Comfort a humanitarian mission to save the lives of thousands of Kurds who fled into the mountains to escape from Saddam Hussein. In the evenings Colonel Morris wore civilian clothes and drove an old moped across the border to the Kadooglu Hotel Bar and Coffee Shop in Cizre, Turkey, a distance of 30 miles. The hotel was a meeting place for smugglers, thieves, murderers, Kurdish militants, and Turkish police. It was also a haven for spies where information was sold or traded to the highest bidder. It was a very dangerous place to be. One night Colonel Morris never returned to Zakho. This story is about the men and women involved in the search and recovery mission for Colonel Morris in Kurdistan.

Illustrated Guide to Jewelry Appraising Anna M. Miller, 2012-12-06

There is more to appraising jewelry than just being parable sales and a value determination. Then all this able to put a dollar value on an item. The title of an information with clear jewelry descriptions must be praiser distinguishes the individual who is able to identify succinctly put together with photographs and deliver witness estimate status excellence or potential offered to the client. It is to determine the authenticity of an article. Today's jewelry appraiser should also be cognizant. Many factors impact on a thorough appraisal despite of the vicissitudes of fashion how changes impact the jewelry market in a substantial and vital manner in both design and style. A careful look must be given to. Developing all this expertise is a lot to ask of practitioners who only a decade ago were barely making a study of color psychology with an awareness of why specific gemstones and their colors and enamels offer distinction between a well written sales receipt and a professional appraisal report. Tain colors were used in different periods. Industrial In the past few years bold changes have taken place developments from machine stamped jewelry the use in this field. It is now understood that standard use of aniline dyes in clothing and development of the appraisal concepts and principles can be applied to the electric light have influenced design and use of gem stones.
