Cole, 2022-08-02 Moms know all too well that God doesn't promise an easy road for us or our kids. As much as we'd love to protect them from heartaches, it just isn't possible. This is especially true during the school year when they are introduced to new teachers, new classmates, new concepts, and maybe even a new school that seems big and frightening. Jesus tells us, "In the world you will have tribulation. But take heart; I have overcome the world." John 16:33. With this reassurance, we try to reassure our children that no matter what, God is there and He's on their side. And we pray. In *Everyday Prayers for the School Year*, author Tara L. Cole offers devotional readings and opportunities for mothers to pray for many issues concerning their children, such as: Are they making godly friends? Are their teachers kind and caring? Can they make wise choices in bad situations? Will they commit to studying? Are they being targeted by bullies? If they are unprepared for a test, will they trust God or cheat? No matter what our kids are facing during the school year, we can't go wrong when we pray and teach them to pray too. Our prayer is that they ultimately trust Him for their salvation, but even after they become Christians, they have the daily choice to trust God when they feel like they are standing alone and the circumstances look impossible. Tara says, "My hope for this journal is that it will help moms turn their worry about their children's school year into hope that they take their concerns to God and walk away confident that He loves our kids more than we do. And He is in control." **Music as**

**Propaganda in the German Reformation** Rebecca Wagner Oettinger, 2017-03-02 Over the first four decades of the Reformation, hundreds of songs written in popular styles and set to well-known tunes appeared across the German territories. These polemical songs included satires on the pope or on Martin Luther, ballads retelling historical events, translations of psalms, and musical sermons. They ranged from ditties of one strophe to didactic Lieder of fifty or more. Luther wrote many such songs, and this book contends that these songs and the propagandist ballads they inspired had a greater effect on the German people than Luther's writings or his sermons. Music was a major force of propaganda in the German Reformation. Rebecca Wagner Oettinger examines a wide selection of songs and the role they played in disseminating Luther's teachings to a largely non-literate population while simultaneously spreading subversive criticism of Catholicism. These songs formed an intersection for several forces: the comfortable familiarity of popular music, historical theories on the power of music, the educational beliefs of sixteenth-century theologians, and the need for a sense of community and identity during troubled times. As Oettinger demonstrates, this music, while in itself simple, provides us with a new understanding of what most people in sixteenth-century Germany knew of the Reformation, how they acquired their knowledge, and the ways in which they expressed their views about it. With full details of nearly 200 Lieder from this period provided in the second half of the book, *Music as Propaganda in the German Reformation* is both a valuable investigation of music as a political and religious agent and a useful resource for future research. **High School Talksheets Psalms and Proverbs-Updated!** Rick
