the trials of life with the Lord s help They helped me to see the silver lining in the darkest clouds of doubt They are more than poems they are God s reassuring message to a sinful world even a sinner like me can overcome the challenges and

adversities of life by accepting the Lord and doing his will **My Journey Through Life** Kay Bradberry Wilton, 2025-06-24 Like an open book you watched me grow from birth to now all the stages of my life were spread out before you Psalm 139 16

My Journey Through Time Dena Merriam, 2020-01-01 My Journey Through Time is a spiritual memoir that sheds light on the workings of karma the law of cause and effect that creates one s present circumstances and relationships as we see it unfold through Dena s vivid memories of her previous births We travel back in time as Dena learns of a life in early 20th century Russia ranging from the overthrow of the Czar through Nazi Germany then it s back further to a life in early 19th century America in the Deep South and before that to a time in Africa in the early 18th century Her lives in the East in Persia Japan and India go back to the 15th 17th centuries With each past life we can see the way in which it has impacted her present life how it has stemmed from the end of the previous birth and how it will influence her next life Dena Merriam is the founder of an interfaith organization the Global Peace Initiative of Women A long time disciplined meditator Dena s access to her past lives brings a clearer awareness and purpose to her present life and also overcomes any fear of death The memories are triggered when Dena meets a new person or visits a new place in her current life The memories bring remembrances of past suffering but also recollections of spiritual teachers and wise guidance She has not used and does not advocate past life regressions or hypnosis as a way to prompt memories to return Dena has decided to share her story despite being a very private person in hopes that it can provide comfort and awaken the inner knowing of your own ongoing journey through time

Recollections from My Journey Through Life Shaukat Hassan, 2020-11-23 Every person has a story to tell This is the story of a Bangladeshi who was born one cold December morning in the village of Lostimanika in East Pakistan and went on to traverse the world during the next sixty plus years It is a story of growing up in the peaceful Hindu Muslim community of Narayanganj of a Muslim boy being educated in Catholic schools and of leaving home to study in the West when he was merely seventeen That started a fifty year journey from his homeland to his present home in Canada Through it all he lived and worked in six continents and experienced the beauty and diversity as well as the complexities and hardships faced by peoples worldwide This book is a personal story a collection of snippets from his eventful journey through life The author shares many delightful anecdotes the scary moments that spelt danger and his occasional brush with death It is also a story

of visits to many historical cultural and religious sites and of learning about man's contribution to humanity. The author has worked with many governments, civil society organizations, academics, the military, and the media under challenging circumstances and often in hazardous environments. It is in the end a story of surmounting all obstacles and of having lived a full and happy life.

Journey Through the Garden Jb Nielsen, 2011-07 Journey through the Garden presents a guide to self-improvement in the form of a metaphor about growing a garden inside oneself. It was inspired by a macabre dream that author J B Nelson had after her mother died. She dreamed that bloody slabs of meat with sharp white razor points were covering her lush green gardens. This dream was a wakeup call that indicated to her just how bloodless her life had become. The numbness that ensued after her mother's death led her into her own private garden. Over time she developed a process for self-improvement and growth created after listening to the guidance she was given by a greater power. This incredible journey changed her entire inner landscape. She began to experience a shift in her soul that enabled her to structure her daily life differently. After arduous months of courage and hard work she was able to garden with an intact spirit that could once again experience joy and balance. Journey through the Garden tells the story of the incredible journey Nelson embarked upon to find wholeness and meaning in her life.

My Journey to Life! Dr. Sabelo Sam Gasela Mhlanga, 2021-06-24 The book is about his own life and he narrates the history of his family, the obstacles he encountered and how he overcame life challenges.
