**The Psychic Structures at the Goligher Circle** William Jackson Crawford, 1921      **Evidence of Being** Darius Bost, 2018-12-21 Evidence of Being opens on a grim scene Washington DC s gay black community in the 1980s ravaged by

AIDS the crack epidemic and a series of unsolved murders seemingly abandoned by the government and mainstream culture Yet in this darkest of moments a new vision of community and hope managed to emerge Darius Bost's account of the media poetry and performance of this time and place reveals a stunning confluence of activism and the arts In Washington and New York during the 1980s and 90s gay black men banded together using creative expression as a tool to challenge the widespread views that marked them as unworthy of grief They created art that enriched and reimaged their lives in the face of pain and neglect while at the same time forging a path toward bold new modes of existence At once a corrective to the predominantly white male accounts of the AIDS crisis and an openhearted depiction of the possibilities of black gay life Evidence of Being above all insists on the primacy of community over loneliness and hope over despair *Beyond Esoteric* Brad Olsen, 2024-11-14 The word occult means nothing more than to study the realm of the hidden So much of real knowledge and wisdom is disguised because the people who run the planet feel that true information as to how the world works is something the sheeple should not be informed about But truth always resonates Beyond Esoteric takes off the kid gloves and exposes the nefarious control grid extending its tentacles across the planet *Beyond the Cosmos, the Science of Man into the Path of the Cosmoian Tradition* Rev.
