Ps Hes Mine:

The Epistolary Renaissance Maria Löschnigg, Rebekka Schuh, 2018-09-10 Since the late twentieth century letters in literature have seen a remarkable renaissance The prominence of letters in recent fiction is due in part to the rediscovery by contemporary writers of letters as an effective tool for rendering aspects of historicity liminality marginalization and the expression of subjectivity vis vis an other it is also due however to the artistically challenging inclusion of the new electronic media of communication into fiction While studies of epistolary fiction have so far concentrated on the eighteenth century and on thematic concerns this volume charts the epistolary renaissance in recent literature entering new territory by also focusing on the aesthetic implications of the epistolary mode In particular the essays in this volume illuminate the potential of the epistolary including digital forms for rendering contemporary sensitivities The volume thus offers a comprehensive assessment of letter narratives in contemporary literature Through its focus on the aesthetic and structural aspects of new epistolary fiction the inclusion of various narrative forms and the consideration of both conventional letters and their new digital kindred The Epistolary Renaissance offers novel insight into a multi faceted re new ed genre He Is - I Am Laurie Langdon, 2020-02-24 Fundamental to my life is the fact that no matter what I feel or how it appears to me I am in Christ and he is in me The conditions of life do not define who I am Christ is who I am I am in him and I will never be moved from here for it is my place and will remain so in all environments stations and conditions He is my constitution He is my station He is the place I live in Because he is I am My book is different compared to others for several reasons First it is based on a life long study and a tried and true life application of God s Word the single and most trustworthy and authoritative source of all truth Second I have had the privilege of serving God both in a full time capacity and as a typical day in and day out nitty gritty common citizen of the world and I believe this book will impact the reader spiritually intellectually and pragmatically It will help him or her encounter God in the midst of the stuff of life Third I serve a real God He is within every reality of my life He makes sense where I live Whether the season is adverse or calm God is in it to be there to influence my decisions to transform the way I view each situation and to influence each outcome He is also beyond everything His rule authority and power astound me He is the bigness in all of life He is the limitless supply when I am overwhelmed with my limitations the transformative power when I am unable to change the delivering force when I am confined by my weakness the resurrection and the life when I need to live Fourth I am a real person I am nothing apart from God s grace yet complete and free in it Holy Spirit is current and relevant to each and every situation I may encounter My life s experience and ministry have been real I have seen cancer failure joblessness poverty suicide sickness and drug addiction I have spent time with those in prison the bereaved the hospitalized and the dying I am acquainted with people from a wide variety of ethnic backgrounds and vocations and I know what it is to work hard for a living **The Comprehensive Commentary on the Holy Bible: Psalm LXIV-Malachi** William Jenks, 1849 **The Clifton Chapel Collection of "Psalms, and Hymns, and Spiritual Songs,"**
