Ruby Of Cochin:

Ruby of Cochin Ruby Daniel, Barbara C. Johnson, 1995 Ruby of Cochin is the first book written by a Jewish woman from Cochin. It is a rich description of Jewish life on the Southwest Coast of India spanning many centuries. It is the story of one woman yet it is also the story of all the Jews of Cochin from the earliest settlements when the Maharajah granted the Jews their land and privileged status until today when a transplanted Cochin community is finding new life in Israel. The book is written with a distinctive storyteller's voice and contains historical legends, ghost tales, colorful renditions of Jewish celebrations in Cochin and translations of Jewish women's songs from Malayalam, the language of the Cochin Jews. **The**

Jews of India Orpa Slapak, 1995 Jews of India, one of the lesser known and perhaps most interesting of the Diaspora, comprise the three geographically and ethnographically distinct communities examined in The Israel Museum's unique and authoritative volume *The Jews of India: The Bene Israel*, the largest group at approximately 24,000 members inhabited the Maharashtra State on India's western coast; its ties with mainstream Judaism were reestablished in the nineteenth century. The smallest and oldest of the Indian Jewish communities, the Jews of Cochin, have been a presence on the Malabar Coast of southwestern India for at least a thousand years. They numbered about 2,500 in the mid 1950s just prior to their immigration to Israel. The Baghdadi Jews migrated from Iraq and Syria to large commercial cities in western and eastern India in the late eighteenth century. Numbering about 5,000 at the population's peak, Baghdadi Jews were largely assimilated into British colonial society; did not develop a distinct material culture in India and so are a relatively minor presence in this book. Esteemed editor Orpa Slapak spearheaded studies of all three Indian Jewish communities in Israel and in India and has assembled a vivid and powerful portrait of these peoples. The text is profusely illustrated with striking color and black and white photographs of Indian Jews at home, work, prayer, and leisure, as well as a multitude of remarkable Indian Jewish artifacts including illuminated manuscripts, lamps, clothing, jewelry, and household implements. Several maps, useful glossaries, and a selected bibliography complete the volume. Four Centuries of Jewish Women's Spirituality Ellen M.

Umansky, Dianne Ashton, 2009 The only comprehensive volume of Jewish women's spiritual writing from the sixteenth century to the present. Jewish Communities of India Joan G. Roland, 2018-01-16 Although the Bene Israel community of western India, the Baghdadi Jews of Bombay and Calcutta, and the Cochin Jews of the Malabar Coast form a tiny segment of the Indian population, their long-term residence within a vastly different culture has always made them the subject of much curiosity. India is perhaps the one country in the world where Jews have never been exposed to anti-Semitism, but in the last century they have had to struggle to maintain their identity as they encountered two competing nationalisms: Indian nationalism and Zionism. Focusing primarily on the Bene Israel and Baghdadis in the late nineteenth and twentieth centuries, Joan Roland describes how identities begun under the Indian caste system changed with British colonial rule and then how the struggle for Indian independence and the establishment of a Jewish homeland raised even further questions. She also discusses the

