

How Are You Feeling?

0

We have lots of different feelings every day. We feel different things at different times. Sometimes the feelings feel good and sometimes they feel bad.

When you get a feeling, it can be helpful to try to name it and then decide what you can do with that feeling.

Feeling Proud

When you are feeling proud, you are feeling good and proud about something special you have done.

We all feel proud sometimes.

When you are feeling proud, there are many ways that you might show it. It might look like you smile and feel confident that you want to be good and do more things.

I am feeling...
