Poythress,2019-03-14 No interpreter of the creation narratives can avoid interacting with this book Derek W H Thomas Christians have long discussed and debated the first three chapters of the Bible How we interpret this crucial section of Scripture has massive implications for how we understand the rest of God s Word and even history itself In this important volume biblical scholar Vern Poythress combines careful exegesis with theological acumen to illuminate the significance of Genesis 1-3 In doing so he demonstrates the sound interpretive principles that lead to true understanding of the biblical text while also exploring complex topics such as the nature of time the proper role of science interpretive literalism and more

The Bible in American Law and Politics John R. Vile,2020-09-19 While scholars increasingly recognize the importance of religion throughout American history The Bible in American Law and Politics is the first reference book to focus on the key role that the Bible has played in American public life In considering revolting from Great Britain Americans contemplated whether this was consistent with scripture Americans subsequently sought to apply Biblical passages to such issues as slavery women s rights national alcoholic prohibition issues of war and peace and the like

American presidents continue to take their oath on the Bible Some of America's greatest speeches for example Lincoln's Second Inaugural and William Jennings Bryan's Cross of Gold speech have been grounded on Biblical texts or analogies Today Americans continue to cite the Bible for positions as diverse as LGBTQ rights abortion immigration welfare health care and other contemporary issues By providing essays on key speeches books documents legal decisions and other writings throughout American history that have sought to buttress arguments through citations to Scriptures or to Biblical figures John Vile provides an indispensable guide for scholars and students in religion American history law and political science to understand how Americans throughout its history have interpreted and applied the Bible to legal and political issues The Cyclopaedia Abraham Rees,1810 *Official Gazette of the United States Patent Office* United States. The Use of the Old Testament in a Wesleyan Theology of Mission Gordon L. Snider,2015-11-10 Since the inception of Wesleyan theology thousands of men and women have engaged in domestic and international missions But why did they go Why do they continue to go today In *The Use of the Old Testament in a Wesleyan Theology of Mission* Gordon Snider examines the Wesleyan understanding of mission in light of the Old Testament What theology from God's Old Covenant gave Wesleyans their drive to impact the nations and how did it shape their missional strategies The reader will discover why Wesleyan Christians go into the world and gain a deeper understanding of missions by exploring *The Use of the Old Testament in a Wesleyan Theology of Mission* **Roman Stoicism** E. Vernon Arnold,2015-12-03 Originally published in 1911 this book takes the broad view of Stoicism as the bridge between ancient and modern philosophical thought **The Oxford Handbook of Reformed Theology** Michael Allen,Scott R. Swain,2020 A comprehensive study of Reformed theology spanning historical contexts to contemporary discussions Contributors provide a range of theological essays to assess representative texts of the Reformed tradition Explores the intricate ties between patristic medieval and modern thought in Reformed theology Accessible authoritative and clearly organized Book jacket **The World in His Hands** Christopher Lee Bolt,2019-04-17 From the moment we wake until the time we go to sleep we are bombarded by the benefits of science in the practical elements of everyday life Electricity lights hot showers breakfast cereals clothing cars cell phones roads security systems computers communications traffic lights climate control and entertainment are just a sampling of the many benefits of science In addition to technological advances medicine and agriculture progress with science as well Even educational political and marketing strategists invoke science to substantiate their claims Science dominates the collective Western mindset and we regard it with the utmost respect Yet society remains generally religious even though science and religion are frequently thought of as being at odds with one another How do we reconcile the two Christians are taught to believe that God is in control of everything including the natural elements But how does God relate to physical laws Is God in control of the world or laws of nature Could both views be correct This book examines the Christian doctrine of divine providence and its implications for the laws of nature and the problem of induction before contrasting secular and Islamic approaches to

these same topics **Ecumenical and Confessional Writings** Edmund Schlink, 2022-12-12 Although many writings of Edmund Schlink 1903-1984 have been available in English for several decades the publication of the new German edition offered a significant impetus for providing a fresh and more accurate translation of them Matthew L Becker and his co-translators have consistently translated key terms that occur in all five volumes Also they corrected infelicitous and misleading renderings of Schlink's language into English which more or less happened in all the earlier editions In this second volume Becker provides the first ever English translation of Schlink's dogmatics Representing the culmination of five decades of scholarly work by one of the most important theologians and ecumenists of the twentieth century Schlink's opus magnum sets forth the basic features of Christian doctrine that all Christian churches hold in common Schlink's Ecumenical Dogmatics thus offers a consistent witness to the living triune God who calls sinners to repentance and faith who acts mightily to save them and who sends them back into the world to share God's gospel and love in word and deed
