

Praise for

THE PROSPECT BEFORE HER

"In the growing literature of women's history, there is nothing quite like Olwen Hufton's magisterial *The Prospect Before Her*. Drawing on the most recent research on nuns and whores, mothers and witches, Hufton weaves her material into a luminous narrative, a powerful union of sharp analytical intelligence and erudite passion. Her book will stand as the authoritative account of women at the dawn of the modern age." —SIMON SCHAMA

"Truly spellbinding . . . a mix of impeccable historical analysis with narrative style and compassion . . . a joy to read."

—MARIANNE ELLIOTT, *Independent on Sunday*

"One of the most important works of history since the Second World War. Its scholarship, breadth, balance, and unfailing humanity mark the coming of age of women's history in Europe—not least because the author integrates women's past with that of man. Read this one. It is quite magnificent."

—LINDA COLLEY, *The Observer*

"*The Prospect Before Her* is one of those rare finds—beautifully written, fascinating, accessible, and a great work of scholarship."

—CATHERINE BLYTH, *Evening Standard*

"Fascinating. From youth to old age, her women move through the life cycle, married women, spinsters, adulterers, prostitutes, witches, religious reformers, and more. Olwen Hufton draws on a wealth of learning and writes with lucidity and grace."

—NATALIE ZEMON DAVIS, author of *Women on the Margin*

"Olwen Hufton knows the world of the toiler and the world of the privileged, and she describes them with equal shrewdness."

—LINDA KERBER, Professor of History, University of Iowa

Prospect Before Her A History Of Women

María de Zayas y Sotomayor

Prospect Before Her A History Of Women:

The prospect before her Olwen H. Hufton,1997 This book is the first history of women to integrate the history of women into general history In it Hufton a distinguished historian and award winning author brings together a mass of detailed material on women in early modern Europe

The Prospect Before Her Olwen Hufton,1998-02-24 How did women in 16th century western Europe cope with the consequences of being considered inherently sinful as well as being legally and economically subordinate to their fathers husbands brothers and sons What might become of a woman unable to raise a dowry What were the difficulties faced by spinsters single mothers and widows In this brilliant investigation into the lives of women from all social strata Hufton leads us from poor house to palazzo from cradle to grave illuminating what it meant to be female in western Europe during the years 1500 to 1800

The Prospect Before Her: 1500-1800 Olwen H. Hufton,1995 This book is the first history of women to integrate the history of women into general history In it Hufton a distinguished historian and award winning author brings together a mass of detailed material on women in early modern Europe

The Prospect Before Her Olwen Hufton,1995 *The Prospect Before Her* Olwen Hufton,1998 This monumental new book decisively enlarges our understanding of the history of women Hufton leads readers from poorhouse to palazzo from cradle to grave illuminating what it meant to be female in pre modern Europe A major effort at synthesis The New York Times Book Review One of the most important works of history since the Second World War The Observer London of illustrations

The Prospect Before Her Olwen H. Hufton,1996 *Women in European Culture and Society* Deborah Simonton,2017-09-19

Women in European Culture and Society A Sourcebook includes a range of transnational sources which encompass the history of women in Europe from the beginning of the eighteenth century right up to the present day Including documents from across Europe from France and Germany to Estonia Spain and Russia organized in a broad chronological spread the diversity of the sources included in the book is unique including many never translated into English before Deborah Simonton offers detailed interpretive introductions that analyse and contextualize the sources A central feature is its exploration of how women operated within gendered worlds and used their skills and abilities to shape and claim their own identities and to engage with how they contributed as practitioners to shaping European culture and society With over 200 sources the book allows us to hear women s voices as they articulate their understandings of their worlds and helps capture a sense of women s motivations options and choices as they understood them allowing readers to focus on either a period or a theme and providing a comparative resource Ideal for use on its own or as a companion volume to Simonton s other major work *Women in European Culture and Society* Gender Skill and Identity since 1700 this sourcebook is an invaluable collection offering vivid first hand accounts of women s lives

Infertility in Early Modern England Daphna Oren-Magidor,2017-08-09 This book explores the experiences of people who struggled with fertility problems in sixteenth and seventeenth century England Motherhood was central to early modern women s identity and was even seen as their path to salvation To a lesser extent

fatherhood played an important role in constructing proper masculinity When childbearing failed this was seen not only as a medical problem but as a personal emotional crisis Infertility in Early Modern England highlights the experiences of early modern infertile couples their desire for children the social stigmas they faced and the ways that social structures and religious beliefs gave meaning to infertility It also describes the methods of treating fertility problems from home remedies to water cures Offering a multi faceted view the book demonstrates the centrality of religion to every aspect of early modern infertility from understanding to treatment It also highlights the ways in which infertility unsettled the social order by placing into question the gendered categories of femininity and masculinity **Gender and the Historian** Johanna

