Peter And The Popes:

Saint Peter and the Popes Michael M. Winter, 1960 *A History of the Popes* John W. O'Malley, SJ, 2009-11-16 A History of the Popes tells the story of the oldest living institution in the Western world the papacy From its origins in Saint Peter Jesus chief disciple through Pope Benedict XVI today the popes have been key players in virtually all of the great dramas of the western world in the last two thousand years Acclaimed church historian John W O Malley s engaging narrative examines the 265 individuals who have claimed to be Peter s successors Rather than describe each pope one by one the book focuses on the popes that shaped pivotal moments in both church and world history The author does not shy away from controversies in the church and includes legends like Pope Joan and a comprehensive list of popes and antipopes to help readers get a full picture of the papacy This simultaneously reverent yet critical book will appeal to readers interested in both religion and history as it chronicles the saints and sinners who have led the Roman Catholic Church over the past 2000 years The author draws from his popular audio CD lecture series on the topic 2 000 Years of Papal History available through Now You Know Media www.nowyouknowmedia.com **The Man who Never Died** Gerald T. Brennan, 2005 Most kids think of popes as old men who live quiet lives in the Vatican In fact danger surrounds every pope From John Paul II who was shot all the way back to the first pope the men God places in charge of His Church have been hated and attacked for their goodness and for the good the Church does The Man Who Never Died recounts the adventures of the apostle Peter the first pope and explains how Peter in giving his name and responsibilities to all the popes who follow him became the man who never died fulfilling the promise that Jesus made to him Thou art Peter and upon this rock I will build my Church the Church that remains standing today and will last until the end of time *Saint Peter and the Vatican* Allen Duston, Roberto Zagnoli, 2003 **The Privilege of Peter. And the Claims of the Roman Church Confronted with the Scriptures, the Councils, and the Testimony of the Popes Themselves** Robert Charles Jenkins, 2024-03-01 Reprint of the original first published in 1875

Peter and the Popes A. Burt Horsley, **Pope Peter** Joe Heschmeyer, 2020-06-20 *The Chair of Saint Peter* William J. La Due, 1999 The Chair of Saint Peter surveys the history of the papal office from the first century to the current papacy of Pope John Paul II At the approach of the third millennium the office of the papacy remains a vital sign of unity in the Catholic church and a link with the earliest church But the papal office in its current form is the product of a long and conflicted history of evolution The Chair of Saint Peter is an essential resource for future discussions about the shape of the church to come *A Complete History of the Popes of Rome, from Saint Peter, the First Bishop, to Pius the Ninth, the Present Pope* Louis-Marie de Lahaye vicomte de Cormenin, 1851 **Saint Peter Lives in Rome** Robert Stackpole, 2006-11-15 What exactly is the basis for the Catholic Church s belief in the role of the Pope What does the Catholic Church mean when it teaches that the Pope is Christ s Vicar on earth And what does this teaching mean for Christians of other faith traditions Robert Stackpole STD addresses thought provoking questions in his book St Peter Lives in Rome which has been re released

in this expanded and revised edition Dr Stackpole presents new evidence of support from the early Christian era for the papacy and even includes a timeline entitled Important Dates in the Early Story of the Petrine Primacy Readers will be fascinated by this study that clears away misunderstandings about the papacy and clarifies its foundations in Scripture and early Church history

The Papacy from Saint Peter to the Present Don R. Caffery, 2013-12-09 Who was the first pope Who is the pope today What does he do And why do we need one anyway The answers to these questions and more can be found in this beautifully illustrated book for children Our Holy Father the Pope takes us back to the time of Jesus so that we can learn about the origins and role of the Papacy The storybook format begins with the Gospels Jesus calling Simon Jesus renaming him Peter meaning rock and giving him the keys to the kingdom and so on It follows Peter as Jesus suffers dies and rises from the dead for all mankind The descent of the Holy Spirit the birth of the Church and the death of Peter himself for the sake of Jesus also are described The Church carries on with a new leader to replace Peter as she has down through the centuries to our own day As children will learn from this book although the Church has adapted to the times the tasks of our modern popes are not that different from those of Peter The book includes brief biographies of some famous popes a list of all the popes from Peter to the present and a bibliography Includes beautiful and inspiring illustrations by renowned French illustrator Emmanuel Beaudesson

A Complete History of the Popes of Rome, from Saint Peter, the First Bishop to Pius the Ninth, the Present Pope Louis-Marie de Lahaye vicomte de Cormenin, 1857 Work contains history of popes from Saint Peter the first Bishop of Rome to Pius IX who was elected in 1846 while the preceding work was passing through the press intelligence was received of the death of Gregory XVI vol 2 p 432 This work opens to our view a clear exposition of the public history and private practices of the men who from the position of simple pastors of a single church advanced their authority step by step until they became not only the ecclesiastical but in fact the temporal lords of Christendom Translator s Preface p 3

Pope Linus and the Formation of the Early Catholic Church Matthew Murray, 2014-08-18 The origins of the Catholic Church are as mysterious cavernous and deep as the ancient archives housed in the Vatican the church s capital in Rome Over a billion Catholics believe that the line of Papal succession for Popes stretching back nearly two thousand years begins with Jesus Christ and his first Apostle St Peter However it is there that historians and theologians begin to greatly diverge in their opinions regarding that succession One of the most popular traditions is after the death of Peter the church was run by Pope Linus This short book will look at the early church and what is known about this first pope and his role in the early church

The Pope's Men Peter Partner, 1990 Based on extensive research in Italian archives The Pope s Men explores the bureaucracy of one of the most powerful states in early modern Europe and its ruling elite who included luminaries of humanist literature and scholarship
