Although ancestral voices have inspired many Armenian American writers of poetry and fiction in the twentieth century their expression through drama has been limited The first of its kind this anthology is a collection of plays by notable Armenian Americans Written in English largely by artists of Armenian extraction during the latter part of the twentieth century the plays reflect the outrage of the Armenian Genocide the forced transplantation that created the Armenian Diaspora and the desire to maintain the newly established democratic homeland Including a range of authors from William Saroyan to more contemporary voices this anthology represents the writers that have stimulated cutting edge contemporary drama from the mid twentieth century to the present The collection includes farce comedy tragicomedy and tragedy and sometimes blends of all of these The plays reflect the shared experiences of Armenian family life in Armenia Turkey and America The themes include the joy of freedom to practice their faith and ethnic customs the turmoil of acculturation and the feared loss of identity through assimilation The editor has provided headnotes for each play and an extensive introduction tracing the history of Armenian American drama in the United States The Armenians David Marshall Lang, 2021-12-19 Originally published in 1981 this book tells the story of the Armenian dispersion and gives a graphic account of the persecution of the Armenians by the Turks from 1895 to 1922 which foreshadowed the Jewish holocaust at the hands of Hitler who is said to have modelled some of his own ideas on those of the Young Turks Drawing upon material from little known sources this book follows the trail of the Armenians from their native lands around Mount Ararat to such far flung spots as Lhasa Harbin and Buenos Aires This lively and readable book is an excellent account of a people who have been partly in exile for some 2 000 years *The Forgotten History of Lake County, Illinois* James D Lodesky, 2020-10-28 The book covers the long forgotten history of Lake County Illinois The period takes place mainly in the late 1800s and early 1900s The first chapter tells the story of Robert Dady Starting with nothing and never learning to read or write Robert would become the largest landowner in the county His daughter Nellie Conrad became one of Waukegan s most successful businesswomen She built the Times Theater Roller Rink two subdivisions plus miscellaneous other real estate ventures The next chapters concern Lake County violence in the form of fights mobs and riots Most kinds of violence were common and accepted in society Penalties were light for all but the worst crimes Ethnic Lake County and North Chicago follows Profiles for the various ethnic groups are covered The area had Albanians Armenians Blacks Bulgarians Macedonians Croatians Czechs Danes Finns Germans Greeks Irish Italians Jews Lithuanians Poles Romanians Russians Slovaks Slovenes and Turks Next are stories about Lake County men who overcame adversity Most had little education and not many prospects They overcame it all and became successful

men in their communities Famous Lake County women follow the men These women had an impact on a number of county affairs One Lake County woman was the first woman to vote in the state The Lake County Historical Society is named after one of the county s most influential women The next chapter concerns Lake County women acting badly Some Lake County women were anything but meek and the reader might be surprised at just how violent some of them actually were None of the county s women could keep up with Lake County s all time worst woman The next chapter tells the story of the Bender family The Benders lived in the country for a time but were sent packing because of their detestable ways They soon settled in Kansas and became one of the most famous serial killers in American history Kate bender was the brains of the whole operation The book finishes up with miscellaneous stories about Lake County men and women Some of the stories covered include Lake County s lynching record hermits gypsies women farmers and Lake County s strongest man Also included is the Fats baseball team The Fats played baseball in the county a number of times and sported a 640 pound first baseman Located in the ethnic Jewish profile is the story of Meyer Kubelsky father of comedian Jack Benny Jack Benny is Waukegan s favorite son but not so much Meyer

The Armenian Issue and the Jews Sedat Laçiner,Ibrahim Kaya,2002 **Solitaire** Robert Anderson,1972 THE STORIES The first play SOLITAIRE is set in a chilling computerized future where marriage has been abolished life is lived in mechanized motel rooms and voluntary self destruction is a citizen s ultimate service to the state Yearning for **The Old Settler** John Henry Redwood,1998 Cast ages adult *The Prodigals* Don Evans,1977 THE STORIES ORRIN takes place in the Philadelphia home of a middle class upwardly mobile black family Their well ordered existence is suddenly shaken by the return of the eldest son Orrin a junkie and drug pusher who had been thrown out by his

Armenians and Land Disputes in the Ottoman Empire, 1850-1914 Mehmet Polatel, Armenians and Land Disputes in the Ottoman Empire traces the transformation of land disputes involving Armenians into the Armenian land question from the mid nineteenth century to the outbreak of the First World War Situating this event into its historical context marked by the rise of the central administrative state encroachment of capitalism and the new territorial turn that changed the political significance of land ownership this book argues that the Armenian land question was shaped by two conflicting trends liberalisation and nationalisation of land The book also shows how mass violence transformed competitive struggles and socioeconomic life and structures on the one hand and how these struggles strained intercommunal relations and blocked possibilities of normalisation on the other Examining the actions and discourses of Armenian and Kurdish intellectuals Muslim powerholders in the provinces and Ottoman officials and the Istanbul elite along with the institutions local and national that sustained these groups it populates a large blank space in our existing picture of the late Ottoman Empire
