Protestants American Business Methods

Alan Silverstein

Protestants American Business Methods:

Protestants and American Business Methods Ben Primer, 1978 **Protestants and American Business Methods** Ben Primer, 1979 *The Restructuring of American Religion* Robert Wuthnow, 1988 A study of developments in modern American religion examines the interaction between religion and politics that has occurred in the years since World War II the polarization of religious dogma and the rise of special interest groups *Beyond the Congregation* Christopher P. Scheitle, 2010-09-09 Beyond the Congregation utilizes data on almost 2 000 of the largest and most influential Christian nonprofits in the United States to answer some of the key questions raised by these organizations What explains the growth of Christian nonprofits What activities are they pursuing How are they funded and how do they use those funds

Alternatives to Assimilation Alan Silverstein, 1995-09 Historians have long debated whether the mid nineteenth century American synagogue was transplanted from Central Europe or represented an indigenous phenomenon Alternatives to Assimilation examines the Reform movement in American Judaism from 1840 to 1930 in an attempt to settle this issue Alan Silverstein describes the emergence of organizational innovations such as youth groups sisterhoods brotherhoods a professionalized rabbinate a rabbinical college and a national congregational body as evidence of Jews responding uniquely to American culture in a fashion parallel to innovations in American Protestant churches Silverstein places the developments he traces within the context of American religious and cultural history He notes the shifting roles of American women children and ethnic groups as well as America s changing receptivity to trans Atlantic cultural influences He also utilizes census records as well as congregational and national archives in synthesizing a view of the Reform movement from its local temples and nationwide organizations By offering a viable response to American culture s rampant secularization and to its pressure on Jews to relinquish their distinctive traditions and commitments the Reform movement also inspired emerging Conservative and Orthodox Jewish movements to offer their own constituents tangible institutional alternatives to assimilation **Technology, Management and the Evangelical Church** John Weaver, 2020-04-16 This book explores the technological innovations and management practices of evangelical Christian religions Beginning from the late 19th century the author examines the evangelical church s increasing appropriation of business practices from the secular world as solutions to organizational problems He notes especially the importance of the church growth movement and the formation of church networks Particular attention is paid to the history of evangelical uses of computer technology including connections the Christian Right has made within Silicon Valley Most significantly this book offers one of the first academic explorations of the use of cybernetics systems theory and complexity theory by evangelical leaders and management theorists *Church and State in America: A Bibliographical Guide* Bloomsbury Publishing, 1987-08-14 The second in a two volume bibliography on church state relations in U S history this book contains eleven critical essays and accompanying bibliographical listings on periods or topics from the Civil War to the present day Each essay reviews the available relevant literature and the listings

emphasize critical studies and documents published in the last quarter century This reference work will enable the reader to grasp the historiographic issues become acquainted with the resources available and move on to interpret current as well as past issues more knowledgeably and effectively

The Quiet Hand of God Robert Wuthnow, John H. Evans, 2002-10-21 For those who thought Mainline Protestantism was well on its way to extinction this collection provides interesting possibly even shocking reading It points to new life arising out of old structures and changing modes of engagement with the culture The message the reader takes away is that while the future for this religious tradition will not look like its past it has a future The best book written lately on this topic Wade Clark Roof author of *Spiritual Marketplace Baby Boomers and the Remaking of American Religion* An important contribution to our understanding of the public influence of mainline Protestantism This well written and expansive book reveals how socially civically and politically active mainline Protestantism continues to be in American society contrary to much conventional wisdom Yet it shows the mainline influence as having a particular character different from that of other religious traditions Mainline Protestantism has without justification been understudied lately This landmark book puts it back on the map and will generate discussion and inquiry for years to come Christian Smith author of *The Secular Revolution* This important book provides a balanced critical yet genuinely appreciative analysis of the role of mainline Protestantism s public role It is a stimulating and refreshing change from the mainline Protestant bashing of the past three decades In a time of increased calls for religious organizations to be involved in public life readers will be helped to understand both the possibilities and limits of such involvement as the authors examine the practices and policies of the most publicly engaged of America s religious families Jackson W Carroll coauthor of *Bridging Divided Worlds Congregations and Generational Cultures* An essential book for anyone interested in the public nature and works of the Protestant mainline The vast majority of American citizens believe that churches have a public role But they disagree about what that role should be Help has arrived Jean Bethke Elshtain author of *Jane Addams and the Dream of American Democracy* This book is a comprehensive overview of mainline Protestantism s contribution to the public role of religion during the last three decades of the 20th century It provides a firm platform from which to guide our vision in the new millennium Donald E Miller author of *Reinventing American Protestantism Christianity in the New Millennium*

