Van Cott, 1990 Utah toponyms or place names Where are they What is their history Their importance Over thousand toponyms are listed alphabetically marking the passages of peoples and cultures from earliest times **Utah Historical Quarterly** J. objectivity His unique access to church documents and personnel together with his understanding of the legal system and Mormon history afforded him an unparalleled view of how the case affected the church as well as the many others who were involved Victims will fascinate anyone who does archival work who cares about the historical record or who likes to read compelling mystery **Dialogue** ,1975 A journal of Mormon thought **Catalog of Copyright Entries.