Alberti,2014-07-10 Why are most famous historians men How have women changed the writing of history over the last decades What lives and stories have been hidden from history Until recently history was predominantly the domain of men That men were the authors of our past meant that in many cases only half of the story was told In the second half of the twentieth century however the picture changed Women and indeed some men as well started to address gender history Women had been investigated historically before but never with such intensity nor such breadth The impetus for this writing was both political and academic as feminists were determined to explore lives which until then had been disregarded Gender and the Historian charts the entry and development of this new history showing how such considerations furthered postmodernism and ultimately reinvigorated the very core of History The Ashgate Research Companion to Women and Gender in Early Modern Europe Jane Couchman,2016-03-23

Over the past three decades scholars have transformed the study of women and gender in early modern Europe This Ashgate Research Companion presents an authoritative review of the current research on women and gender in early modern Europe from a multi disciplinary perspective The authors examine women s lives ideologies of gender and the differences between ideology and reality through the recent research across many disciplines including history literary studies art history musicology history of science and medicine and religious studies The book is intended as a resource for scholars and students of Europe in the early modern period for those who are just beginning to explore these issues and this time period as well as for scholars learning about aspects of the field in which they are not yet an expert The companion offers not only a comprehensive examination of the current research on women in early modern Europe but will act as a spark for new research in the field **The Family, Civil Society, and the State**

Christopher Wolfe,1998 The exact place of the family in a healthy political community and the appropriate way to sustain it are profoundly complicated and difficult questions The distinguished contributors to this book endeavor to provide some answers The first part of the book explores what is distinctive in the current situation of the family and offers both optimistic and pessimistic assessments of the family in our time as well as a historical overview In the second part authors look at the family today demographics economics and social pathologies are all discussed Part three offers analysis of the family and American law especially the law of divorce and the fourth part deals with the relationship between the family and two

profoundly important facets of the structural framework of American life our capitalist economic system and the cultural power of the media Finally the fifth part surveys the various areas of public policy and concludes by asking whether and what public policy can do for the family This is an important book for sociologists legal scholars political scientists educators and anyone concerned about the state of the family in America today

Women's medical work in early modern France

Susan Broomhall,2024-07-30 Women have long been crucial to the provision of medical services both in the treatment of sickness and in maintaining health In this study Susan Broomhall situates the practices and perceptions of women s medical work in France in the context of the sixteenth century and its medical evolution and innovations She argues that early modern understandings of medical practice and authority were highly flexible and subject to change She furthermore examines how a focus on female practitioners who cut across most sectors of early modern medical practice can reveal the multifaceted phenomenon of these negotiations for authority This new paperback edition of Women s medical work in early modern France skilfully combines detailed research with a clear presentation of the existing literature of women s medical work making it invaluable to students of gender and medical history

Time, Space, and Women's Lives in Early Modern Europe

Anne Jacobson Schutte,Thomas Kuehn,Silvana Seidel Menchi,2001-09-01 This collection offers a variety of approaches to aspects of women s lives It moves beyond men s prescriptive pronouncements about female nature to women s lived experiences replacing the singular woman with plural women and illuminating female agency The contributors show that women s lives changed over the life course and differed according to region and social class They also demonstrate that in the early modern period the largely private spaces in women s lives were not enclosed worlds isolated from the public spaces in which men operated Contributors to this important collection are leading international scholars and offer strong substantial and archival based research

Accounting for Oneself Alexandra Shepard,2018-04-05 Accounting for Oneself is a major new study of the social order in early modern England as viewed and articulated from the bottom up Engaging with how people from across the social spectrum placed themselves within the social order it pieces together the language of self description deployed by over 13 500 witnesses in English courts when answering questions designed to assess their creditworthiness Spanning the period between 1550 and 1728 and with a broad geographical coverage this study explores how men and women accounted for their worth and described what they did for a living at differing points in the life cycle A corrective to top down male centric accounts of the social order penned by elite observers the perspective from below testifies to an intricate hierarchy based on sophisticated forms of social reckoning that were articulated throughout the social scale A culture of appraisal was central to the competitive processes whereby people judged their own and others social positions For the majority it was not land that was the yardstick of status but moveable property the goods and chattels in people s possession ranging from livestock to linens tools to trading goods tables to tubs clothes to cushions Such items were repositories of wealth and the security for the credit on which the bulk of early modern exchange depended Accounting for

Oneself also sheds new light on women's relationship to property on gendered divisions of labour and on early modern understandings of work which were linked as much to having as to getting a living The view from below was not unchanging but bears witness to the profound impact of widening social inequality that opened up a chasm between the middle ranks and the labouring poor between the mid sixteenth and mid seventeenth centuries As a result not only was the social hierarchy distorted beyond recognition from the later seventeenth century there was also a gradual yet fundamental reworking of the criteria informing the calculus of esteem

