**The Transforming Word Series, Volume 2** Mark Hamilton, 2022-10-18 The nation of Israel tells its story of the rise of kings not once but twice Joshua 2 Kings 1 2 Chronicles and during this period they wrote Psalms and gathered together their wise sayings Then plunged into the darkness of exile they had to discover again who God was and what kind of life he called them to live In the same way Christians read these texts today for what they share about a promised Messiah and how they explain what life with God looks like in all its complexity **A Year of Grace, Volume 2** Bo Giertz, Bror

Erickson, 2019-11-11 A Year of Grace Vol 2 is a collection of Bo Giertz's sermons from the second half of the liturgical calendar following the day of Pentecost He preached the earlier sermons in his ten years as a parish pastor at Torpa a small rural town in Sweden where he began his pastoral career and wrote such books as The Hammer of God and With My Own Eyes These early sermons are strongly influenced by the ordo salutis order of salvation that he took over from Henric Schartau yet always with an emphasis on salvation by grace rather than the order His later sermons were preached as the Bishop of Gothenburg throughout his diocese and as a guest preacher elsewhere These retain the influence of Henric Schartau in that they seek to directly address the three hearers unbelievers those awakened to the law and mature Christians yet his style takes on more subtlety in when where and how these hearers are addressed in the context of the sermon The result is a collection of sermons that provide both great weekly devotions as the collection was intended and a program of study for pastors and others wanting to learn how to rightly handle the word of truth 2 Tim 2 15 **Psalms, Volume 2** W.

new lectionary commentary series Westminster John Knox offers the most extensive resource for preaching on the market today. When complete, the twelve volumes of the series will cover all the Sundays in the three year lectionary cycle along with movable occasions such as Christmas Day, Epiphany, Holy Week, and All Saints Day. For each lectionary text, preachers will find four brief essays, one each on the theological, pastoral, exegetical, and homiletical challenges of the text. This gives preachers sixteen different approaches to the proclamation of the Word on any given occasion. The editors and contributors to this series are world class scholars, pastors, and writers representing a variety of denominations and traditions. And while the twelve volumes of the series will follow the pattern of the Revised Common Lectionary, each volume will contain an index of biblical passages so that nonlectionary preachers as well as teachers and students may make use of its contents.
