Hanciles, Mark Hutchinson**

Protestant Evangelical Awakening:

The Protestant Evangelical Awakening William Reginald Ward, W. R. Ward, 1992 This book studies the early history of the Protestant revival movements of the eighteenth century *The Protestant Evangelical Awakening* William Reginald Ward, 2002

The Great Awakening Thomas S. Kidd, 2008-10-01 In the mid eighteenth century Americans experienced an outbreak of religious revivals that shook colonial society This book provides a definitive view of these revivals now known as the First Great Awakening and their dramatic effects on American culture Historian Thomas S Kidd tells the absorbing story of early American evangelical Christianity through the lives of seminal figures like Jonathan Edwards and George Whitefield as well as many previously unknown preachers prophets and penitents The Great Awakening helped create the evangelical movement which heavily emphasized the individual's experience of salvation and the Holy Spirit's work in revivals By giving many evangelicals radical notions of the spiritual equality of all people the revivals helped breed the democratic style that would come to characterize the American republic Kidd carefully separates the positions of moderate supporters of the revivals from those of radical supporters and he delineates the objections of those who completely deplored the revivals and their wildly egalitarian consequences The battles among these three camps the author shows transformed colonial America and ultimately defined the nature of the evangelical movement **Inventing the "Great Awakening"** Frank

Lambert, 2021-01-12 This book is a history of an astounding transatlantic phenomenon a popular evangelical revival known in America as the first Great Awakening 1735-1745 Beginning in the mid 1730s supporters and opponents of the revival commented on the extraordinary nature of what one observer called the great ado with its extemporaneous outdoor preaching newspaper publicity and rallies of up to 20 000 participants Frank Lambert biographer of Great Awakening leader George Whitefield offers an overview of this important episode and proposes a new explanation of its origins The Great Awakening however dramatic was nevertheless unnamed until after its occurrence and its leaders created no doctrine nor organizational structure that would result in a historical record That lack of documentation has allowed recent scholars to suggest that the movement was invented by nineteenth century historians Some specialists even think that it was wholly constructed by succeeding generations who retroactively linked sporadic happenings to fabricate an alleged historic development Challenging these interpretations Lambert nevertheless demonstrates that the Great Awakening was invented not by historians but by eighteenth century evangelicals who were skillful and enthusiastic religious promoters Reporting a dramatic meeting in one location in order to encourage gatherings in other places these men used commercial strategies and newly popular print media to build a revival one that they also believed to be an extraordinary work of God They saw a special meaning in contemporary events looking for a transatlantic pattern of revival and finding a motive for spiritual rebirth in what they viewed as a moral decline in colonial America and abroad By examining the texts that these preachers skillfully put together Lambert shows how they told and retold their revival account to themselves their followers and their opponents

His inquiries depict revivals as cultural productions and yield fresh understandings of how believers spread the word with whatever technical and social methods seem the most effective

The Light of the Nations J. Edwin Orr, 2006-06-01 The nineteenth century observes Dr Orr was the century of Christian action and accomplishment The social and political upheavals of the late eighteenth century were followed by a decline in Christian witness so serious that it seems as though Christianity was near death In despair Christian leaders prayed for Divine intervention and answer came a series of six great waves of evangelical renewal and advance which made the nineteenth century the Great Century of evangelism From this study of Evangelical Revivals it is possible to trace a pattern of action and discover a progression of achievement which demonstrates that the same Spirit of God who moved the apostles continues to operate in the world Dr Orr suggests that the evangelical awakenings may be shown to be the foremost method of an Almighty God to promote the betterment of all mankind and His primary instrument to win men to transforming faith in Himself *Evangelical Revival* Joshua Odunola Olawale, 2021 History of the evangelicals in Europe and how it brought the Protestant Christians back from spiritual deadness of the eighteenth Century AD

