For The Love of Oscar Sarah Roberts,2022-03-03 An open and honest account of a first time mum except things for Sarah didn't pan out the way she imagined they would When Oscar was diagnosed with Down Syndrome at birth Sarah had to come to terms with her new normal How for a while she grieved for the baby she always believed and hoped she'd have and how she suddenly found herself on a different path to the one she'd always seen herself on For the Love of Oscar will take you on a journey of the very raw and real emotions she experienced a journey both heart warming and funny in parts She talks candidly about the ups and downs of not only parenthood but also parenting a child who happens to have additional needs About people's attitudes towards her and her child and the ridiculous things some say She talks about the choices she faced when she made the decision she'd like to go on and have more children The hospital appointments the therapy sessions the mountains of paperwork the tantrums the tears and the really stinky nappies *Swallows & Amazons - Boxed Set* Arthur Ransome,2023-11-27 *Swallows Amazons Boxed Set* is a masterful curation of Arthur Ransome's quintessential adventure saga embodying the spirit of childhood exploration and camaraderie The novel introduces readers to the Walker children who alongside the spirited Amazon pirates engage in imaginative play on England's Lake District Ransome skillfully intertwines adventure with reflective prose evoking the natural beauty and simplicity of rural life that resonates deeply with the themes of freedom and innocence The literary style combines rich descriptions with a playful dialogue that captures both the complexities of youthful friendships and the tranquility of the landscape placing it firmly within the canon of British children's literature in the early 20th century Arthur Ransome was not only a talented writer but also a sailor and journalist experiences that profoundly influenced his storytelling His own childhood experiences of sailing and exploration along with his profound understanding of nature permeate his writing Ransome's upbringing during the tumultuous years of World War I inspired him to write narratives that celebrated the purity of childhood and the joys of adventure particularly as means of escape from adult concerns This boxed set is recommended for both young readers and adults alike as it offers not just an engaging story but also a nostalgic reflection on the innocence of childhood *Swallows Amazons* remains a seminal work urging readers to embrace the spirit of adventure and the beauty of imagination in a world that often seeks to constrain it
