

# 5 TYPES OF PSYCHIC POWERS

For centuries, psychic advisors have been guiding others using their gifts. There are many types of psychic abilities and understanding each type can help you decide what kind of reading you're looking for. Here are 5 types of psychic abilities:

## CLAIRVOYANT

Clairvoyance means "clear seeing." Clairvoyants have the ability to use their mind's eye to see what isn't physically present. Their psychic vision can see people, places, objects, and even scenarios which help provide us new information.

## CLAIRAUDIENT

Clairaudient translates to "clear hearing," where the psychic advisor can hear thoughts or voices that the rest of us can't. The voices can come from spirits trying to contact us or can be thoughts in the heads of those around us.

## MEDIUM

A medium has the ability to channel a spirit and allow the spirit to communicate through them. They act as the bridge between our world and the beyond, helping us connect with lost loved ones, spirit guides, and archangels.

## EMPATH

An empath has the ability to tap into the emotions of others. They can connect to someone's feelings and understand why they are feeling that way. An empathic advisor can get in touch with your emotions or help you understand how others are thinking.

## DIVINATION

Those who are gifted with divination can use their intuition to see and interpret signs from the universe. Some use tarot cards, runes or crystals as tools for divination. These can help them reveal the signs and discover insights.
