AMERICA IN WAR AND PEACE, 1941-1960

JOHN PATRICK DIGGINS

# Proud Decades America In War And Peace 1941 196

**Lori Rotskoff**

### **Proud Decades America In War And Peace 1941 196:**

*The Proud Decades* John P. Diggins, 1988 What happens when public figures private selves are put forth for examination by public audiences How do the personal struggles of music artists specifically those with immigrant backgrounds compare to the private struggles of other individuals At a time when many countries in the European Union experience an increase in far right political party activities how do individuals from the margins negotiate new ways of thinking about identity offering hope for greater understanding of shared struggles across societies This book offers interpretations of identity and belonging by examining the work of two music artists Faudel Belloua from France and Adam Tensta from Sweden By analyzing texts produced by these individuals I argue that ongoing engagement with the materials produced by Belloua and Tensta a process which I refer to as living biography presents a unique window into the process of how Belloua and Tensta connect personal struggles to public issues providing a compelling departure point for further discussions on how interpretations of national identity are changing in France and Sweden and beyond

**Lolita in Peyton Place** Ruth Pirsig Wood, 2014-01-14 This book analyzes the differences in content reader expectation and social moral ethical functions of the three types of novels in America of the 1950s It challenges the notion that highbrow novels Lolita do important cultural work while popular novels contribute to personal and social decay and examines how time periods influence the moral content of novels The book separates popular fiction into lowbrow Peyton Place and middlebrow Man in the Grey Flannel Suit and explains that lowbrow like highbrow evolves from the folklore tradition and contains messages about how to be a good man or good woman and how to find a satisfying niche in the social order Middlebrow on the other hand evolves from myth tradition and relates lessons on what personal adjustments need to be made to succeed in the economic order Middlebrow novels most reflect the time and place of their writing because conditions for economic survival change more than conditions for social survival Arguing that what most distinguishes highbrow from lowbrow is the audience highbrow writers try to separate from the flock lowbrow writers to include This study differs from such well known studies of popular fiction as John Cawelti's and Janice Radway's in looking beyond the surface features of plot character and theme The book also challenges arguments that novels in which marriage is women's highest triumph and aggressive heroism men's reinforce limiting cultural paradigms

**Coming Home from "The Good War"** James I. Deutsch, 1991 *Monsters, Mushroom Clouds, and the Cold War* M. Keith Booker, 2001-05-30 The 1950s are widely regarded as the golden age of American science fiction This book surveys a wide range of major science fiction novels and films from the long 1950s the period from 1946 to 1964 when the tensions of the Cold War were at their peak The American science fiction novels and films of this period clearly reflect Cold War anxieties and tensions through their focus on such themes as alien invasion and nuclear holocaust In this sense they resemble the observations of social and cultural critics during the same period Meanwhile American science fiction of the long 1950s also engages its historical and political contexts through an interrogation of phenomena such as alienation and

routinization that can be seen as consequences of the development of American capitalism during this period This economic trend is part of the rise of the global phenomenon that Marxist theorists have called late capitalism Thus American science fiction during this period reflects the rise of late capitalism and participates in the beginnings of postmodernism described by Frederic Jameson as the cultural logic of late capitalism

*Love on the Rocks* Lori Rotskoff, 2003-10-15 In this fascinating history of alcohol in postwar American culture Lori Rotskoff draws on short stories advertisements medical writings and Hollywood films to investigate how gender norms and ideologies of marriage intersected with scientific and popular ideas about drinking and alcoholism After the repeal of Prohibition in 1933 recreational drinking became increasingly accepted among white suburban middle class men and women But excessive or habitual drinking plagued many families How did people view the problem drinkers in their midst How did husbands and wives learn to cope within an alcoholic marriage And how was drinking linked to broader social concerns during the Great Depression World War II and the Cold War era By the 1950s Rotskoff explains mental health experts movie producers and members of self help groups like Alcoholics Anonymous and Al Anon helped bring about a shift in the public perception of alcoholism from sin to sickness Yet alcoholism was also viewed as a family problem that expressed gender role failure for both women and men On the silver screen in movies such as *The Lost Weekend* and *The Best Years of Our Lives* and on the printed page in stories by such writers as John Cheever in hospitals and at Twelve Step meetings chronic drunkenness became one of the most pressing public health issues of the day Shedding new light on the history of gender marriage and family life from the 1920s through the 1960s this innovative book also opens new perspectives on the history of leisure and class affiliation attitudes toward consumerism and addiction and the development of a therapeutic culture

