## **Psychic Hinge:**

**Psychic Hinge** Ethel Gray Seese, 1989      *The Macabresque* Edward Weisband, 2018 Studies of genocide and mass atrocity most often focus on their causes and consequences their aims and effects and the number of people killed But if the main goal is death why is torture necessary By understanding how and why mass violence occurs and the reasons for its variations *The Macabresque* aims to explain why so many seemingly normal or ordinary people participate in mass atrocity across cultures and why such egregious violence occurs repeatedly through history      **Merleau-Ponty, Interiority and Exteriority, Psychic Life and the World** Dorothea Olkowski, James Morley, 1999-09-09 Explores Merleau Ponty's approach of taking the phenomenon of the body out of the dualistic constraints of interior and exterior and the consequences thereof

**PSYCHIC CRIMINOLOGY** Whitney S. Hibbard, Raymond W. Worrington, Richard Brennan, 2002-01-01 Practical and authoritative this book is a comprehensive manual of operations for using psychics in criminal investigations The authors base the material on several decades of personal experience and on other first person accounts from law enforcement personnel After establishing the need for such an operations manual the text presents a short history of psychic criminology outlines the different types of psychic ability pertinent to the investigator then reviews the evidence and theories for paranormal phenomena It then details the identification recruitment testing and use of psychics with close coverage afforded methods and procedures for efficient and successful investigative work with psychics The important role of extrasensory perception in the everyday life of the investigator also is examined Throughout the book the authors intersperse summaries of actual cases involving psychics to illustrate and support the topics under discussion Following the text is a sample Intuitive Investigation Report Form useful in psychic criminology a glossary of parapsychological terms and a bibliography of pertinent readings This second edition has been edited and rewritten extensively with much new and significant material added including a section on remote viewing a new chapter of documented case histories and a cogent critique of the critics of paranormal functioning The primary purpose of this second edition is the same as the first to promote the professional use of psychics as investigative aides in criminal investigations      **After Whiteness** Mike Hill, 2004-01-01 View the Table of Contents Read the Introduction Beautifully written and rigorously argued *After Whiteness* is the most important theoretical statement on white racial formation since whiteness studies began its current academic sojourn By reading debates about multiculturalism ethnicity and the desire for difference as part of the material practices of the U S university system it engages questions of race humanistic inquiry intellectual labor and the democratic function of critical thought The result is a critically nuanced analysis that promises to solidify Mike Hill's reputation as one of the finest thinkers of his generation Robyn Wiegman Duke University Mike Hill's *After Whiteness* is an important provocative and timely book Against the Current A lucid fiercely argued brilliantly conceived richly provocative work in an emergent and growing area of cultural studies *After Whiteness* sets new directions in American literary and cultural studies and will become a landmark in the field

Sacvan Bercovitch Harvard University Americanists across the disciplines will find Hill's analysis insightful and brilliant. A must for any scholar who wishes to in Ralph Ellison's words go to the territory. Sharon Holland University of Illinois at Chicago. As each new census bears out the rise of multiracialism in the United States will inevitably result in a white minority. In spite of the recent proliferation of academic studies and popular discourse on whiteness however there has been little discussion of the future what comes after whiteness. On the brink of what many are now imagining as a post white American future it remains a matter of both popular and academic uncertainty as to what will emerge in its place. After Whiteness aims to address just that exploring the remnants of white identity to ask how an emergent post white national imaginary figure into public policy issues into the habits of sexual intimacy and into changes within public higher education. Through discussions of the 2000 census and debates over multiracial identity the volatile psychic investments that white heterosexual men have in men of color as illustrated by the Christian men's group the Promise Keepers and the neo fascist organization the National Alliance and the rise of identity studies and diversity within the contemporary public research university Mike Hill surveys race among the ruins of white America. At this crucial moment when white racial change has made its ambivalent cultural debut Hill demonstrates that the prospect of an end to whiteness haunts progressive scholarship on race as much as it haunts the paranoid visions of racists. **Catalog of Copyright Entries.
