Protecting Democracy International Responses

Richard Gregory Johnson

Protecting Democracy International Responses:

Protecting Democracy Morton H. Halperin, Mirna Galic, 2005-01-01 Over the past several decades democracy has taken root or been re established in a number of countries with support from other democratic states and private groups While the increase in the number of democracies worldwide has been widely heralded very little has been written on how democracy can be protected and sustained where it has been chosen by the people of a state Coups d etat and the erosion of democratic freedoms and institutions remain the most salient threats to democratic governance around the globe How can democratic states protect themselves and secure more effective international action against such threats Protecting Democracy International Responses is the first comprehensive guide to preventing and responding to threats to coups and erosions in democracies Through case studies and in depth analyses the book provides legal and policy justification for these processes and discusses how they can be made more effective combining the findings of an international task force on threats to democracy with contributions from leading scholars and policymakers Timely and enthralling Protecting Democracy is essential reading for policymakers and academics as well as anyone committed to supporting democracy at home and abroad

Democratic Responses To Terrorism Leonard B. Weinberg, 2007-12-30 In the public debate many observers have argued that there is a trade off between fighting terrorism and enhancing democracy implying that democratic governance and its practices are obstacles to confronting terrorism effectively The purpose of this volume is to show that the values and principles of democracy must not be seen as a hindrance but should rather be considered as essential components of a counter terrorist strategy With a foreword by Fernando Henrique Cardoso former president of Brazil the essays here assess the elements of a new response against terrorism such as the role of the legal framework human rights democracy and civil society as well as international cooperation

Re-envisioning Sovereignty Trudy Jacobsen, 2016-04-08 Sovereignty as a concept is in a state of flux In the course of the last century traditional meanings have been worn away while the limitations of sovereignty have been altered as transnational issues compete with domestic concerns for precedence This volume presents an interdisciplinary analysis of conceptions of sovereignty Divided into six overarching elements it explores a wide range of issues that have altered the theory and practice of state sovereignty such as human rights and the use of force for human protection purposes norms relating to governance the war on terror economic globalization the natural environment and changes in strategic thinking The authors are acknowledged experts in their respective areas and discuss the contemporary meaning and relevance of sovereignty and how it relates to the constitution of international order

Advancing Democracy Abroad Michael McFaul, 2010 In Advancing Democracy Abroad McFaul explains how democracy provides a more accountable system of government greater economic prosperity and better security compared with other systems of government He then shows how Americans have benefited from the advance of democracy abroad in the past and speculates about security economic and moral benefits for the United States from potential democratic gains around the

world *Sanctions, Accountability and Governance in a Globalised World* Jeremy Farrall, Kim Rubenstein, 2009-11-05 This book is the first in a series examining how public law and international law intersect in five thematic areas of global significance: sanctions, global health, environment, movement of people, and security. Until recently, international and public law have mainly overlapped in discussions on how international law is implemented domestically. This series explores the complex interactions that occur when legal regimes intersect, merge, or collide. *Sanctions, Accountability and Governance in a Globalised World* discusses legal principles which cross the international law/domestic public law divide. What tensions emerge from efforts to apply and enforce law across diverse jurisdictions? Can we ultimately only fill in or fall between the cracks, or is there some greater potential for law in the engagement? This book provides insights into international constitutional and administrative law, indicating the way these intersect, creating a valuable resource for students, academics, and practitioners in the field.

International Politics of Authoritarian Rule Oisín Tansey, 2016-08-18 Autocrats must overcome a range of challenges as they seek to gain and maintain political power, including the threat that comes from both rival elites and discontented publics. *The International Politics of Authoritarian Rule* examines the ways in which international forces can encourage and assist autocratic actors in overcoming these challenges. Often, autocratic incumbents are strengthened in power by events on the international stage and by the active support of international allies. The book offers a typology of different international forms of influence on authoritarianism and examines the ways in which external forces shape autocratic rule at the domestic level. The typology distinguishes between three broad forms of international influence: passive influences, unintended consequences, and active forms of external autocratic sponsorship. The book focuses in particular on the latter category and examines intentional autocratic sponsorship in the post-Cold War period. A central contribution of the book is to address the question of how international autocratic sponsorship can bolster authoritarian rule. It highlights the ways in which international sponsorship can contribute to authoritarian practices in three significant ways: by increasing the likelihood that authoritarian regimes will pursue authoritarian practices such as coups, repression, or election fraud; by contributing to the implementation of those practices; and finally, by shielding autocratic actors from international punishment after such practices are pursued. External sponsorship can thus lower the costs of authoritarian behaviour and protect and shield authoritarian regimes from the negative consequences of their actions.