Eugene McCarthy Dominic Sandbrook, 2007-12-18 Eugene McCarthy was one of the most fascinating political figures of the postwar era a committed liberal anti Communist who broke with his party s leadership over Vietnam and ultimately helped take down the political giant Lyndon B Johnson His presidential candidacy in 1968 seized the hearts and fired the imaginations of countless young liberals it also presaged the declining fortunes of liberalism and the rise of conservatism over the past three decades Dominic Sandbrook traces Eugene McCarthy s rise to prominence and his subsequent failures and makes clear how his story embodies the larger history of American liberalism over the last half century We see McCarthy elected from Minnesota to the House and then to the Senate part of a new liberal movement that combined New Deal domestic policies and fierce Cold War hawkishness a consensus that produced huge electoral victories until it was shattered by the war in Vietnam As the situation in Vietnam escalated many liberals like McCarthy found themselves increasingly estranged from the anti Communism that they had supported for nearly two decades Sandbrook recounts McCarthy s growing opposition to President Johnson and his policies which culminated in McCarthy s stunning near victory in the New Hampshire presidential primary and Johnson s subsequent withdrawal from the race McCarthy went on to lose the nomination to Hubert Humphrey at the infamous 1968 Democratic National Convention in

Chicago which secured his downfall and led to Richard Nixon's election but he had pulled off one of the greatest electoral upsets in American history one that helped shape the political landscape for decades These were tumultuous times in American politics and Sandbrook vividly captures the drama and historical significance of the period through his intimate portrait of a singularly interesting man at the center of it all

**The proud decades** J. P. Diggins, 1993 Modern Republican David Stebenne, 2006 New biography takes a look at an Eisenhower era political innovator

**Books in Print Supplement**, 1988 **Forthcoming Books** Rose Arny, 1989-05 **The Far Country** David L. Wheeler, 1998 **The Writing on the Cloud** Alison M. Scott, Christopher D. Geist, 1997 This book is a path breaking collection of essays which explore the diverse and complex ways American culture has been shaped by the looming presence of the atomic bomb the central icon of technology diplomacy and war of the second half of the twentieth century These essays were originally presented as papers at a 1995 conference at Bowling Green State University commemorating the fiftieth anniversary of the Bomb this collection is unusual in the range of subjects addressed which range from abstract expressionism and modernist poetry to television sitcoms and advertisements for lipstick and appliances The papers fall into four general areas of investigation and interpretation the analysis of widespread cultural issues or social movements the examination of particular cultural artifacts the explorations of aspects of political diplomatic or military history and recollections or interpretations of personal experience Contents The Consequences of the Atomic Bomb The End of the Soviet Union and the Beginning of Environmental Hysteria Edward Teller Bert the Turtle Meets Doctor Spock Parenting in Atomic Age America Daniel Gomes Commercial Fallout The Image of Progress and the Feminine Consumer in the Atomic Age 1945 1962 John Gregory Stocke From the Missile Gap to the Culture Gap Modernism in the Fallout from Sputnik David Howard Detonating on Canvas The Abstract Bomb in American Art Richard Martin SANE and Beyond Sane Poets and the H Bomb 1958 1960 Daniel Belgrad From Science to Science Fiction Leo Szilard and Fictional Persuasion Michael L Lewis Sh Boom or How Early Rock Are You Ready for the Great Atomic Power Music and Protest 1945 1960 Joseph C Ruff Stories Told by Godzilla and Rodan Helen Schwartz The Berlin Crisis the Bomb Shelter Craze and Bizarre Television Expressions of an Atomic Age Counterculture in the Early 1960s Margot A Henricksen Peace on Earth Without Goodwill T

