beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

The Facts on the Faith Movement John Ankerberg, John Weldon, 2011-04-22 The growing much publicized Faith Movement has captured literally millions of Christians with its seductive claims. Christians are offered health, wealth, and prosperity if they say the right things and have the right frame of mind, but is it biblical? Authors answer key questions about the Movement, its leaders, and its teachings. What are the basic teachings of the Faith Movement? How powerful is the Faith Movement? Why has it been so successful? What characteristics of the Faith Movement concern people? Do the Faith teachers misinterpret Scripture? This book carefully separates fact from fiction regarding the Faith Movement's disturbing presence in Christianity.

The Power of Choice Angel de Luz, 2017-11-18 The power of choice is the strength that comes from the depths of the heart. It is never wrong, and the result of the action must always be accepted. Whether positive or negative, the result should always be seen as a teaching. In the end, the good and the bad case leads to learning. The Power of Choice is subtle; you must learn to listen to your intuition, accompanied by the energy of the heart. If you choose what you most want to do, you are on the path of Love. If you do not enter a path full of obstacles because you so wished, never blame others for your state because you are solely responsible for your actions.

The Patriot's Path James Schrader, 2009-06-05 Sequel to the hit thriller *When Truth and Justice Die*. While the United States reels in the wake of anarchy unleashed by Tymax and the amoral masses, the lives of Ferguson, Bauer, Isaac, and their fellow patriots are transformed by a mysterious set of documents. Tyranny gains a foothold and spreads like a disease across the land. The angel and the prophet strengthen the patriots' will and confirm the direction they must travel, but the enemy of freedom does not rest. The tyrant and his vassals grope for riches and power and strike a massive blow, but the patriots fight on, carrying the torch of freedom and striving to rescue our nation from the growing wave of oppression. Where will the patriot's path lead, and what will the outcome be? The destiny of freedom lies in the balance as the dwindling flame of patriotism ignites a journey of faith, a race against time, treachery, and the demon of human greed.

A Theology of Hope Sang Yun Lee, 2019-01-03 Lee advocates a theology of hope, essentially different from the Moltmann version on which the idea is developed. Lee shows how Cho's message, particularly in its promise of a saved, healthy, happy, and prosperous life, the Threefold Blessing, was the antidote to the events that had ravaged the Korean peninsula in the 1950s. At the same time, Asian Pentecostal scholars might also need a greater appreciation for both the diversity and richness of their cultural and religious past. They have found both culturally and biblically acceptable alternatives to, and adaptations from, the practices of their ancient religions and are seeking to provide answers to the needs of their own context. Allan H. Anderson, University of Birmingham, England. From the Foreword.
