Psalmist With A Camera:

Psalmist with a Camera Gail Rubin, 1979 **The Hermeneutics of Christological Psalmody in Paul** Matthew Scott, 2014-05-12 By re examining the quotation of psalms in Paul this book offers a fresh interpretation of the New Testament's reception of the Old Testament Richard Hays's influential *Echoes of Scripture in the Letters of Paul* astutely identified the rhetorical device of metalepsis or echo as central to the study of Pauline hermeneutics Hays's Paul was in sympathetic dialogue with the voice of Scripture but Matthew Scott now challenges this assumption with close readings of echoed psalms voiced by David and Christ Paul's use of metalepsis in Romans and 2 Corinthians reveals him to be a provocative even polemical reader who appropriates the words of David for a Christological purpose Scott also illustrates how Christ succeeds David as the premier psalmist in Paul and considers whether in doing so Christ acts as inheritor or iconoclast

Answering the Psalmist's Perplexity James Hely Hutchinson, 2024-01-09 In this NSBT volume James Hely Hutchinson explores the perplexity of Psalm 89 tackling a range of matters that contribute to our understanding of the contours of redemptive history with the overall aim to enhance our grasp of God's breathtaking salvation plan ability to handle Scripture aright and worship of the Master

David in Distress Vivian L. Johnson, 2009-09-01 This book analyzes the thirteen historical psalms 3 7 18 34 51 52 54 56 57 59 60 63 142 in the Psalter that refer to crucial moments in King David's life as recorded in the Samuel narrative 1 Sam 16 1 Kings 2 Because most Psalms research focuses on the original setting the so called Sitz im Leben of these late additions to the book of Psalms they have received little attention Using a text based analysis Johnson has found that these historical psalms focus on episodes of King David's life in which he experienced trouble For example Psalm 3 refers to the coup started by his son Absalom Psalm 59 refers to the evening when Saul tried to kill David and Psalm 57 refers to David's

days as a fugitive fleeing from Saul By highlighting situations of David during his times of distress these historical psalms tend to recast him as a man who prayed to his God in every moment of difficulty This recasting of David adds to the various portraits representations of David found in biblical narrative The 2023 Canterbury Preacher's Companion Catherine Williams,2022-07-11 A longstanding annual favourite continues under its new editorship bringing a wide variety of preaching voices together to offer a resource for preaching at the principal and the second service every Sunday of the coming year plus on principal feast days and seasonal services Ideal for preachers in all churches that use the Revised Common Lectionary it also includes sermons for holy days major saints days and special occasions such as Mothering Sunday harvest rogation and Christmas services If preparation time is short the sermons are complete and can be used as they are but they will also act as a framework for creating your own sermon texts It also includes an introductory essay for preachers all age talks for special occasions hymn suggestions throughout the year an index of topics and names A boon for hard pressed clergy readers and local preachers everywhere *Library Journal* ,1979-07 *Good Housekeeping* ,1980 *The Preacher's Commentary, Complete 35-Volume Set: Genesis - Revelation* Leslie C.
