Provincetown and Other Poems Leo Connellan,1995-07-01 In *Provincetown and Other Poems* Leo Connellan masterfully depicts the New England landscape while capturing the afflicted spirit of those filled with wonder and fear that we are being forever left yearning malcontent In his accessible and characteristic style Connellan empathizes with the impoverished and disparaged as well as criticizes the roles big industries have in producing adverse circumstances for the region With its focus on the working class Provincetown offers a grim and unforgettable look at the place where Death sings to life where life style has no code *Provincetown Sonnets* Antoinette Quinby Scudder,1925 *Science and Other Poems* Alison Hawthorne Deming,1994-03-01 I greatly admire Alison Deming s lucid and precise language her stunning metaphors her passion her wild and generous spirit her humor her formal cunning I am taken as all readers will be by the knowledge she displays and how she puts this knowledge to a poetic use but I am equally taken I am more taken by the wisdom that lies behind the knowledge I am amazed and delighted by her authority and tenacity She is of this world she lives in it and for better or worse it is the world she settles for and she understands that even if she must rage a little and sometimes more than a little she is one of its citizens Like every original poet she appears to have sprung full blown out of Zeus head I want to say but Aphrodite is here as well as Athena the ocean as well as the mountain I congratulate her on this fine book Gerald Stern Alison Hawthorne Deming brings to her first collection of verse the kinds of scrupulous observation and clear eyed analysis that characterize scientific inquiry as well as a poet s eye for the telling moment *Science and Other Poems* establishes astonishing parallels between the mute inexorable processes of the physical universe and the dark mysteries of the human heart parallels so clearly wrought and convincing that we wonder why we had not recognized them before *Caffe Trieste* lays bare the unexamined terror and sorrow that underlie the proliferation of faux fifties kitsch then strips the veil of spacious grace from the decade and reveals it as it was for those who lived it bombs spread like bacteria on culture plates when the cost of a family staying together might be Stelanize and high voltage erasures They re just American all shine and no pain In the chilling *Alliance* Ohio a mother and daughter suddenly find themselves stranded in a world of predators a poisonous world charged with sexual threat where every smile every gesture drips with sly menace Yet moments of dislocation can also be cause for rejoicing as when a speaker after surprising a bat in the house is moved to rapture by the sight of the night sky Every page of *Science and Other Poems* is alive with startling juxtapositions eerie parallels abrupt shifts of tone and image after image of crystalline perfection as in this dazzling evocation of soft shelled crabs their finely stippled bodies that give to the touch translucent as Japanese lanterns These poems imbue everything from the microscopic to the stellar with wonder Each instant of illumination like poetry itself brings the world alive with a faithfulness deeper than seeing **First Fig and Other Poems** Edna St. Vincent Millay,2012-08-28 Vincent Millay Excellent anthology comprises Second April 1921 and A Few Figs from Thistles 1922 featuring such well known poems as First Fig Recuerdo The
