The Turning Richard Eyre, Linda Eyre, 2014-08-26 It is easy to find alarming statistics on escalating violence addiction and economic inequality in developed countries and stubborn poverty in the third world The fascinating question has to do with cause New York Times 1 bestselling authors Richard and Linda Eyre s new book *The Turning* Why the State of the Family Matters and What the World Can Do about It contends that the social and economic challenges faced not only in the United States but throughout the world are the direct result of an unprecedented and widespread turning away from family The negative effects of this turning are apparent in the youth of the world today In S o Paulo Brazil more than 1 2 million street children are addicted to cocaine Suicide is the third leading cause of death for American fifteen to twenty four year olds Great Ormond Street Hospital in London has treated girls as young as seven or eight for eating disorders In Ethiopia nearly half of the children under the age of six work 30 hour weeks and In the past year there have been over 64 school shootings in the U S equaling more than one shooting a week *The Turning* uses research findings statistics like those listed above and the Eyres personal experiences at home and abroad to show that families are essential to the survival and success of civilization With the well being of the world at risk *The Turning* will move readers in a way that will raise personal reflection discussion and action to return the family to its necessary position as the recognized and prioritized basic unit of society But far more than a book of statistics and political suggestions this is a book for parents parents who want to better understand the world their children are growing up in and who want to create a family culture that is stronger than the internet culture the peer culture and all the other influences that flurry around our children every

day As Thomas Friedman s The World is Flat opened our eyes to the cause and effect aspects of the global economy The Turning will open the eyes of readers across the world to the means and ends connections between stable families and households and the world s ability to meet its social and economic challenges As Harvard s Clayton Christensen and best selling author of The Innovator s Dilemma states This book gives us a common cause and a clear way to frame and explain the causality of today s problems In the spirit of Friedman s The World is Flat Richard and Linda Eyre examine the connections between the world s mounting social problems and the breakdown of families and look deeply at the root causes of family disintegration the false paradigms that confuse the priorities of parents and influence the kind of policies and practices in larger institutions from media to government that threaten families both economically and emotionally

Language and Control in Children's Literature Murray Knowles,Kirsten Malmkjaer,2002-11 In this important and timely study Murray Knowles and Kirstin Malmkjaer examine the work of some of our most popular children s writers from this and the last century in order to expose the persuasive power of literature Teen Innovators Fred Estes,2022-09-06 A water purification system made of concrete and the same chemicals that block ultraviolet light in sunscreen A robot made of PVC pipe that beat a shiny eleven thousand dollar competitor in a robotics contest An electricity producing windmill built by a teen who taught himself physics by candlelight Teen Innovators Nine Young People Engineering a Better World with Creative Inventions reveals how people of any age or experience level can create something that changes others lives through nothing more than hard work creativity and inspiration Oh and perhaps a bit of electrical wire some plastic piping and a couple tampons Utilizing the principles of design thinking these inventors all tinkered experimented and failed repeatedly until their inventions worked The windmill produced light The water became safe to drink Jack Andraka improved pancreatic cancer test Gitanjali Rao device to detect lead in drinking water William Kamkwamba improvised electrical generator using windmill in Malawi Austen Veseliza digital display glove to aid people with speech impairment Deepika Kurup easier cheaper method to remove toxins from drinking water Cristian Arcega Lorenzo Santillan Oscar Vasquez Luis Aranda underwater robot Each of these stories offers inspiration to the next generation of teen innovators You don t need a genius level IQ or the latest and greatest technologies to create something that makes a difference All you need is an idea and the determination to make it real

Your Space Level 3 Garan Holcombe,Martyn Hobbs,Julia Starr Keddle,2012-07-05 Your Space is a three level course for teenagers designed to motivate students as they change and grow With a wide range of varied activities the Workbook provides extra skills practice focusing on listening reading writing and speaking The accompanying Audio CD contains extra listening material for practice at home CEF A2 B1 **On Becoming a Teen Mom** Mary Patrice Erdmans,Timothy Black,2015-02-06 In 2013 the New York City Public Health Department placed public service announcements on trains and buses and at transportation stops that showed photos of frowning or crying children saying such things as I m twice as likely not to graduate high school because you had me as a teen and Honestly Mom Chances are

he won't stay with you What happens to me Campaigns like this support a public narrative that portrays teen mothers as threatening the moral order bankrupting state coffers and causing high rates of poverty incarceration and school dropout These campaigns demonize teen mothers but tell us nothing about their lives before they became pregnant In this myth shattering and often deeply disturbing book sociologists Mary Patrice Erdmans and Timothy Black tell the life stories of 108 brown white and black teen mothers They expose the problems that cause distress in these young women's lives and that are often overlooked in pregnancy prevention campaigns Some stories are tragic and painful marked by child sexual abuse partner violence and school failure Others are less devastating depicting girl next door characters whose unintended pregnancies expose their lack of contraception and unwillingness to abort Offering a fresh critical perspective on the links between early childbirth and social inequalities On Becoming a Teen Mom demonstrates how the intersecting hierarchies of gender race and social class shape the personal stories of young mothers Provided by publisher

12 Ignored Truths When Picking a Life Partner B.A. Crisostomo, 2023-05-02 Why Rush Into Marriage If love and attraction are all you need for a happy and long lasting marriage why do so many great relationships end in a breakup Why is cohabitation becoming more common while marriages are becoming less common In the past our ancestors usually didn't get married because they loved each other Instead they did it to join families and raise children together Their marriages were usually set up by their parents and they would start with a betrothal They lacked the same benefits rights and systems that modern spouses in many countries enjoy Can we say that the relationships between modern couples are better than those of our ancestors given that mutual love is the main reason people get married today This book talks about the truths most would be couples ignore before they decide on their own to get married Once their marriage becomes miserable they start to realize that they made mistakes in their choice of partner
