Psalms 60 150 A Continental Commentary:

Continental Commentary: Psalms 60-150 Hans-Joachim Kraus, 1989 *Psalms 1 - 59* Hans-Joachim Kraus, 1993 V 1
Psalms 1 59 v 2 Psalms 60 150 **Psalms 60-150** Hans-Joachim Kraus, 1993 Professor Kraus takes each Psalm in turn offers a fresh translation a bibliography linguistic notes discussion of the form and origin of the passage a verse by verse commentary and a summary of the particular Psalm s main theological points In addition Professor Kraus discusses the poetic form and titles of the Psalms the relation of the Psalms to the history of Israel and the Masoretic Text and the ancient translations from publisher description Psalms Hans-Joachim Kraus, 1988 **The Moody Handbook of Messianic Prophecy** Michael Rydelnik, Edwin Blum, 2019-10-10 What does the Old Testament say about Jesus Most of us hear an occasional messianic prophecy during advent we see Old Testament verses cited by New Testament authors and applied to Jesus but we don t really know what passages in the Old Testament can be considered messianic much less how to interpret some of the confusing ones The Moody Handbook of Messianic Prophecy is an authoritative and reliable guide to the Old Testament passages pointing us to Jesus A collection of essays from Old Testament scholars this work enables believers to understand the messianic nature of the Hebrew Bible like never before You ll learn about messianic prophecy and its interpretation and make new discoveries about the context and application of both familiar and strange passages Enjoy the delight of discovery as you look at familiar passages in a new light Dig into the messianic prophecy today *For Us, but Not to Us* Adam E. Miglio, Caryn A. Reeder, Joshua T. Walton, Kenneth C. Way, 2020-10-02 John H Walton is a significant voice in Old Testament studies who has influenced many scholars in this field as well as others This volume is an acknowledgment from his students of Walton s role as a teacher scholar and mentor Each essay is offered by scholars and former students working in a range of fields from Old and New Testament studies to archaeology and theology They are offered as a testimony and tribute to Walton s prolific career **The Design of the Psalter** Peter C. W. Ho, 2019-10-04 Good poetry is like a good painting the more you linger over it the more it reveals It is a deep well that never runs dry And that is why the Psalter like a good painting keeps giving In the last four decades Psalms scholarship has found remarkable fruitfulness in reading the Psalter as a book that is in reading the Psalms as a unified composition with a metanarrative across its 150 poems Pivotal questions associated with this approach really boil down to two questions how and why How are individual psalms sequenced if at all and what is the design logic behind that macrostructure This volume seeks to answer those questions In essence the Psalter unfurls the story of the Davidic covenant While interest in the editing of the Psalter remains high in recent Psalms scholarship this interest has not led to clear consensus The specific and timely contribution of this volume is twofold First it consolidates the results of studies on groups of psalms Second it integrates poetic and thematic approaches that are typically separated in Psalms scholarship Readers will find results of this study surprising and their implications sobering **Reading Psalm 145 with the Sages** A. K. Lama, 2013-10-14 Traditionally the Psalms have been

read in reference to their historical context This publication suggests to read a psalm in its literary context and with reference to the editorial intent of its placement in the Psalter The author proposes that such reading brings holistic richness in our understanding of the thematic patterns underscored in individual psalms The study analyzes Psalm 145 a unique Davidic psalm providing the reader with an in depth understanding to the purpose of its placement *In Defense of the New Perspective on Paul* Don Garlington, 2005-01-25 The following book is comprised of a series of essays and reviews that have been produced over the past several years all related in one way or the other to the New Perspective on Paul NPP This defense of the NPP takes the form of a combination of exegesis and extended book reviews In endeavoring to defend the NPP the eight chapters of this book contain a common thread namely that the movement generically bearing this moniker is not inimical to most historical traditional systems of soteriology Yet because of the rather volatile reaction of many the volume seeks to redress the balance in favor of a more tempered approach to a highly controversial topic **Memories of Asaph** Karl N. Jacobson, 2017-06-15 Although the Psalms of Asaph Pss 50 73 83 contain a concentration of historical referents unparalleled in the Psalter they have rarely attracted sustained historical interest Karl N Jacobson identifies these psalms as containing cultic historiography historical narratives written for recitation in worship and explores them through mnemohistory attending to how the past is remembered and to the rhetorical function of recitation in the cultic setting Jacobson describes mnemohistory at the intersection of memory and history explores the singularity of the rhetorical and formal aspects of remembrance in the Asaph material and discusses residual mnemohistory material that is not intentionally called to remembrance Jacobson shows that Asaph remembers the past as a movement from henotheism to a more orthodox form of Yahwism as the core memory that informs a new historical situation for worship participants By describing the way Asaph remembers Jacobson highlights symbolic and individualized elements of the psalms mnemohistorical work that earlier form critical approaches failed to recognize *Themelios, Volume 40, Issue 2* D. and to establish maintain or restore world social order founded on his rule of justice and righteousness This accounts for the view that all creation and order originate from YHWH and are maintained by YHWH s innate rules of ethical governance This fresh insight into the sights and sounds of YHWH asserting his rule in the dramaturgical wind s not only renders new meaning to biblical texts within their contexts but also offers a persuasive message and alluring theological reflections that can shape new discourses to engage and address contemporary theological and social issues of equity justice and harmony within YHWH s intended design of world and social order

Greatly to be Praised Michael E. W. Thompson, 2016-06-22 Worship is a dominant theme in the Old Testament It is spoken about not only to provide words for worship guidance about its leadership or to express censure for its inadequacies but also to depict places for worship and their significance and to speak of the high calling of those who had particular roles and responsibilities in worship Worship for the Old Testament authors has a vital place in the covenantal relationship between the Lord and his people Michael Thompson considers Israel s worship under a series of themes and aspects the place of worship holy places temples and homes the various people at worship the people priests and Levites and kings the liturgy of worship prayers psalms sacrifices feasts festivals and calendars and visions of worship in the proclamations of prophets wisdom writers theologians and Israelite priests These and many other matters relating to worship in the Hebrew Bible are presented in this fresh and wide ranging study

The Book of Esther between Judaism and Christianity Isaac Kalimi, 2023-07-06 Explores different traditions and

usage of Esther in Judaism and Christianity without neglecting the fundamental questions in scholarship A Biblical Approach to Mission in Context Michael Ufok Udoekpo, 2022-12-19 A Biblical Approach to Mission in Context is an erudite collection of twenty essays with forewords and epilogue produced to honor Professor Teresa Okure's contribution to the study of biblical theology in context. It also stands in its own right as a vade mecum of current trends in biblical scholarship, gender and contextual hermeneutics. Written by an international array of respected scholars, Okure's colleagues, former students, siblings, and fellow commentators, this volume includes detailed exegetical studies, discussion on theological methods and contextual approaches from a variety of standpoints, and an effort to relate biblical exegesis, theology, and inculturation, faith hermeneutics to the current interest in social contextual interpretation that reflects values beyond the African context. In sum, the breadth of interests and enthusiasm found in this volume is a testimony to the intellectual and pastoral vitalities and passion that Teresa Okure herself brought to the discipline of biblical studies. The brief narrative of personal encounter written by Bernadette Okure SHCJ, forewords by John Cardinal Onaiyekan and Bishop Camillus Raymond Umoh, as well as an insightful epilogue by Fr. Aniedi Okure OP, provide additional insight into the historical and socio-cultural contexts within which Okure's formation and contributions unfolded.