Church Advertising, Public Relations and Marketing in Twentieth-Century America John C. Hardin, 2022-12-14 This book examines the complex relationship between religion and business in twentieth century America It is the story of how Christianity s most basic institution the local church wrestled with the challenges and compromises of competing in the modern marketplace through adopting the advertising public relations and marketing methods of business It follows these sacred promoters and their critics as they navigated between divinely inspired and consumer demanded Amid an animated and contentious battleground for principles practices and parishioners John C Hardin explores the landscape of selling religion in America and its evolution over the twentieth century

The Organizational Revolution John M. Mulder, Milton J. Coalter, Louis B. Weeks, 1992-01-01 This book

addresses the organizational character of American religious history and points to a tentative but significant conclusion The Presbyterian Church has been undergoing an organizational revolution and the roots of this revolution seem to have preceded the dramatic membership decline that began in the mid 1960s Through its examination of American Presbyterianism the Presbyterian Presence series illuminates patterns of change in mainstream Protestantism and American religious and cultural life in the twentieth century

Sacred Companies N. J. Demerath III, Peter Dobkin Hall, Terry Schmitt, Rhys H. Williams, 1998-02-12 Religion is intrinsically social and hence irretrievably organizational although organization is often seen as the darker side of the religious experience power routinization and bureaucracy Religion and secular organizations have long received separate scholarly scrutiny but until now their confluence has been little considered This interdisciplinary collection of mostly unpublished papers is the first volume to remedy the deficit The project grew out of a three year inquiry into religious institutions undertaken by Yale University's Program on Non Profit Organizations and sponsored by the Lilly Endowment The scholars who took part in this effort were challenged to apply new perspectives to the study of religious organizations especially that strand of contemporary secular organizational theory known as New Institutionalism The result was this groundbreaking volume which includes papers on various aspects of such topics as the historical sources and patterns of U S religious organizations contemporary patterns of denominational authority the congregation as an organization and the interface between religious and secular institutions and movements The contributors include an interdisciplinary mix of scholars from economics history law social administration and sociology

Icons of American Protestantism David Morgan, 1996-01-01 Although American Protestants often claim that they are opposed to the use of devotional images in their religious life they in fact draw on a vast body of religious icons to disseminate confessional views to teach and to celebrate birthdays baptisms confirmations and sacred holidays This fascinating book focuses on the production marketing and reception of one such set of religious illustrations the art of Warner Sallman 1892 1968 whose 1940 Head of Christ has been reproduced an estimated five hundred million times Five scholars three art historians a church historian and a historian of material culture investigate various aspects of Sallman's career and art in the process revealing much about the role of imagery in the everyday devotional life of American Protestants since the 1940s The chapters examine Sallman's work in terms of the visual sources media and forms of use that shaped its making its mass production marketing and distribution by publishers and vendors and the commercial nature of Sallman's training and his work as an illustrator Other chapters explore the reception of his religious imagery among those who admired it and saw in it a vision of the world as they would have it exist the religious and theological context of conservative American Protestantism in which the imagery flourished and its critical reception among liberal Protestant intelligentsia who despised Sallman's work and what it represented in popular Christianity By placing Sallman's art in theological ecclesiastical and aesthetic perspective the book sheds light on the evolving shape of twentieth century American

evangelicalism and its influence on modern American culture *Buying Happiness* Bettina Liverant, 2018-06-01 The idea of Canada as a consumer society was largely absent before 1890 but familiar by the mid 1960s This change required more than rising incomes and greater impulses to buy it involved the creation of new concepts *Buying Happiness* explores the ways public thinkers represented conceptualized and institutionalized new ideas about consumption and consumer behaviours Topics include the state's creation of the first cost of living index in 1914-15 the development of consumer consciousness during the Depression and the ways in which popular magazines encouraged an ethic of cautious consumerism in the postwar period Bettina Liverant's fresh approach connects changes in consumer consciousness with changes in the economy and behaviour As the figure of the consumer moved from the margins to the centre of social cultural and political analysis the values and concepts associated with consumerism were woven into the Canadian social imagination Corporate Spirit Amanda Porterfield, 2018 In this groundbreaking work Amanda Porterfield explores the long intertwining of religion and commerce in the history of incorporation in the United States Beginning with the antecedents of that history in western Europe she focuses on organizations to show how corporate strategies in religion and commerce developed symbiotically and how religion has influenced the corporate structuring and commercial orientation of American society Porterfield begins her story in ancient Rome She traces the development of corporate organization through medieval Europe and Elizabethan England and then to colonial North America where organizational practices derived from religion infiltrated commerce and commerce led to political independence Left more to their own devices than under British law religious groups in the United States experienced unprecedented autonomy that facilitated new forms of communal governance and new means of broadcasting their messages As commercial enterprise expanded religious organizations grew apace helping many Americans absorb the shocks of economic turbulence and promoting new conceptions of faith spirit and will power that contributed to business Porterfield highlights the role that American religious institutions played a society increasingly dominated by commercial incorporation and free market ideologies She also shows how charitable impulses long nurtured by religion continued to stimulate reform and demand for accountability **Reforming the World** Ian Tyrrell, 2010 *Reforming the World* offers a sophisticated account of how and why in the late nineteenth and early twentieth centuries American missionaries and moral reformers undertook work abroad at an unprecedented rate and scale Looking at various organizations such as the Young Men's Christian Association and the Student Volunteer Movement for Foreign Missions Ian Tyrrell describes the influence that the export of American values had back home and explores the methods and networks used by reformers to fashion a global and nonterritorial empire He follows the transnational American response to internal pressures the European colonies and dynamic changes in global society Examining the cultural context of American expansionism from the 1870s to the 1920s Tyrrell provides a new interpretation of Christian and evangelical missionary work and he addresses America's use of soft power He describes evangelical reform's influence on American colonial and

