Houston, 2010-11-22 This commentary uniquely combines a verse by verse exposition of the Hebrew text of selected Psalms with a history of their interpretation in the Church from the time of the apostles to the present Bruce K Waltke begins the collaboration by first skillfully establishing the meaning of the chosen psalms through careful exegesis in which each text is interpreted in light of its historical backgrounds its literary form and the poet s rhetoric James M Houston then exposit each text s relevance in conjunction with the Church s interpretation of it throughout her history To further the accuracy of this interpretation he commissioned fresh translations

God's Word in Our Hands James B. Williams, 2016-11-14 In this follow up book to the landmark *From the Mind of God to the Mind of Man*, the Text and Translation Committee discusses the historical preservation of the Word of God. The solid facts of the process by which the Bible has come to its present form are explained in detail. The book includes textual criticism of the existing manuscripts and autographs, including the Textus Receptus, the Majority Eclectic, and Minority texts, and the Masoretic Text. It also provides needed answers to the arguments of those who adhere to extreme or exclusive positions. This book is excellent for pastors, teachers, and laypersons alike. It will prove that all conservative versions are without a doubt translations of the plenary verbally inspired Word of God.

A Bend in the Road Dr. David Jeremiah, 2002-02-06 Drawing on his insightful sermon series, renowned pastor teacher David Jeremiah shares the comfort and hope of the Psalms and how these truths can guide believers through life's greatest challenges. He includes inspiring real life stories of people who have struggled with terminal illness, the loss of a child, or the imprisonment of a spouse. Jeremiah interweaves his own journal entries revealing his battle with cancer and how the Psalms helped to sustain him during the fight of his life. **A Bend in the Road** is an invaluable source of help and encouragement for people facing major obstacles in life.

The Pastor's Library Robert A. Yost, 2017-09-21 In the spirit of Cyril Barber's classic work from the 1970s, *The Minister's Library*, Robert Yost provides students and pastors with expert guidance on building a working ministerial library. From Old and New Testament languages, lexical aids, and grammatical tools to commentaries and theologies, as well as pastoral resources, Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses. Far more than just a guide to commentaries, as are so many works today, this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies.
