Henty, 2015-07-01 Ralph Bathurst overcomes his fears and with the help of Rujub rescues the girl with whom he has fallen in love from a wicked Rajah The setting is an English community struggling to escape death during the Indian Mutiny Rujub, the Juggler George Alfred Henty, 1915 **Rujub, the Juggler** G. desperate fight and engages in scout work which means almost certain death In the end he masters his fear and gives a practical lesson of what stern and unbending will power can accomplish In many respects *Rujub the Juggler* will be found one of the strongest of Ur Henty's works and this is saying much when one considers all of the many stories this well known author has already penned for the entertainment of young and old As a picture of life in the English Army in India it is unexcelled About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Rujub, The Juggler George Henty, 2020-03-21 It would be difficult to find a fairer scene Throughout the gardens lanterns of many shapes and devices threw their light down upon the paths which were marked out by lines of little lamps suspended on wires a foot above the ground In a treble row they encircled a large tank or pond and studded a little island in its center Along the terraces were festoons and arches of innumerable lamps while behind was the Palace or Castle for it was called either the Oriental doors and windows and the tracery of its walls lit up below by the soft light while the outline of the upper part could scarce be made out Eastern as the scene was the actors were for the most part English Although the crowd that promenaded the terrace was composed principally of men of whom the majority were in uniform of one sort or another the rest in evening dress there were many ladies among them At the end of one of the terraces a band of the 103d Bengal Infantry was playing and when they ceased a band of native musicians at the opposite end of the terrace took up the strains Within the palace was brilliantly lighted and at the tables in one of the large apartments a few couples were still seated at supper Among his guests moved the Rajah chatting in fluent English laughing with the men paying compliments to the ladies a thoroughly good fellow all round as his guests agreed The affair had been a great success There had first been a banquet to the officers and civilians at the neighboring station When this was over the ladies began to arrive and for their amusement there had been a native nautch upon a grand scale followed by a fine display of fireworks and then by supper at which the Rajah had made a speech expressive of his deep admiration and affection for the British This he had followed up by proposing the health of the ladies in flowery terms