Global Awakening Mark R. Shaw, 2010-05-07 The last century has seen the revolutionary remaking of Christianity into a truly world religion How did it happen What triggered the emergence of this new global faith no longer dominated by the West full of new and vital forms of devotion Mark Shaw's provocative thesis is that far flung revivals are at the heart of the global resurgence of Christianity These were not the quirky folk rituals associated with rural America and nineteenth century camp meetings that belong more to an age of plows and prairies than of postmodernity and globalization Rather they were like forces of nature protean constantly adjusting their features and ferocity to new times and to new places speaking Spanish Portuguese Yoruba Korean Mandarin and Gujarati They crossed the equator As they traveled abroad they grabbed hold of missionaries Bible translations national evangelists globalization and glossolalia and turned them into a religious revolution In this engaging book we read the stories of Joseph Babalola and the Aladura Revival in Africa of Kil Sun Ju and the great Korean revival of 1907 of Paulo Borges Jr and explosion of neo Pentecostalism in Brazil and of V S Azariah and the mass conversions of the Dalit people in India As Shaw paints portraits of these and many more his gallery fills and we begin to see beyond isolated pictures to the sweeping landscape that we didn't realize was before our eyes all the time

The First Great Awakening John Howard Smith, 2014-12-18 The First Great Awakening an unprecedented surge in Protestant Christian revivalism in the Eighteenth Century sparked enormous of controversy at the time and has been a source of scholarly debate ever since Few historians have sought to write a synthetic history of the First Great Awakening and in recent decades it has been challenged as having happened at all being either an exaggeration or an invention The First Great Awakening expands the movement's geographical theological and sociopolitical scope Rather than focus exclusively on the clerical elites as earlier studies have done it deals with them alongside ordinary people and includes the experiences of women African Americans and Indians as the observers and participants they were It

challenges prevailing scholarly opinion concerning what the revivals were and what they meant to the formation of American religious identity and culture Cover image NPG 131 George Whitefield by John Wollaston oil on canvas circa 1742 National Portrait Gallery London

The Oxford History of Protestant Dissenting Traditions Mark A. Noll, John Coffey, Timothy Larsen, Andrew C. Thompson (Lecturer in history), Michael Ledger-Lomas, Jehu Hanciles, Mark Hutchinson, 2017 The five volume Oxford History of Dissenting Protestant Traditions series is governed by a motif of migration out of England It first traces organized church traditions that arose in England as Dissenters distanced themselves from a state church defined by diocesan episcopacy the Book of Common Prayer the Thirty Nine Articles and royal supremacy but then follows those traditions as they spread beyond England and also traces newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent Secondly it does the same for the doctrines church practices stances toward state and society attitudes toward Scripture and characteristic patterns of organization that also originated in earlier English Dissent but that have often defined a trajectory of influence independent ecclesiastical organizations The Oxford History of Protestant Dissenting Traditions Volume III considers the Dissenting traditions of the United Kingdom the British Empire and the United States in the nineteenth century It provides an overview of the historiography on Dissent while making the case for seeing Dissenters in different Anglophone connections as interconnected and conscious of their genealogical connections The nineteenth century saw the creation of a vast Anglo world which also brought Anglophone Dissent to its apogee

The Oxford History of Protestant Dissenting Traditions, Volume II Andrew C. Thompson, 2018-05-24 The five volume Oxford History of Dissenting Protestant Traditions series is governed by a motif of migration out of England It first traces organized church traditions that arose in England as Dissenters distanced themselves from a state church defined by diocesan episcopacy the Book of Common Prayer the Thirty Nine Articles and royal supremacy but then follows those traditions as they spread beyond England and also traces newer traditions that emerged downstream in other parts of the world from earlier forms of Dissent Secondly it does the same for the doctrines church practices stances toward state and society attitudes toward Scripture and characteristic patterns of organization that also originated in earlier English Dissent but that have often defined a trajectory of influence independent ecclesiastical organizations The Oxford History of Protestant Dissenting Traditions Volume II charts the development of protestant Dissent between the passing of the Toleration Act 1689 and the repealing of the Test and Corporation Acts 1828 The long eighteenth century was a period in which Dissenters slowly moved from a position of being a persecuted minority to achieving a degree of acceptance and eventually full political rights The first part of the volume considers the history of various dissenting traditions inside England There are separate chapters devoted to Presbyterians Congregationalists Baptists and Quakers the denominations that traced their history before this period and also to Methodists who emerged as one of the denominations of New Dissent during the eighteenth century The second part explores that ways in which these traditions developed outside England It considers the complexities of being a