experiences of European Jewish refugees who arrived in India after 1933 and remained there until after World War II To describe what it meant to be a Jew in India Roland draws on a wealth of materials such as Indian Jewish periodicals official and private archives and extensive interviews Historians Judaic studies specialist India area scholars postcolonialist and sociologists will all find this book to be an engaging study A new final chapter discusses the position of the remaining Jews in India as well as the status of Indian Jews in Israel at the end of the twentieth century Eating With History Tanya Abraham,2020 Eating With History Ancient Trade Influenced Cuisines of Kerala is an invaluable compendium of a culinary tradition and variety of food recipes that evolved out of Kerala s kitchens The food trail is extensive and as varied as it can get The proximity to the sea and the natural beauty and resources of the state especially the fragrant spices which grew in abundance attracted inhabitants of foreign soils and inspired them to initiate overseas trade along what was later known as the Spice Route In a state with fish other sea food and vegetables dominating people s food habits the various kinds of meats foreign cooking techniques and exotic flavours were curried to life from foreign trade influences and became significant foods There are numerous recipes in each foreign influenced community in Kerala well represented in this book in meticulous detail These recipes were cherished by the families and handed down generations via cross cultural interactions within Jews of the Paradesi and Malabari sects Syrian Christians Muslims Anglo Indians Latin Catholics and others who mingled with and evolved from the local populace The book provides a well researched and rich cultural history of foreign food culture tracing how the new elements adapted to local food traditions and evolved as a parallel line of foods creating new textures flavours and tastes The Jewish Cultural Tapestry : International Jewish Folk Traditions Steven M. Lowenstein Isadore Levine Professor of Jewish History University of Judaism,2001-05-17 Here in one compact volume is an illuminating survey of Jewish folkways on five continents Filled with fascinating facts and keen insights The Jewish Cultural Tapestry is a richly woven fabric that vividly captures the diversity of Jewish life All Jews are bound together by the common thread of the Torah and the Talmud notes author Steven Lowenstein but this thread takes on a different coloration in different parts of the world as Jewish tradition and local non Jewish customs intertwine Lowenstein describes these widely varying regional Jewish cultures with needlepoint accuracy highlighting the often surprising similarities between Jewish and non Jewish local traditions and revealing why Jewish customs vary as much as they do from region to region We visit the great Ashkenazic and Sephardic cultures of Europe and the Mediterranean the unique Jewish cultures of Iraq Persia Ethiopia and Yemen the little known cultures of the Bukharian Jews of Central Asia the Cochin Jews of India and the Kaifeng Jews of China We read about regional religious practices wedding ceremonies and marriage customs different traditions of Jewish music and Jewish dress and the origins of Jewish names Lowenstein also surveys Jewish cuisine around the world offering easy to prepare traditional recipes ranging from kugel and blintzes to Malawach from Yemen T beet from Iraq Mina de Cordero from Turkey and Passover Soup from Uzbekistan From Europe to India Israel to America The Jewish Cultural Tapestry offers an engaging overview of the

customs and folkways of a people united by tradition yet scattered to the far corners of the earth Packaged in an attractive large format this beautifully illustrated volume would be a meaningful gift for the holidays

Schwartz, 2015-02-24 This interdisciplinary study examines patterns of migration acculturation assimilation and economic activity of successive waves of Jewish arrivals in China from approximately AD 1100 to 1949

A Hindu-Jewish Conversation Rachel Fell McDermott, Daniel F. Polish, 2024-02-15 A Hindu Jewish Conversation Root Traditions in Dialogue is a historical theological and phenomenological engagement of the Hindu and Jewish traditions two root traditions that give rise to other in some ways very different types of religious traditions Rachel Fell McDermott and Daniel F Polish explore conceptions of the divine which are frequently cited as the most serious obstacle to a serious theological engagement between the two traditions differences in attitude towards heroes saints and holy people the religious resources and challenges experienced by Hindu and Jewish women what can be learned about Hindu and Jewish spiritual outpouring by comparing Hindu devotional poetry and the Book of Psalms the ways in which the two traditions address the fraught question of theodicy or why bad things happen to good people the status of the land and nationalist claims on it and the uncomfortable question of caste and its possible social parallels in the Jewish tradition The authors weave considerations of these topics into an ongoing conversation that offers students of both traditions new ways of thinking both about their intersections and about the history of religion in general A coda explores these same issues by recounting an actual series of discussions convened between Hindu and Jewish practitioners

Writing Indians and Jews A. Guttman, 2013-06-12 Writing Indians and Jews examines discursive practices surrounding the representation of Jews and Jewishness in Indian literature in English These investigations make an important contribution to the study of contemporary South Asian and diasporic literature and understandings of anti-Semitism religious fundamentalism and globalization