diplomatic policy emphasizes the limits of that impact and documents the often idiosyncratic personal histories aspirations and cultural heritage of moral reformers such as Margaret and Mary Leitch Louis Klopsch Clara Barton and Ida Wells The book illustrates that moral reform influenced the United States as much as it did the colonial and quasi colonial peoples Americans came in contact with and shaped the architecture of American dealings with the larger world of empires through to the era of Woodrow Wilson Investigating the wide reaching and diverse influence of evangelical reform movements Reforming the World establishes how transnational organizing played a vital role in America s political and economic expansion

Practicing Religion in the Age of the Media Stewart M. Hoover, Lynn Schofield Clark, 2002 Focusing on the crossover between the sacred and the secular this volume gathers the work of media experts religious historians sociologists of religion and authorities on American studies and art history

Do Real Men Pray? Charles H. Lippy, Jeffrey B. Leak, 2005 White male spirituality and the Christian man The dutiful patriarch The gentleman entrepreneur The courageous adventurer The efficient businessman The positive thinker The faithful leader Male spirituality in white Protestant America

Rediscovering the Sacred Robert Wuthnow, 1992 Claiming that the realm of the sacred in modern societies is characterized more by rediscovery than by revival Wuthnow examines the main theoretical approaches toward religion that have emerged of late in the social sciences and shows how these approaches can help explain the shifting location of the sacred

Seeker Churches Kimon Howland Sargeant, 2000 America s religious landscape is in flux New churches are springing up and many older churches are redefining themselves to survive At the forefront of this denominational free for all are evangelical seeker churches These churches target seekers individuals of any faith or denominational background who seek spiritual fulfillment but are not currently affiliated with any specific church By focusing on this largely untapped group seeker churches have become one of the fastest growing religious movements in the country In his study Kimon Sargeant provides a sociological context for the rise of these churches by exploring the rituals messages strategies and denominational functions of this emerging form of American evangelical Protestantism Featuring live bands professional lighting and sound systems and multi media presentations seeker churches are attracting many people who have dropped out of organized religion To broaden their appeal they offer attendees advice on everyday issues ranging from relationships to finance Sargeant focuses on the success of the Willow Creek Association the seeker church association started by the Willow Creek Community Church near Chicago With over 5 000 member churches the seven year old association has already outdistanced 90 percent of American denominations and is the leader of the seeker church movement Through eyewitness accounts and careful research Sargeant reveals the seeker movement to be a reformation of American Protestantism

The Presbyterian Pendulum Mark J. Englund-Krieger, 2010-02-01 The Presbyterian Pendulum is a study in mainline Protestant social ethics with a focus on the Presbyterian Church USA This book is written for the church with the hope that it will provide theological foundation and spiritual encouragement for our efforts to find unity despite the diversity of convictions and perspectives in

our midst This is a historical study of the significant social and political issues to which the church responded throughout the twentieth century With a foundation in solid historical research this book offers the compelling thesis that the Presbyterian Church is at its best when the wild diversity of worldviews theological perspectives and convictions are encouraged Even more the book offers the spiritually rich thesis that it is in this wild diversity not despite of it that the providence of God is seen and known What is unique and compelling about this study is the guiding metaphor of the pendulum swinging The vast difference of opinion in the church around social issues has historically always been true is necessary today and itself points to a deeper truth about God s sustaining providence The church must discern and hold onto that deeper truth We must let the pendulum swing It is my hope that this book will be an encouragement for the church even as we continue to be mired in deep conflict

Protestants American Business Methods Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Protestants American Business Methods free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Protestants American Business Methods free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Protestants American Business Methods free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Protestants American

Business Methods. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Protestants American Business Methods any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Protestants American Business Methods Books

1. Where can I buy Protestants American Business Methods books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