Dissenter in Wales and Ireland where the state church was Episcopalian as well as in Scotland where it was Presbyterian It also looks at the development of Dissent across the Atlantic where the relationship between church and state was rather looser Part three is devoted to revivalist movements and their impact with a particular emphasis on the importance of missionary societies for spreading protestant Christianity from the late eighteenth century onwards The fourth part looks at Dissenters relationship to the British state and their involvement in the campaigns to abolish the slave trade The final part discusses how Dissenters lived the theology they developed and their attitudes towards scripture the importance of both sermons and singing their involvement in education and print culture and the ways in which they expressed their faith materially through their buildings

The Revival of 1857-58 Kathryn Teresa Long, 1998-07-02 This book provides a fresh in depth examination of the Revival of 1857 58 a widespread religious awakening most famous for urban prayer meetings in major metropolitan centers across the United States Often mentioned in religious history texts and articles but overshadowed by scholarly attention to the first and second Great Awakenings the revival has lacked a critical book length analysis This study will help to fill this gap and to place the event within the context of Protestant revival traditions in America The Revival of 1857 58 was a multifaceted religious movement that Long suggests may have been the closest thing to a truly national revival in American history The awakening marked the coming together of formalist and populist evangelical groups particularly in urban areas and helped to create the beginnings of a transdenominational religious identity among middle class American evangelicals Long explores the revival from various angles emphasizing the importance of historiography and examining the way Calvinist clergy and the editors of the daily press canonized particular versions of the revival story most notably its role in the history of great awakenings and its character as a masculine businessmen s revival She gives attention to grassroots perspectives on the awakening and also pursues wider social and cultural questions including whether the revival actually affected evangelical involvement in social reform The book combines insights from contemporary scholarship concerning revivals women s history and nineteenth century mass print with extensive primary source research The result is a clearly written study that blends careful description with nuanced analysis

Great Awakenings David Horn, Gordon L. Isaac, 2022-05-03 This book is an engaging look at spiritual awakenings that have happened in the church throughout history It examines how these extraordinary movements of God translate into the larger cultural analysis of today Spiritual awakenings have refreshed the people of God from the very origins of the church What about these past movements can be instructive for the church today Can we expect God s awakening presence in our day These questions brought about the Surprising Work of God Conference in the fall of 2015 in which speakers traced awakening movements from the Old and New Testaments to the present day Great Awakenings represents the culmination of this conference as the collected works of notable speakers Chapters address questions about spiritual awakenings through historical theological and sociological lenses They look at the events that precipitated these awakenings evaluating whether their causes were purely religious or

