Your Personality in Handwriting (Handwriting Analysis Guide), 2010-12-07

The Real Window to the Soul They say that eyes are the windows to person s soul but eyes could never reveal as much about somebody s personality as handwriting does There are a lot of things about our life and personality that we keep hidden from others and even ourselves But there is one way to discover your true personality and the true personalities of the people around you

The Secret of Reading Between the Lines to Discover the Truth Handwriting Analysis Everyone s handwriting is different just like our fingerprints But unlike fingerprints our handwriting can reveal everything about us from our level of generosity to our true sense of adventure With this book you ll uncover the simple step by step formula that will allow you to know the truth about people including yourself by looking at anything in writing whether it be a signature a grocery list or the address written on an envelope You ll discover more about yourself or what other people are feeling You ll be able to uncover the true potential of your children You ll learn more about your friends and your family You ll find out more about the new people in your life without asking any questions Want More It s in Here You can discover someone s suppressed desires through the doodles and the scribbles that they draw You can uncover someone s outer personality and find out how they want to be perceived by the public through their signatures This book will teach you step by step how to read through the lines and truly know people like you have never known them before If you are ready to learn about yourself and the people in your life get this book

Handwriting Psychology Dr. Helmut Ploog, 2013-01-14 If you find yourself called on to judge people on a regular basis you need all the tools at your disposal to do your job right Handwriting psychology offers one practical method for helping you learn what you need to learn about your subject quickly Whether you are a teacher psychologist or manager you can benefit from the guidance of Dr Helmut Ploog a handwriting expert Learn what the size and width of handwriting can reveal about a person as well as what more muted features such as slant spacing and direction of lines can make clear Written in plain English this guidebook presents pithy explanations of handwriting movements which may be angular or round long or short heavy or light high or deep below the base line It also offers analyses of the handwriting of many well known people including Charles Darwin Anne Frank Paul Getty Allen Ginsberg Ernest Hemingway Frida Kahlo Somerset Maugham Pablo Picasso Pope Benedict Vladimir Putin Maurice Ravel Carl Rogers and Susan Sontag Handwriting Psychology should never be used by itself to judge someone but it can serve as an essential tool to make and confirm observations that could change your life your career and your approach to life

Diane Simpson, 1985 *The Psychological Basis of Handwriting Analysis* David Lester, 1981 Reading Between the Lines
Emma Bache, 2018-09-06 Handwriting is something of a dying art nowadays as we tap messages to each other day after day
But handwriting analysis can divulge everything from a person's timidity to their ambition from their desire to please to their
need to control In fact so revealing is your writing that in Japan all CVs are still written by hand Written by the UK's leading
handwriting expert Reading Between the Lines will show you how to judge someone's handwriting as a whole and how to
examine it in detail Because every aspect of penmanship the height of an h the curliness of a g the pressure of the pen on the
paper is a collection of signals that we are giving out without meaning to The way we write can tell the world a huge amount
sometimes more than the things we write about It can expose how we interact with the world and the people around us and
also how we cope with stress and express emotions It can help us make choices for our future showing us what our desires
are and even what jobs and partners may suit us best Using real life examples including celebrity samples readers will be
challenged to put their new found knowledge to the test By the end of the book you will have amassed a wealth of knowledge
that will help you understand human nature including your own in all its colours
