

Poetry vs. Prose

Prose

- There are no line breaks. Sentences run to the right margin.
- The first word of each sentence is capitalized.
- Prose looks like large blocks of words.

Poetry

- Poetry uses line breaks for various reasons—to follow a formatted rhythm or to emphasize an idea. Lines can run extremely long or be as short as one word or letter.
- Traditionally, the first letter of every line is capitalized, but many modern poets choose not to follow this rule strictly.
- The shape of poetry can vary depending on line length and the intent of the poet.

Prose Writings:

Some Prose Writings William Carew Hazlitt, 1906 **Prose Writings** William Cullen Bryant, 1884 **Poems and**
Prose Writings Richard Henry Dana, 1850 Collected Critical Writings Geoffrey Hill, 2009 The Collected Critical Writings gathers more than forty years of Hill's published criticism in a revised final form and also adds much new work. It will serve as the canonical volume of criticism by Hill, the pre-eminent poet-critic whom A. N. Wilson has called probably the best writer alive in verse or in prose. In his criticism Hill ranges widely investigating both poets including Jonson, Dryden, Hopkins, Whitman, Eliot, and Yeats and prose writers such as Tyndale, Clarendon, Hobbes, Burton, Emerson, and F. H. Bradley. He is also steeped in the historical context, political, poetic, and religious of the writers he studies. Most importantly, he brings texts and contexts into new and telling relations, neither reducing texts to the circumstances of their utterance nor imagining that they can float free of them. A number of the essays have already established themselves as essential reading on particular subjects such as his analysis of Vaughan's *The Night*, his discussion of Gurney's poetry, and his critical account of *The Oxford English Dictionary*. Others confront the problems of language and the nature of value directly, as in *Our Word is Our Bond*, *Language Suffering and Value*, and *Poetry and Value*. In all his criticism Hill reveals literature to be an essential arena of civic intelligence.

Index of English Literary Manuscripts Margaret M. Smith, 1989-11-01 Eleven authors are included in this final part of Volume III of the Index, beginning with Laurence Sterne and concluding with Edward Young. It also includes the final cumulative first-line index of all the verse which is described in the manuscript entries or mentioned in the Introductions in Parts 1-4 of Volume III.

The Poetical and Prose Writings of Charles Sprague Charles Sprague, 1850 The House of Forgery in Eighteenth-Century Britain Paul Baines, 2019-07-16 Published in 1999, this work offers a balanced interdisciplinary account of literary and criminal forgery as they were practised, constructed, and theorized in the 18th century as a corollary of the new documents of the financial revolution: banknotes, bills of exchange, and promissory notes. The book surveys the crime and its mythology, placing well-known cases such as that of Dr William Dodd within the pattern of 400 prosecutions from the period 1715-1780. In parallel accounts of some major instances of literary forgery are rooted in a more pervasive culture in which forgery was discovered in many developing areas of literary practice: scholarly editing, historiography, and antiquarianism. One surprising aspect of this study is the extent to which literary figures were involved in matters of criminal as well as literary forgery. It is suggested that the two kinds of forgery have unexpected connections with each other through the economy of literature, which following the development of copyright regarded the signature of authorship as the legal site of literary authenticity, and through the economic and legal culture of forgery prosecutions in which bogus writing came to signify a whole range of problems of personal and literary character. The study is based on a very large body of diverse material from major texts such as *The Dunciad* and *Lives of the English Poets* to hundreds of minor poems, controversial pamphlets, criminal biographies, newspapers, legal records, and manuscripts.
