**Life's Handicap** Rudyard Kipling, 2017-08-03. How is this book unique? Font adjustments: the paths were brick-paved and the naked feet of thousands had worn them into gutters. Clumps of mangoes sprouted from between the bricks; great pipal trees overhung the well; windlass that whined all day and hosts of parrots tore through the trees. Crows and squirrels were tame in that place for they knew that never a priest would touch them. The wandering mendicants, charm-sellers and holy vagabonds for a hundred miles round used to make the Chubara their place of call and rest. Mahomedan, Sikh and Hindu mixed equally under the trees. They were old men and when man has come to the turnstiles of Night, all the creeds in the world seem to him wonderfully alike and colourless.

**Rudyard Kipling - Life's Handicap** Rudyard Kipling, 2018-07-30. Rudyard Kipling: A great Victorian, a great writer of *Empire*, a great man. Rudyard Kipling was one of the most popular writers of prose and poetry in the late 19th and 20th Century and awarded the Nobel Prize for Literature in 1907. Born in Bombay on 30th December 1865, as was the custom in those days, he and his sister were sent back to England when he was 5. The ill treatment and cruelty by the couple who they boarded with in Portsmouth. Kipling himself suggested contributed to the onset of his literary life. This was further enhanced by his return to India at age 16 to work on a local paper, as not only did this result in him writing constantly but also made him explore issues of identity and national allegiance which pervade much of his work. Whilst he is best remembered for his classic children's stories and his popular poem *If*, he is also regarded as a major innovator in the art of the short story and, of course, the novels and other works that have seen him acknowledged as a writer of the first rank.