Paperbound Books in Print, 1991 **The Proud Decades** John Patrick Diggins, 1989 Whitaker's Book List, 1989 Canada et États-Unis depuis 1770 Claude Fohlen, Jean Heffer, François Weil, 1997 Depuis trente ans l'histoire des tats Unis et du Canada a connu un profond bouleversement en adoptant de nouvelles m thodes pour tudier de nouveaux objets les historiens ont fait merger des champs de recherche jusqu'alors inconnus et transform notre mani re de percevoir l'histoire des deux pays C est de cette mutation de grande ampleur que rend compte cet ouvrage qui met l'accent sur les probl matiques les approches et les acquis r cents de la recherche en histoire des tats Unis et du Canada L tat des lieux que dresse ce livre sans quivalent des deux c t s de l'Atlantique sera indispensable qui tudiant enseignant chercheur souhaitera mieux comprendre les enjeux pass s et pr sents de

l histoire des tats Unis et du Canada *American Book Publishing Record* ,1988 Books in Print ,1991 **The United States and the End of the Cold War** John Lewis Gaddis,1994-04-28 The Cold War ended with an exhilarating wave of events the toppling of the Berlin Wall the rise of the dissident poet Vaclav Havel the revolution in Romania Americans rejoiced at the dramatic conclusion of the long struggle But victories in wars hot or cold tend to unfocus the mind writes John Gaddis It can be a dangerous thing to have achieved one s objectives because one then has to decide what to do next In *The United States and the End of the Cold War* Gaddis provides a sharp focus on the long history of the Cold War shedding new light on its sudden ending as well as on what might come next In this provocative insightful book Gaddis offers a number of thoughtful essays on the history of international relations during the last half century His reassessments of important figures and themes from the Cold War are sometimes surprising For example he portrays John Foster Dulles and Ronald Reagan as far more flexible and perceptive statesmen than the missile toting caricatures depicted in editorial cartoons And he takes a second look at the importance of espionage and intelligence in Cold War history a field often left to buffs and spy novelists Most important he focuses on the central elements in superpower relations In an eloquent account of the American style of foreign policy in the twentieth century for instance he explores how Americans having learned the lesson of Adolf Hitler consistently equated the forms of foreign governments with their external behavior assuming that authoritarian states would be aggressive states He also analyzes the tectonics of Cold War history demonstrating how long term changes in international affairs and Soviet bloc countries built up pressures that led to the sudden earthquakes of 1989 And along the way Gaddis illuminates such topics as the role of morality in American foreign policy the relevance of nuclear weapons to the balance of power and the objectives of containment He even includes and criticizes an essay entitled *How the Cold War Might End* written before the dramatic events of recent years to demonstrate how quickly the tide of history can overwhelm contemporary analysis Gaddis concludes with a thoughtful consideration of the problems and forces at work in the post Cold War world Author of such works as *The Long Peace* and *Strategies of Containment* John Lewis Gaddis is one of the leading authorities on postwar American foreign policy In these perceptive highly readable essays he provides a fresh assessment of the evolution of the Cold War and insight into the shape of things to come *The American Experience in World War II: Pearl Harbor in history and memory* Walter L. Hixson,2003 World War II changed the face of the United States catapulting the country out of economic depression political isolation and social conservatism Ultimately the war was a major formative factor in the creation of modern America This unique twelve volume set provides comprehensive coverage of this transformation in its domestic policies diplomatic relations and military strategies as well as the changing cultural and social arenas The collection presents the history of the creation of a super power prior to during and after the war analyzing all major phases of the U S involvement making it a one stop resource that will be essential for all libraries supporting a history curriculum This volume is available on its own or as part of the twelve volume set *The American Experience in World War II*

For a complete list of the volume titles in this set see the listing for The American Experience in World War II ISBN 0 415 94028 1

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Proud Decades America In War And Peace 1941 196 eBooks, including some popular titles.

## **FAQs About Proud Decades America In War And Peace 1941 196 Books**

**What is a Proud Decades America In War And Peace 1941 196 PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Proud Decades America In War And Peace 1941 196 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Proud Decades America In War And Peace 1941 196 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Proud Decades America In War And Peace 1941 196 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Proud Decades America In War And Peace 1941 196 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I Love PDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools,

which may or may not be legal depending on the circumstances and local laws.
