The Sanctuary in the Psalms Steven Dunn, 2016-05-26 This book is an exploration and interpretation of the diverse symbols and images that represent the sacred presence of God in the Book of Psalms. These images of sacred spaces and objects represent diverse conceptions of the sanctuary or sacred spaces, objects and texts that mediate God's presence and bridge the gap between the ineffable nature of God as transcendent and beyond human comprehension and as immanently and intimately present in human experience. I explore the multivalent ways in which images of sacred spaces and objects facilitate prayer and contemplation. This book represents a valuable contribution to the study of Psalms and biblical theology, spirituality and prayer.

Wellum, 2018-09-20 Kingdom through Covenant is a careful exposition of how the biblical covenants unfold and relate to one another, a widely debated topic critical for understanding the narrative plot structure of the whole Bible.
