Provincial Daughter:

Provincial Daughter R. M. Dashwood, 1961 Women, Ritual, and Power Elizabeth Ursic, 2014-09-30 Many Christians do not know the Bible contains female images of God because they have never heard nor seen them in church In Women Ritual and Power Elizabeth Ursic gives the reader insight into four Christian communities that worship God with female imagery both as a worship focus and a community identity These Methodist Presbyterian Lutheran and Catholic congregations operate within their established church denominations and are led by either ordained Protestant ministers or vowed Catholic sisters Because expressing God as She can expose strident claims for maintaining God as He this book shows not only how patriarchy continues to operate in churches today but also how it is being successfully challenged through liturgy The Bridge of Dreams Haruo Shirane, 1987 The Bridge of Dreams is a brilliant reading of The Tale of Genji that succeeds both as a sophisticated work of literary criticism and as an introduction this world masterpiece Taking account of current literary theory and a long tradition of Japanese commentary the author guides both the general reader and the specialist to a new appreciation of the structure and poetics of this complex and often seemingly baffling work The Tale of Genji written in the early eleventh century by a court lady Murasaki Shikibu is Japan's most outstanding work of prose fiction Though bearing a striking resemblance to the modern psychological novel the Genji was not conceived and written as a single work and then published and distributed to a mass audience as novels are today Instead it was issued in limited installments sequence by sequence to an extremely circumscribed aristocratic audience This study discusses the growth and evolution of the Genji and the manner in which recurrent concerns political social and religious are developed subverted and otherwise transformed as the work evolves from one stage to another Throughout the author analyzes the Genji in the context of those literary works and conventions that Murasaki explicitly or implicitly presupposed her contemporary audience to know and reveals how the Genji works both within and against the larger literary and sociopolitical tradition The book contains a color frontispiece by a seventeenth century artist and eight pages of black and white illustrations from a twelfth century scroll Two appendixes present an analysis of biographical and textual problems and a detailed index of principal characters **The Accountant** , 1908 **The Strongest Secret Master** Qing Yi Dao Dou, 2020-05-28 It was too difficult to keep a low profile and it was even harder not to touch a beauty In the end it was still up to me to decide since beauties don't weigh anything life is different **Provincial Daughter B Special** R. M. Dashwood, 2002-07 *The Asiatic Journal and Monthly Register for British India and Its Dependencies* , 1825 **Asiatic Journal and Monthly Register for British and Foreign India, China and Australasia** , 1825 The Asiatic Journal and Monthly Register for British and Foreign India, China, and Australia , 1825 *The New Monthly Magazine and Literary Journal* , 1832 Chisolm Genealogy William Garnett Chisolm, 1914 *Proceedings of the Grand Lodge of Free and Accepted Masons of the State of New York* Freemasons. Grand Lodge of the State of New York, 1862 **Women, Celebrity, and Literary Culture between the Wars**

Faye Hammill, 2009-12-03 As mass media burgeoned in the years between the first and second world wars so did another phenomenon celebrity Beginning in Hollywood with the studio orchestrated transformation of uncredited actors into brand name stars celebrity also spread to writers whose personal appearances and private lives came to fascinate readers as much as their work Women Celebrity and Literary Culture between the Wars profiles seven American Canadian and British women writers Dorothy Parker Anita Loos Mae West L M Montgomery Margaret Kennedy Stella Gibbons and E M Delafield who achieved literary celebrity in the 1920s and 1930s and whose work remains popular even today Faye Hammill investigates how the fame and commercial success of these writers as well as their gender affected the literary reception of their work She explores how women writers sought to fashion their own celebrity images through various kinds of public performance and how the media appropriated these writers for particular cultural discourses She also reassesses the relationship between celebrity culture and literary culture demonstrating how the commercial success of these writers caused literary elites to denigrate their writing as middlebrow despite the fact that their work often challenged middle class ideals of marriage home and family and complicated class categories and lines of social discrimination The first comparative study of North American and British literary celebrity Women Celebrity and Literary Culture between the Wars offers a nuanced appreciation of the middlebrow in relation to modernism and popular culture The Pennsylvania Magazine of History and Biography ,1882

Pennsylvania Magazine of History and Biography ,1889 **Merion in the Welsh Tract** Thomas Allen Glenn,1896
