Vos,2005-10-10 In *Theopoetry of the Psalms* Cas J A Vos explores the beauty of the Psalms and examines their meaning within the context of exegesis homiletics and poetry By investigating the structure literary genre history and theology of the Psalms he traces the ways in which they continue to be relevant to contemporary readers and to modern worship Vos scrutinizes the Psalms as a volume of poetry and a work of art considers hermeneutical approaches and difficulties providing not only a verse by verse analysis but also a contextual history outlines a comprehensive homiletic theory for preaching the Psalms and concludes with a study of the Psalms in liturgy *Theopoetry of the Psalms* is valuable to those Biblical scholars who wish to explore the theological and exegetical interpretation of the Psalms as well as to those readers who are interested in liturgics and practical theology for preaching and worship The Psalms in Israel's Worship Sigmund Mowinckel,2004 One of the most important contributions to our understanding of the psalms *The Psalms in Israel s Worship* by Sigmund Mowinckel has largely provided the framework and suppositions of modern Psalms study Fully revised from the original Norwegian edition and now featuring a substantial new foreword by James Crenshaw this classic work two volumes in one argues that the psalms originated in actual temple worship and were used regularly to add drama to Israel's adoration of Yahweh Throughout this fascinating work Mowinckel carefully explores the relationship of the various psalm types to the congregation's devotional life including hymns of praise from Israel's national festivals psalms of lamentation and penitence and personal or private psalms of thanksgiving Other topics include the psalms relationship to prophecy and wisdom their composition and collection their style and performance and the technical terminology involved in Psalms study Praise for *The Psalms in Israel s Worship* bWe must be very grateful to Mowinckel and all who have helped him to make available this standard work in psalms research to a larger audience b *Journal of Biblical Literature* bA mere review must fail to do justice to this book's awesome learning and insight b *Catholic Biblical Quarterly* bBeyond any doubt whatever this book represents thorough scholarship and has to be taken into consideration by any teacher of the Old Testament b *Princeton Seminary Bulletin* Psalms 1-50, Volume 19 Peter C. A Life of Psalms in Jewish Late Antiquity A. J. Berkovitz, 2023-06-20 The Bible shaped nearly every aspect of Jewish life in the ancient world from activities as obvious as attending synagogue to those which have lost their scriptural resonance in modernity such as drinking water and uttering one's last words And within a scriptural universe no work exerted more force than the Psalter the most cherished text among all the books of the Hebrew Bible A Life of Psalms in Jewish Late Antiquity clarifies the world of late ancient Judaism through the versatile and powerful lens of the Psalter It asks a simple set of questions Where did late ancient Jews encounter the Psalms How did they engage with the work And what meanings did they

produce A J Berkovitz answers these queries by reconstructing and contextualizing a diverse set of religious practices performed with and on the Psalter such as handling a physical copy reading from it interpreting it exegetically singing it as liturgy invoking it as magic and reciting it as an act of piety His book draws from and contributes to the fields of ancient Judaism biblical reception book history and the history of reading **Dictionary of the Old Testament: Wisdom, Poetry & Writings** Tremper Longman III, Peter Enns, 2010-05-11 Tremper Longman III and Peter E Enns edit this collection of 148 articles by over 90 contributors on Job Psalms Proverbs Ecclesiastes Song of Songs Lamentations Ruth and Esther