Who Are the Jews of India? Nathan Katz, 2000-11-18 Of all the Diaspora communities the Jews of India are among the least known and most interesting This readable study full of vivid details of everyday life looks in depth at the religious life of the Jewish community in Cochin the Bene Israel from the remote Konkan coast near Bombay and the Baghdadi Jews who migrated to Indian port cities and flourished under the British Raj Who Are the Jews of India is the first integrated comprehensive work available on all three of India's Jewish communities Using an interdisciplinary approach Nathan Katz brings together methods and insights from religious studies ritual studies anthropology history linguistics and folklore as he discusses the strategies each community developed to maintain its Jewish identity Based on extensive fieldwork throughout India as well as close reading of historical documents this study provides a striking new understanding of the Jewish Diaspora and of Hindu civilization as a whole

From India to Israel Joseph Hodes, 2014-04-01 Between May 1948 and December 1951 Israel received approximately 684 000 immigrants from across the globe The arrival of so many ethnic linguistic and cultural groups to such a small place in such a short time was

unprecedented and the new country was ill prepared to absorb its new citizens The first years of the state were marked by war agricultural failure a housing crisis health epidemics a terrible culture clash and a struggle between the religious authorities and the secular government over who was going to control the state In *From India to Israel* Joseph Hodes examines Israel's first decades through the perspective of an Indian Jewish community the Bene Israel who would go on to play an important role in the creation of the state He describes how a community of relatively high status and free from persecution under the British Raj left the recently independent India for fear of losing status only to encounter bias and prejudice in their new country In 1960 a decision made by the religious authorities to ban the Bene Israel from marrying other Jews on the grounds that they were not pure Jews set in motion a civil rights struggle between the Indian community and the religious authority with far reaching implications After a drawn out struggle and under pressure from both the government and the people the Bene Israel were declared acceptable for marriage A detailed look at how one immigrant community fought to maintain their place within a religion and a society *From India to Israel* raises important questions about the state of Israel and its earliest struggles to absorb the diversity in its midst

Dharma and Halacha Ithamar Theodor, Yudit Kornberg Greenberg, 2018-08-15 In recent decades there has been a rising interest among scholars of Hinduism and Judaism in engaging in the comparative studies of these ancient traditions Academic interests have also been inspired by the rise of interreligious dialogue by the respective religious leaders *Dharma and Halacha* Comparative Studies in Hindu Jewish Philosophy and Religion represents a significant contribution to this emerging field offering an examination of a wide range of topics and a rich diversity of perspectives and methodologies within each tradition and underscoring significant affinities in textual practices ritual purity sacrifice ethics and theology Dharma refers to a Hindu term indicating law duty religion morality justice and order and the collective body of Dharma is called Dharma shastra Halacha is the Hebrew term designating the Jewish spiritual path comprising the collective body of Jewish religious laws ethics and rituals Although there are strong parallels between Hinduism and Judaism in topics such as textual practices and mystical experience the link between these two religious systems i.e. Dharma and Halacha is especially compelling and provides a framework for the comparative study of these two traditions The book begins with an introduction to Hindu Jewish comparative studies and recent interreligious encounters Part I of the book titled Ritual and Sacrifice encompasses the themes of sacrifice holiness and worship Part II titled Ethics is devoted to comparing ethical systems in both traditions highlighting the manifold ways in which the sacred is embodied in the mundane Part III of the book titled Theology addresses common themes and phenomena in spiritual leadership as well as textual metaphors for mystical and visionary experiences in Hinduism and Judaism The epilogue offers a retrospective on Hindu Jewish encounters mapping historic as well as contemporary academic initiatives and collaborations

The Jews of China Jonathan Goldstein, 1998-12-04 An impressive interdisciplinary effort by Chinese Japanese Middle Eastern and Western Sinologists and Judaic Studies specialists these

books scrutinize patterns of migration acculturation assimilation and economic activity of successive waves of Jewish arrivals in China from approximately A D 1100 to 1949 While Jewish individuals and communities in China have been described in microhistorical antiquarian or nostalgic fashion they have never been contrasted as a whole and in a scholarly way with other Jewish Diaspora communities