otherwise and finally suggest what about the awakenings is normative for the church today The Rise of the Laity in Evangelical Protestantism Deryck Lovegrove,2003-08-29 This comprehensive investigation into the involvement of ordinary Christians in Church activities and in anti clerical dissent explores a phenomenon stretching from Britain and Germany to the Americas and beyond It considers how evangelicalism as an anti establishmentarian and profoundly individualistic movement has allowed the traditionally powerless to become enterprising vocal and influential in the religious arena and in other areas of politics and culture Protestants C. Scott Dixon,2010-07-16 Protestants A History from Wittenberg to Pennsylvania 1517 1740 presents a comprehensive thematic history of the rise and influence of the branches of Christianity that emerged out of the Protestant Reformation Represents the only English language single volume survey of the rise of early modern Protestantism from its Lutheran beginnings in Germany to its spread to America Offers a thematic approach to Protestantism by tracing its development within the social political and cultural context of early modern Europe Introduces innovative argument that the central dynamic of Protestantism was not its struggle with Catholicism but its own inner dynamic Breaks from traditional scholarship by arguing that the rise of Reformation Protestantism lasted at least two centuries Unites Old World and New World Protestant histories Protestants Alec Ryrie,2018-04-03 On the 500th anniversary of Luther s theses a landmark history of the revolutionary faith that shaped the modern world Ryrie writes that his aim is to persuade you that we cannot understand the modern age without understanding the dynamic history of Protestant Christianity To which I reply Mission accomplished Jon Meacham author of American Lion and Thomas Jefferson Five hundred years ago a stubborn German monk challenged the Pope with a radical vision of what Christianity could be The revolution he set in motion toppled governments upended social norms and transformed millions of people s understanding of their relationship with God In this dazzling history Alec Ryrie makes the case that we owe many of the rights and freedoms we have cause to take for granted from free speech to limited government to our Protestant roots Fired up by their faith Protestants have embarked on courageous journeys into the unknown like many rebels and refugees who made their way to our shores Protestants created America and defined its special brand of entrepreneurial diligence Some turned to their bibles to justify bold acts of political opposition others to spurn orthodoxies and insight on their God given rights Above all Protestants have fought for their beliefs establishing a tradition of principled opposition and civil disobedience that is as alive today as it was 500 years ago In this engrossing and magisterial work Alec Ryrie makes the case that whether or not you are yourself a Protestant you live in a world shaped by Protestants Awakening the Evangelical Mind Owen Strachan,2015-10-06 The first major study to draw upon unknown or neglected sources as well as original interviews with figures like Billy Graham Awakening the Evangelical Mind uniquely tells the engaging story of how evangelicalism developed as an intellectual movement in the middle of the 20th century Beginning with the life of Harold Ockenga Strachan shows how Ockenga brought together a small community of Christian scholars at Harvard University in the 1940s who agitated for a reloaded Christian intellect With fresh insights

based on original letters and correspondence Strachan highlights key developments in the movement by examining the early years and humble beginnings of such future evangelical luminaries as George Eldon Ladd Edward John Carnell John Gerstner Gleason Archer Carl Henry and Kenneth Kantzer **Jonathan Edwards's Philosophy of History** Avihu Zakai,2009-07-26

Avihu Zakai analyzes Jonathan Edwards's redemptive mode of historical thought in the context of the Enlightenment As theologian and philosopher Edwards has long been a towering figure in American intellectual history Nevertheless and despite Edwards's intense engagement with the nature of time and the meaning of history there has been no serious attempt to explore his philosophy of history Offering the first such exploration Zakai considers Edwards's historical thought as a reaction in part to the varieties of Enlightenment historical narratives and their growing disregard for theistic considerations Zakai analyzes the ideological origins of Edwards's insistence that the process of history depends solely on God's redemptive activity in time as manifested in a series of revivals throughout history reading this doctrine as an answer to the threat posed to the Christian theological teleology of history by the early modern emergence of a secular conception of history and the modern legitimation of historical time In response to the Enlightenment refashioning of secular historical time and its growing emphasis on human agency Edwards strove to re-establish God's preeminence within the order of time Against the de-Christianization of history and removal of divine power from the historical process he sought to re-enthrone God as the author and lord of history and thus to re-enchant the historical world Placing Edwards's historical thought in its broadest context this book will be welcomed by those who study early modern history American history or religious culture and experience in America **The Ashgate Research Companion to World Methodism** William Gibson,Peter

