Commentary on the Book of Psalms, Form #17.074 Brook Stockton, 2024-05-20 Insights on walking with God

The Book of Psalms, In the Authorized Version , 1884 **The Holy Bible: Book of Job, Psalms, Proverbs, Ecclesiastes, and Song of Solomon** , 1876 **The Psalms as Christian Worship** Bruce K. Waltke, James M. Houston, 2010-11-22 This commentary uniquely combines a verse by verse exposition of the Hebrew text of selected Psalms with a history of their interpretation in the Church from the time of the apostles to the present Bruce K Waltke begins the collaboration by first skillfully establishing the meaning of the chosen psalms through careful exegesis in which each text is interpreted in light of its historical backgrounds its literary form and the poet's rhetoric James M Houston then expounds each text's relevance in conjunction with the Church's interpretation of it throughout her history To further the accuracy of this interpretation he commissioned fresh translations of numerous Latin and Middle English texts The authors purpose in creating this volume was not merely to produce a masterful commentary Rather they wished to aid in enriching the daily life of the contemporary Christian and to deepen the church's community Waltke and Houston here bring together the two voices of the Holy Spirit heard infallibly in Scripture and edifyingly in the Church's response in a rare and illuminating combination **The Psalms** Carl Moll, 2023-03-13 Reprint of the original first published in 1872 The publishing house Anapipos publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost *The Psalms and their Readers* Donald K. Berry, 1993-01-01

A reader oriented approach provides a substantially new angle of vision on Psalm 18 and Psalms study in general Reader based interpretation is compared to conventional methodologies by means of four separate analyses of Psalm 18 a textual study a form critical explication a rhetorical study and an experimental reader oriented study involving the following strategies Initially the components of the text are considered as networks of signals for the reader Secondly the text s speech acts are isolated and typified Thirdly the ancient and contemporary contexts for the reading of the psalm are examined The reader oriented study culminates in two perspectives upon Psalm 18 The psalm may be read as a ritual speech act performed by the community of ancient worshippers or as a lyric poem that each contemporary reader experiences by identification with the speaker The concluding chapter reviews each of the methodologies evaluating strengths and weaknesses as well as interrelationships among methods
