Prospect Journeys And Landscapes:

Journey through Landscape in Seventeenth-Century Holland: The Haarlem Print Series and Dutch Identity, The sets of landscape etchings produced in the second decade of the seventeenth century by Claes Jansz Visscher Esaias van den Velde Willem Buytewech and Jan van de Velde drew on and contributed to a print culture that played a key role in defining Dutch landscape Examination of these printed landscape series as part of a wide ranging print culture underscores the consistent interrelationship of landscape history and politics To varying degrees the contemporaneous descriptive geographies histories allegorical tableaux didactic prints and poetic anthologies considered in this study provide parallels for the prints serial structure journey theme and commemorative motifs Moreover as part of a wider enterprise of Dutch self definition they provide cultural guidelines for the interpretation of landscape in prints and paintings Levesque s study of the Dutch seventeenth century experience of place is two tiered She addresses the journey through landscape as an interpretive framework the spatial structure of knowledge the benefits of travel from the point of view of humanists and the growth of a Dutch national self consciousness expressed through landscape She also provides a close reading of the structure and motifs in the print series of Claes Jansz Visscher Esaias van den Velde Willem Buytewech and Jan van de Velde **Prospect** Elizabeth Caroline Dodd,2003 And now I feel all these events from a week in the Prospect mountains and the narrative pattern they cast like a shadow or like ripples in sand have been filed somewhere in the regions of the brain near to where the neurons and synapses first lit and flexed their tiny metaphoric muscles from that childhood reading In recent years scientists have emphasized how changing and dynamic is the human brain shaped and structured by both thoughts and experience The quest for understanding the peripheral vision we gain from gazing where we do becomes a kind of topography in our own head s contours gray matter under bone and skin and hair In Prospect her wise collection of essays Elizabeth Dodd widens her gaze to peer at the world through a myriad of lenses natural history local history science anthropology philosophy and literature Offering cultural commentary and personal revelation she invites the reader on a journey into the heart of life the life of places the life of the individual the life of a culture It is a journey whose map is continuously being formed out of the matter of the moment For Dodd the pins on the map outlining the way are made up of elm trees and mosquitoes burial and ceremonial mounds a lunatic asylum an inner city neighborhood the dissolution of a marriage a mother s death In the venerable tradition of Gary Snyder Terry Tempest Williams and John Haines Dodd uses the elements of the natural world and historical fact as compass points to locate the sense of self [A Journey through the Content and Language Integrated Learning Landscape](#) Carmel Mary Coonan,Luciana Favaro,Marcella Menegale,2017-11-06 Interest in Content and Language Integrated Learning CLIL in Europe and beyond has increased exponentially since it first appeared on the scene in Europe in the early 1990s CLIL has grown to become a much discussed topic of language education today with the number of publications pertaining to the field continuing to increase Researchers teachers teacher trainers

course planners and others involved in CLIL are constantly searching for new studies to help them understand how CLIL is evolving and how best it can be implemented As the concept is now informing the pedagogical principles of different educational realities research and reflection are now required to further understand its potential and implications its inherent difficulties and possible applications This volume was conceived with this idea in mind The book primarily covers three macro areas learning teaching and training It provides insight into the latest areas of research and reflection that are characterizing the CLIL field in the current decade The wide range of topics covered reveal for example a shift in interest towards CLIL at the tertiary level focusing on lecturer and student perceptions and problems **Journey into Deep**

Landscape Joon Kim,2023-06-18 This literary work of non fiction is based on the author s personal journeys alone He backpacked to the coasts of the country across the American continent to London England Paris France and Schwarzwald Germany And also to Andalusia Spain and Siberia Russia Above all he cannot forget the simple hearted pilgrimage to Siberia on the Trans Siberian Railway He journeyed alone sometimes meditating on writing and sometimes on the journey itself He saw and felt flamenco through his journey into Andalusia and stepped on the snow covered birch forest in Siberia that he longed for Writing this book JOURNEY INTO DEEP LANDSCAPES he recalled a few of words of Annie Dillard Write about winter in summer Describe Norway as Ibsen did from a desk in Italy Lastly he lived at home in seclusion and went on an inner journey with picture books His long journey like the flow of a deep river was the source of inspiration for his writing In a sense writing was a kind of journey for him This creative nonfiction deviates somewhat from the general novel structure However the flow of the entire text is consistent and organic So whether you may take it as a creative non fiction or as a collection of f personal essays It s up to you **Just a Thin Slice: A Family's Journey Through the American**

