Night Of Fox:

The Night Fox Ashley Wilda, 2024-10-08 This luminous haunting debut alternating between now and then reality and magic tells the story of a girl confronting heartbreak while at a mysterious recovery program in the wilderness When seventeen year old Eli arrives at Raeth a remote mountain retreat for teens with mental health issues her mind is made up she is not interested in participating and she doesn't need to heal Still reeling from a breakup that left both her heart and faith shattered she is determined to fake being fine so that the program's warden will clear her to return home But the retreat itself has other ideas The valley's magical surroundings transform each time she ventures out playing with her mind and dredging up her grief laden memories Despite the warning signs Eli explores more of the area than she had ever planned even venturing into the dangerous night realm This spellbinding novel mixes prose and poetry into an exquisite and evocative portrait of love grief depression and the slow path toward healing