Exemplary Tales of Love and Tales of Disillusion María de Zayas y Sotomayor, 2010-07-15 At the height of Mar a de Zayas's popularity in the mid eighteenth century the number of editions in print of her work was exceeded only by the novels of Cervantes But by the end of the nineteenth century Zayas had been excluded from the Spanish literary canon because of her gender and the sociopolitical changes that swept Spain and Europe Exemplary Tales of Love and Tales of Disillusion gathers a representative sample of seven stories which features Zayas's signature topics gender equality and domestic violence written in an impassioned tone overlaid with conservative Counter Reformation ideology This edition updates the scholarship since the most recent English translations with a new introduction to Zayas's entire body of stories and restores Zayas's author's note and prologue omitted from previous English language editions Tracing her slow but steady progress from notions of ideal love to love's treachery Exemplary Tales of Love and Tales of Disillusion will restore Zayas to her rightful place in modern letters

Education, Identity and Women Religious, 1800-1950 Deirdre Raftery, Elizabeth M. Smyth, 2015-10-08 This book brings together the work of eleven leading international scholars to map the contribution of teaching Sisters who provided schooling to hundreds of thousands of children globally from 1800 to 1950 The volume represents research that draws on several theoretical approaches and methodologies It engages with feminist discourses social history oral history visual culture post colonial studies and the concept of transnationalism to provide new insights into the work of Sisters in education Making a unique contribution to the field chapters offer an interrogation of historical sources as well as fresh interpretations of findings challenging assumptions Compelling narratives from the USA Canada New Zealand Africa Australia South East Asia France the UK Italy and Ireland contribute to what is a most important exploration of the contribution of the women religious by mapping and contextualizing their work Education Identity and Women Religious 1800 1950 Convents classrooms and colleges will appeal to academics researchers and postgraduate students in the fields of social history women's history the history of education Catholic education gender studies and international education

Women, Work, and Wages in England, 1600-1850 Penelope Lane, Neil Raven, K. D. M. Snell, 2004 The work of women is recognised as having been fundamental to the industrialization of Britain These studies explore how that work was remunerated in studies that range across time region and occupation Topics include the changing nature of women's work customary norms and women and the East India Company

Gender in Eighteenth-Century England Hannah Barker, Elaine Chalus, 2014-06-17 A new collection of essays which challenges many

existing assumptions particularly the conventional models of separate spheres and economic change All the essays are specifically written for a student market making detailed research accessible to a wide readership and the opening chapter provides a comprehensive overview of the subject describing the development of gender history as a whole and the study of eighteenth century England This is an exciting collection which is a major revision of the subject *Autobiography and Other Writings* Ana de San Bartolomé, 2008-11-15 Ana de San Bartolomé 1549-1626 a contemporary and close associate of St Teresa of Ávila typifies the curious blend of religious activism and spiritual forcefulness that characterized the first generation of Discalced or reformed Carmelites Known for their austerity and ethics their convents quickly spread throughout Spain and under Ana's guidance also to France and the Low Countries Constantly embroiled in disputes with her male superiors Ana quickly became the most vocal and visible of these mystical women and the most fearless of the guardians of the Carmelite Constitution especially after Teresa's death Her autobiography clearly inseparable from her religious vocation expresses the tensions and conflicts that often accompanied the lives of women whose relationship to the divine endowed them with an authority at odds with the temporary powers of church and state Last translated into English in 1916 Ana's writings give modern readers fascinating insights into the nature of monastic life during the highly charged religious and political climate of late sixteenth and early seventeenth century Spain **Early Modern European Society** Henry Kamen, 2005-07-28 Drawing together common features of society from a range of different contexts throughout Europe from Italy and Spain to Poland and Russia *Early Modern European Society* surveys the sweeping changes affecting Europe from the end of the fifteenth century to the early decades of the eighteenth century Henry Kamen includes discussion on European identities frontiers and language leisure work and migration religion ritual and witchcraft the aristocracy the bourgeoisie and the poor gender roles social discipline and absolutism

Prospect Before Her A History Of Women Introduction

In the digital age, access to information has become easier than ever before. The ability to download Prospect Before Her A History Of Women has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Prospect Before Her A History Of Women has opened up a world of possibilities. Downloading Prospect Before Her A History Of Women provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Prospect Before Her A History Of Women has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Prospect Before Her A History Of Women. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Prospect Before Her A History Of Women. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Prospect Before Her A History Of Women, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Prospect Before Her A History Of Women has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Prospect Before Her A History Of Women Books

1. Where can I buy Prospect Before Her A History Of Women books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