Landscape, Literature and English Religious Culture, 1660-1800 R. Mayhew,2004-03-15 Landscape Literature and English Religious Culture 1660 1800 offers a powerful revisionist account of the intellectual significance of landscape descriptions during the long Eighteenth century Landscape has long been a major arena for debate about the nature of Eighteenth century English culture this book surveys those debates and offers a provocative new account Mayhew shows that describing landscape was a religiously contested practice and that different theological positions led differing authors to different descriptive approaches Landscape description then shows English intellectual life still in the grips of a Christian and classical mentality in the long Eighteenth century

Journey to Albania Enrico Porfido,Giuseppe Resta,2022-10-24 Over the last ten years Albania has undergone rapid development becoming a well recognised tourist destination within the Mediterranean region Tourism represents one of the most significant opportunities for the country and at the same time a challenge for a developing nation and emerging economy especially if we take into account an isolationist period of more than forty years during the social communist

dictatorship This book aims to provide a base for discussion about the impact of tourism on the Albanian territory firstly from a historical point of view and secondly to observe a specific case study and analyse its impact This book is a journey to Albania looking at architecture explorations and landscapes from the traveller s perspective Inevitably this will include other academic fields such as geography history and spatial planning and will also recognise the contested Italian influence as an additional layer of complexity in Albania s 20th century *Landscapes of Pilgrimage in Medieval Britain* Martin

Locker,2015-02-28 This book seeks to address the journeying context of pilgrimage within the landscapes of Medieval Britain Using four case studies an interdisciplinary methodology developed by the author is applied to four different geographical and cultural areas of Britain to investigate the practicalities of travel along the Medieval road network **Dickens and**

Landscape Discourse Jane Helen Berard,2007 Dickens and Landscape Discourse is a contextual study offering valuable insights into the significance of geographical and social placement in nineteenth century literature Jane H Berard considers landscape contexts available to Dickens such as topographical poetry antiquarianism tourism John Britton s Beauties of Wiltshire and the landscape discourse in Dickens other works to open up a reading of Martin Chuzzlewit 1843 44 set in Wiltshire Though Dickens can be seen reflecting or resisting the value laden discourses embedded in his landscapes he communicates to his readers of Martin Chuzzlewit through an interactive oppositional and subversive social discourse to expose a landscape of death and the Victorians struggle for control over their situation *Thomas Cole's Journey* Elizabeth

Mankin Kornhauser,Tim Barringer ,2018-01-29 Thomas Cole 1801 1848 is celebrated as the greatest American landscape artist of his generation Though previous scholarship has emphasized the American aspects of his formation and identity never before has the British born artist been presented as an international figure in direct dialogue with the major landscape painters of the age Thomas Cole s Journey emphasizes the artist s travels in England and Italy from 1829 to 1832 and his crucial interactions with such painters as Turner and Constable For the first time it explores the artist s most renowned paintings The Oxbow 1836 and The Course of Empire cycle 1834 36 as the culmination of his European experiences and of his abiding passion for the American wilderness The four essays in this lavishly illustrated catalogue examine how Cole s first hand knowledge of the British industrial revolution and his study of the Roman Empire positioned him to create works that offer a distinctive even dissident response to the economic and political rise of the United States the ecological and economic changes then underway and the dangers that faced the young nation A detailed chronology of Cole s life focusing on his European tour retraces the artist s travels as documented in his journals letters and sketchbooks providing new insight into his encounters and observations With discussions of over seventy works by Cole as well as by the artists he admired and influenced this book allows us to view his work in relation to his European antecedents and competitors demonstrating his major contribution to the history of Western art