Oxford Studies in Democratization is a series for scholars and students of comparative politics and related disciplines. Volumes concentrate on the comparative study of the democratization process that accompanied the decline and termination of the cold war. The geographical focus of the series is primarily Latin America, the Caribbean, Southern and Eastern Europe, and relevant experiences in Africa and Asia. The series editor is Laurence Whitehead, Senior Research Fellow, Nuffield College, University of Oxford.

Five Rising Democracies Ted Piccone, 2016-02-23 Shifting power balances in the world are shaking the foundations of the liberal international order and revealing new fault lines at the intersection of human rights and

international security Will these new global trends help or hinder the world's long struggle for human rights and democracy The answer depends on the role of five rising democracies India Brazil South Africa Turkey and Indonesia as both examples and supporters of liberal ideas and practices Ted Piccone analyzes the transitions of these five democracies as their stars rise on the international stage While they offer important and mainly positive examples of the compatibility of political liberties economic growth and human development their foreign policies swing between interest based strategic autonomy and a principled concern for democratic progress and human rights In a multipolar world the fate of the liberal international order depends on how they reconcile these tendencies *Sanctions, Accountability and Governance in a Globalised World* Jeremy Matam Farrall, Kim Rubenstein, 2009-11-05 First in a series examining connections between international and public law discussing sanction implementation within the confines of domestic law *Promoting Democracy and the Rule of Law* A. Magen, T. Risse, M. McFaul, 2009-07-31 European and American experts systematically compare U S and EU strategies to promote democracy around the world from the Middle East and the Mediterranean to Latin America the former Soviet bloc and Southeast Asia In doing so the authors debunk the pernicious myth that there exists a transatlantic divide over democracy promotion **Responsibility to Protect and Sovereignty** Ramesh Thakur, 2016-03-23 The responsibility to protect R2P principle articulates the obligations of the international community to prevent conflict occurring to intervene in conflicts and to assist in rebuilding after conflicts The doctrine is about protecting civilians in armed conflicts from four mass atrocity crimes genocide war crimes crimes against humanity and ethnic cleansing This book examines interventions in East Timor Sri Lanka Sudan and Kosovo The chapters explore and question UN debates with respect to the doctrine both before and after its adoption in 2005 contrasting state attitudes to international military intervention and what takes place after intervention It also discusses the ability of the Security Council to access reliable information and credible and transparent processes to enable it to make a determination on the occurrence of atrocities in a Member State Questioning whether there is a need to find a closer operational link between the responsibilities to prevent and react and a normative link between R2P and principles of international law the contributions examine the effectiveness of the framework of R2P for international decision making in response to mass atrocity crimes and ask how an international system to deal with threats and mass atrocities can be developed in the absence of a central authority This book will be valuable to those interested in international law human rights and security peace and conflict studies Abusive Constitutional Borrowing Rosalind Dixon, David Landau, 2021-07-08 Law is fast globalizing as a field and many lawyers judges and political leaders are engaged in a process of comparative borrowing But this new form of legal globalization has dark sides it is not just a source of inspiration for those seeking to strengthen and improve democratic institutions and policies It is increasingly an inspiration and legitimization device for those seeking to erode democracy by stealth under the guise of a form of faux liberal democratic cover Abusive Constitutional Borrowing Legal globalization and the subversion of liberal democracy outlines this

phenomenon how it succeeds and what we can do to prevent it This book address current patterns of democratic retrenchment and explores its multiple variants and technologies considering the role of legitimating ideologies that help support different modes of abusive constitutionalism An important contribution to both legal and political scholarship this book will of interest to all those working in the legal and political disciplines of public law constitutional theory political theory and political science

21st Century Democracy Promotion in the Americas Jorge Heine,Brigitte Weiffen,2014-09-19 This volume examines the promotion and defense of democracy in the Americas Taking the Inter American Democratic Charter IADC of 2001 as a baseline it charts the evolution of the issue over the past decade Although it considers historical antecedents the main focus of the book is on key instances of promotion and defense of democracy in the Western hemisphere since the adoption of the IADC It analyzes democratic norms norm enforcement mechanisms and how they work in practice Special attention is paid to the 2009 Honduras coup the issues raised by it and the debates that surrounded it as this was the first instance in which a member state was suspended in accordance with the IADC Three central themes guide the analysis the nature of challenges to democracy in Latin America the role of regional organizations as democracy promoters and the transformation of Inter American relations The book unveils the key achievements and limitations of the OAS in the field and will be of great interest to students and scholars of democratization US Latin American relations international relations of Latin America and international organizations

