**The Johns Hopkins Guide to Digital Media** Marie-Laure Ryan, Lori Emerson, Benjamin J. Robertson, 2014-04-15 The first systematic comprehensive reference covering the ideas, genres, and concepts behind digital media. The study of what is collectively labeled New Media, the cultural and artistic practices made possible by digital technology, has become one of the most vibrant areas of scholarly activity and is rapidly turning into an established academic field with many universities now offering it as a major. The Johns Hopkins Guide to Digital Media is the first comprehensive reference work to which teachers, students, and the curious can quickly turn for reliable information on the key terms and concepts of the field. The contributors present entries on nearly 150 ideas, genres, and theoretical concepts that have allowed digital media to produce some of the most innovative intellectual, artistic, and social practices of our time. The result is an easy-to-consult reference for digital media scholars or anyone wishing to become familiar with this fast-developing field.

VGC: The 2025 Guide to Video Games 1981 Media Ltd, 2025-05-30 Relive 2024's gaming highs, lows, and industry upheavals with this expertly curated year-in-review. There's no such thing as a quiet year in video games, and 2024 has been no different. For players, a steady stream of high-profile game releases has meant there's always been something new to play, regardless of what console, handheld, PC, or mobile device they were using. Meanwhile, behind the scenes, 2024 has been one of the most turbulent years in the history of the games industry, with widespread job losses, studio cuts, acquisitions, and other controversies. Video Games Chronicle, the expert source for video game news, has covered 2024's goings-on every step of the way, and this book summarises the entire year in one handy volume. Designed like an old-school games magazine, this book presents the VGC website's best coverage of 2024 in a more traditional format. Our News section takes you through all the major stories that took place throughout the year, allowing you to relive every moment for better or worse. Our Reviews section contains every notable VGC game review from 2024, remastered and presented to you in physical form. We're big on preservation, you see. Our Features section offers some of our best long-form articles from the past year. Finally, our Previews section takes a look at some of the games coming in 2025. The world of online games media is a fast-moving one, and news and reviews usually arrive at breakneck speed, then disappear from our consciousness to be replaced with the latest stories. With this book, we hope to provide a more permanent summary of the year while also harking back to the days of the games magazines we loved so much.

A Guide to Movie-Based Video Games, 2001 Onwards Christopher Carton, 2024-08-30 Play Along with the Film. When gaming moved from the 16-bit era and into the exciting realm of 3D gameplay, Hollywood properties continued their journey into the interactive medium. Popular home and handheld consoles played host to ambitious titles that sought to bridge the gap between movies and video games, providing fans with scenarios that both replicated and went beyond their favorite stories. Gathered in this book are some of the biggest video games that originated from movies, some being direct adaptations and others that expanded existing universes. With 20 chapters covering over 450 games, including every Lego movie video game and franchises such as Star Wars, Aliens, Disney
