Psionic Medicine The Study Treatment:

Psionic Medicine J H Reyner, 2011-12-31 Psionic Medicine heralds the dawn of a new era in medical practice with health maintaining and curative potentials that are a significant addition to the repertory of treatment developed in biochemical medicine In Psionic Medicine the critical factor is not chemistry and surgical intervention though such methods remain indicated in some cases but subtle informational inputs that affect the patient's biofield The book in the hands of the reader provides a remarkably clear and concise overview of what psionic medicine is how it works and why it deserves the kind of attention that presently only molecular and genetics based breakthroughs are accorded It merits serious and urgent attention by the general lay public and the medical professionals alike *Psionic Medicine* JH. Reyner, 1974 *Foundations of Complementary Therapies and Alternative Medicine* Robert Adams, 2009-12-04 Looking for a comprehensive introduction to the field of complementary therapies and alternative medicine This authoritative textbook will meet all your needs Featuring perceptive case studies study support material and resources for further reference *Foundations of Complementary Therapies and Alternative Medicine* provides fascinating information about a broad range of approaches Core content includes Introductions written by practising experts in the field Basics of anatomy and physiology Practical advice on working with clients and patients Information on setting up your own practice Discussion of ethics and codes of conduct Study skill aids and professional development advice With coverage of theory matched by a firm grounding in practice issues *Foundations of Complementary Therapies and Alternative Medicine* is a complete learning resource It is a must have book for all undergraduate and foundation degree students taking courses on complementary therapies alternative medicine holistic therapies nursing health and related subjects *Radiant Healing* Isabel Bellamy, Donald MacLean, 2005 A compendium of information covering various aspects of the subtle energies of Man With illustrations and diagrams this work presents an account of how our bodies and our world work and how our etheric astral and mental bodies channel cosmic and earth energies through our meridians and chakras **Psionic Medicine** John Hereward Reyner, George Laurence, Carl Upton, 1982 [Remote Healing](#) Maria Sagi, 2020-07-07 A practical guide to the Sagi method of healing across space and time Shows that we can interact with the Akashic information field to diagnose and treat illnesses nonlocally and that the effects are controllable and verifiable Details techniques for diagnosing and transferring healing information at a distance using geometric symbols to treat acute infections and reduce pain and integrating information medicine with homeopathy and chakra therapy Shares the author's development of her method including stories of successful remote healings and her interactions with pioneers such as Erich K rbler Remote healing is healing over space and time Often called nonlocal healing it is no longer a magical occurrence or a mysterious technique reserved for powerful shamans Remote healing has moved from magic to science and it can be learned In this practical guide to the Sagi method of information medicine Maria Sagi Ph D reveals that nonlocal healing is a quantum science that works through the transmission of information and that its effects

can be controlled and verified Drawing on the Akashic information field of Ervin Laszlo she explains that the universe is not a mechanical system composed of matter it operates like an overarching network that runs on and is connected by information Cosmic information in forms and underlies the whole physical world including the human body Sharing stories of successful remote healings she facilitated and her interactions with pioneers Erich K rbler Gordon Flint and Franz Stern Sagi shows that we can access the Akashic information field to diagnose illnesses treat symptoms and heal the causes of disease whether we are in the same room as our patient or on the other side of the earth Moving beyond the theoretical to the practical Sagi explains how to diagnose and treat someone with information and how to attune to the information emanating from the patient She shares techniques for transferring healing information across space and time by using geometric symbols to treat acute illnesses and infections and reduce pain The author also explores how to integrate information medicine with homeopathy and how to diagnose through photographs through the chakras and through morphic patterns in the Akashic information field Opening up a new dimension in the art and science of healing Maria Sagi demonstrates that by working with the Akashic information field we can trigger the body s self healing mechanisms and restore order to a person s energy and information systems
