Protecting Your Business Against Espionage:

Business Espionage Bruce Wimmer CPP, 2015-03-21 *Business Espionage Risk Threats and Countermeasures* provides the best practices needed to protect a company's most sensitive information. It takes a proactive approach explaining the measures and countermeasures that can be enacted to identify both threats and weaknesses. The text fully explains the threat landscape showing not only how spies operate but how they can be detected. Drawn from the author's 40 years of experience, this vital resource will give readers a true understanding of the threat of business spying and what businesses can do to protect themselves. It is ideal for use as a tool to educate staff on the seriousness of the threat of business espionage. Shows how to identify a company's threats, weaknesses, and most critical assets. Provides proven and practical countermeasures that any business can employ to protect their most sensitive assets from both internal and external threats. Uses real-life case studies and examples to help the reader understand how to apply the tactics discussed. *Protecting Your Company's*

Intellectual Property Deborah E. BOUCHOUX, 2006-02-16 A company's most valuable assets may not be physical. This book shows how to protect them without fences or security guards. You can't touch it or feel it. Sometimes you can't even see it. Yet intellectual property continues to soar in value, comprising an increasingly greater portion of a typical company's assets. In the age of instant global communication, understanding what intellectual property is, how to protect it, and how to enhance its value are prerequisites for corporate survival. Enter attorney Deborah E. Bouchoux and her informative book *Protecting Your Company's Intellectual Property*. Packed with fascinating and illuminating examples, this book is a succinct yet comprehensive discussion of the four key areas of intellectual property: trademarks, copyrights, patents, and trade secrets. In addition to defining these areas, for instance, did you know that customer lists and marketing plans are protectable trade secrets? The book offers practical tools for protecting intellectual property, including Trademark and Copyright application forms, Sample employment agreements, An Internet usage policy, Tips on preventing unauthorized dissemination of information via the Web, A guide for conducting an IP audit, And much, much more. *Corporate Espionage, Geopolitics, and Diplomacy Issues in*

International Business Christiansen, Bryan, Kasarcı, Fatmanur, 2016-10-31 As global business competition continues to accelerate, it is imperative that managers and executives examine all facets of an organization so that it remains successful.
