Nineteenth Century Pottery And Porcelain In Canada:

Nineteenth-century Pottery and Porcelain in Canada Elizabeth Collard, 1967 *The Potters' View of Canada*
Elizabeth Collard, National Museum of Man (Canada), 1983 This is the first book to be devoted exclusively to potters view of Canada Interest in nineteenth century earthenware decorated with Canadian scenes has grown enormously in recent years These ceramic pictures have caught the attention of museums and private collectors alike and have become notable features of the rapidly widening interest in Canadiana **Nineteenth-Century Pottery and Porcelain in Canada: Selections from the National Ceramic Collection** , The History Division of the Canadian Museum of Civilization offers a selection of images of 19th century Canadian pottery and porcelain The division provides images and descriptions of creamware salt glazed stoneware ironstone toywares and more *Art Et Architecture Au Canada* Loren Ruth Lerner, Mary F. Williamson, 1991-01-01 Identifies and summarizes thousands of books article exhibition catalogues government publications and theses published in many countries and in several languages from the early nineteenth century to 1981 *Potters' View of Canada* Elizabeth Collard, 1983-10-01 The potters views of Canada have a many sided appeal linking the world of artists printmakers and photographers to the ceramics industry As part of material history they reflect not only taste in the wares themselves their bodies colours shapes but also the changing ways of looking at things from the romantic to the literal Covering the period for the beginning of the nineteenth century to the end of Queen Victoria s reign this volume focuses chiefly on wares made for the dinner table or the washstand All are earthenware decorated by transfer printing and produced by British potters The scenes they depict range from the awesome falls at Niagara to early steamboats on the St Lawrence from igloos in the Arctic to a governor s residence in New Brunswick Elizabeth Collard traces the evolution of these wares placing them in their historical setting and identifying the sources from which many of the views were derived She also provides much detail on the English and Scottish potters and on the artists whose work they adapted to their own use One of the most important collections of these wares belong to the National Museum of Man Ottawa and it is from the national collection that illustrations for this book have been drawn The more than 170 photographs also include such material as the published prints on which the potters views were based border designs and potters marks This book will be an invaluable reference work not only for collectors and dealers but also for museum curators and material culture historians
Canadian Reference Sources Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one

subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers

Ceramics in the Victorian Era Rachel Gotlieb, 2023-06-29 This book broadens the discussion of pottery and china in the Victorian era by situating them in the national imperial design reform and domestic debates between 1840 and 1890 Largely ignored in recent scholarship *Ceramics in the Victorian Era* Meanings and Metaphors in Painting and Literature argues that the signification of a pot a jug or a tableware pattern can be more fully discerned in written and painted representations Across five case studies the book explores a rhetoric and set of conventions that developed within the representation of ceramics emerging in the late 18th century and continuing in the Victorian period Each case study begins with a textual passage exemplifying the outlined theme and closes with an object analysis to demonstrate how the fusing of text image and object are critical to attaining the period eye in order to better understand the metaphorical meanings of ceramics Essential reading not only for ceramics scholars but also those of material culture the book mines the rich and diverse archive of Victorian painting and literature from the avant garde to the sentimental from the well known to the more obscure to shed light on the at once complex and simple implications of ceramics agencies at this time **A**