Forsyth,Martin Wellings,2016-03-23 As a religious and social phenomenon Methodism engages with a number of disciplines including history sociology gender studies and theology Methodist energy and vitality have intrigued and continue to fascinate scholars This Companion brings together a team of respected international scholars writing on key themes in World Methodism to produce an authoritative and state of the art review of current scholarship mapping the territory for future research Leading scholars examine a range of themes including the origins and genesis of Methodism the role and significance of John Wesley Methodism's emergence within the international and transatlantic evangelical revival of the Eighteenth Century the evolution and growth of Methodism as a separate denomination in Britain its expansion and influence in the early years of the United States of America Methodists' roles in a range of philanthropic and social movements including the abolition of slavery education and temperance the character of Methodism as both conservative and radical its growth in other cultures and societies the role of women as leaders in Methodism both acknowledged and resisted the worldwide spread of Methodism and its enculturation in America Asia and Africa the development of distinctive Methodist theologies in the last three centuries its role as a progenitor of the Holiness and Pentecostal movements and the engagement of Methodists with other denominations and faiths across the world This major companion presents an invaluable resource

for scholars worldwide particularly those in the UK North America Asia and Latin America *Ecumenical Foundations*

William R. Hogg, 2002-08-02 In *Ecumenical Foundations* Dr Hogg has given us the definitive history of the origin and the first three decades of the International Missionary Council Here is also a highly important contribution to our knowledge of missionary cooperation of significant phases of the early stages and development of the Ecumenical Movement Kenneth Scott Latourette of Yale University This book appears at an opportune one might say a providential moment It focuses attention on the history and significance of the most creative international organization of these last revolutionary decades It also provides answers to many questions and clarifies many concepts which perplex intelligent Christians in all the churches It is impossible to understand the background genius and problems of the Ecumenical Movement without recourse to this pioneer attempt to chart its course John A Mackay of Princeton Theological Seminary Dr Hogg has done a magnificent piece of work and has provided an historical record of great importance It is the indispensable volume for understanding one of the main streams of Christian unity There is no other place where one can get so good a picture of the way in which the missionary movement has led to the present stage in the ecumenical movement Samuel McCrea Cavert General Secretary National Council of the Churches of Christ **Jesus Is Female** Aaron Spencer Fogleman, 2014-10-31 In the middle of the Great Awakening a group of religious radicals called Moravians came to North America from Germany to pursue ambitious missionary goals How did the Protestant establishment react to the efforts of this group which allowed women to preach practiced alternative forms of marriage sex and family life and believed Jesus could be female Aaron Spencer Fogleman explains how these views as well as the Moravians missionary successes provoked a vigorous response by Protestant authorities on both sides of the Atlantic Based on documents in German Dutch and English from the Old World and the New *Jesus Is Female* chronicles the religious violence that erupted in many German and Swedish communities in colonial America as colonists fought over whether to accept the Moravians and suggests that gender issues were at the heart of the raging conflict Colonists fought over the feminine ecumenical religious order offered by the Moravians and the patriarchal confessional order offered by Lutheran and Reformed clergy This episode reveals both the potential and the limits of radical religion in early America Though religious nonconformity persisted despite the repression of the Moravians and though America remained a refuge for such groups those who challenged the cultural order in their religious beliefs and practices would not escape persecution *Jesus Is Female* traces the role of gender in eighteenth century religious conflict back to the European Reformation and the beginnings of Protestantism This transatlantic approach heightens our understanding of American developments and allows for a better understanding of what occurred when religious freedom in a colonial setting led to radical challenges to tradition and social order

Protestant Evangelical Awakening Introduction

In today's digital age, the availability of Protestant Evangelical Awakening books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Protestant Evangelical Awakening books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Protestant Evangelical Awakening books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Protestant Evangelical Awakening versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Protestant Evangelical Awakening books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Protestant Evangelical Awakening books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Protestant Evangelical Awakening books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Protestant Evangelical Awakening books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Protestant Evangelical Awakening books and manuals for download and embark on your journey of knowledge?

FAQs About Protestant Evangelical Awakening Books

1. Where can I buy Protestant Evangelical Awakening books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Protestant Evangelical Awakening book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Protestant Evangelical Awakening books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets:

You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Protestant Evangelical Awakening audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Protestant Evangelical Awakening books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