A Twenty-first Century Approach to Teaching Social Justice Richard Gregory Johnson,2009 A Twenty first Century Approach to Teaching Social Justice Educating for Both Advocacy and Action defines social justice in terms of the marginalization of groups including women people of color queers working class poor individuals and individuals with disabilities Sixteen original chapters provide new and insightful perspectives on topics ranging from global transgender awareness and action to religious pluralism Essential reading for anyone concerned about the state of equality in our society this book will provide undergraduate and graduate students as well as other readers with an awareness of various social justice issues and how to develop strategies for social change

Promoting Democracy in the Americas Thomas F. Legler,Sharon F. Lean,Dexter S. Boniface,2007-09-09 Publisher description

Globalising Democracy Peter Burnell,2006-09-27 This volume brings together expert contributors to explore the intersection of two major contemporary themes globalization and the contribution that both domestic party politics and international party support make to democratization Globalising Democracy clearly shows what globalization means for domestic and international efforts to build effective political parties and competitive party systems in new and emerging democracies Contrasting perspectives are presented through fresh case studies of European post communist countries Africa and Turkey The reader is clearly shown how international party assistance is a manifestation and vehicle of globalization and explores how it may be assessed in terms of global economic integration the growth of global communications the development and implications for party politics of multi level governance This is the first book to analyze

the impact of globalization on democracy and will be of great interest to all students of international relations governance and politics

Regression of Democracy? Gero Erdmann, Marianne Kneuer, 2013-06-21 Democratization since the implosion of the communist bloc displays a mixed balance While the neo democracies in Central Eastern European Countries can be seen as largely consolidated many other processes of democratization in other parts of the world such as Africa Asia and Latin America got stuck as unconsolidated or became defective democracies some regressed into hybrid regimes or were even turned into autocracies While transitology dealt with the transition from authoritarian rule the reverse process the transition from democratic rule remained almost completely outside the scholarly attention This special issue will address the problems of the regression of democracy and aims at closing the gap between research on democracy and democratization on one side and the emergence of authoritarian regimes on the other The contributions of this volume analyse the different phenomena in which decline of democracy fans out the loss of quality which means a silent regression the backslide into hybrid regimes hybridization and the breakdown of democracy

Rethinking International Law and Justice Charles Sampford, Spencer Zifcak, 2016-04-08 General principles of law have made and are likely further to make a significant contribution to our understanding of the constituent elements of global justice Dealing extensively with global headline issues of peace security and justice this book explores justice arising in specific areas of international law as well as underlying theories of justice from political science and international relations With contributions from leading academics and practitioners the book adopts an interdisciplinary approach Covering issues such as international humanitarian law and examining the significance of non state actors for the development of international law the collection concludes with the complex question of how best to rethink aspects of international justice The lessons derived from this research will have wide implications for both developed and emerging nation states in rethinking sensitive issues of international law and justice As such this book will be of interest to academics and practitioners interested in international law environmental law human rights ethics international relations and political theory

Presidential Breakdowns in Latin America M. Llanos, Leiv Marsteintredet, 2010-03-01 This volume is the first comprehensive analysis of a new type of executive instability without regime instability in Latin America referred to as presidential breakdown It includes a theoretical introduction framing the debate within the institutional literature on democracy and democratization and the implications of this new type of executive instability for presidential democracies Two comparative chapters analyze the causes procedures and outcomes of presidential breakdowns in a regional perspective and country studies provide in depth analyses of all countries in Latin America that have experienced one or several presidential breakdowns Argentina Bolivia Brazil Dominican Republic Ecuador Guatemala Paraguay Peru and Venezuela The book also includes an epilogue on the 2009 presidential crisis in Honduras

Responding to Conflict in Africa J. Boulden, 2013-05-14 Using nine case studies and an overview of recent changes at the institutional level the purpose of this book is to examine the issues and experiences associated with the increased level of

activity between the United Nations and regional organizations in their efforts to address conflict in Africa **The**
Democracy Advantage, Revised Edition Morton Halperin, Joe Siegle, Michael Weinstein, 2009-12-16 For decades policies
pursued by the US and other industrialized nations towards the developing world have been based on the belief that
democracy and development don't mix This book makes a bold case that they do

Protecting Democracy International Responses Introduction

In today's digital age, the availability of Protecting Democracy International Responses books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Protecting Democracy International Responses books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Protecting Democracy International Responses books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Protecting Democracy International Responses versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Protecting Democracy International Responses books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Protecting Democracy International Responses books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Protecting Democracy International Responses books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Protecting Democracy International Responses books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Protecting Democracy International Responses books and manuals for download and embark on your journey of knowledge?

FAQs About Protecting Democracy International Responses Books

What is a Protecting Democracy International Responses PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Protecting Democracy International Responses PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Protecting Democracy International Responses PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Protecting Democracy International Responses PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Protecting Democracy International Responses PDF?** Most PDF

editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
