

Rule of law

The **rule of law** is a political [ideal](#) that all people and institutions within a country, state, or community are accountable to the same [laws](#), including lawmakers and leaders. [\[2\]\[3\]](#) It is sometimes stated simply as "no one is above the law". [\[4\]](#) The term **rule of law** is closely related to [constitutionalism](#) as well as [Rechtsstaat](#). It refers to a political situation, not to any specific legal rule. [\[5\]\[6\]\[7\]](#) The rule of law is defined in the [Encyclopædia Britannica](#) as "the mechanism, process, institution, practice, or norm that supports the equality of all citizens before the law, secures a nonarbitrary form of government, and more generally prevents the arbitrary use of power".[\[8\]](#)

A mosaic representing both the judicial and legislative aspects of law. The woman on the throne holds a sword to chastise the guilty and a [palm branch](#) to reward the meritorious. [Glory](#) surrounds her head and the [aegis](#) of [Minerva](#) signifies the armor of righteousness and wisdom. [\[1\]](#)

Use of the phrase can be traced to 16th-century Britain. In the following century, Scottish theologian [Samuel Rutherford](#) employed it in arguing against the [divine right of kings](#).[\[9\]](#) [John Locke](#) wrote that freedom in society means being subject only to laws written by a legislature that apply to everyone, with a person being otherwise free from both governmental and private restrictions on his liberty. "The rule of law" was further popularized in the 19th century by British jurist [A. V. Dicey](#). However, the principle, if not the phrase itself, was recognized by ancient thinkers. [Aristotle](#) wrote: "It is more proper that law should govern than any one of the citizens: upon the same principle, if it is

Rule Of Law Ideal Or Ideology

John Tasioulas

Rule Of Law Ideal Or Ideology:

The Rule of Law Allan C. Hutchinson, Patrick Monahan, 1987-01-01 essays from a conference held at Osgoode Hall Law School York University Toronto in April 1984 Pref

On the Rule of Law Brian Z. Tamanaha, 2004-11-18 The rule of law is the most important political ideal today yet there is much confusion about what it means and how it works This 2004 book explores the history politics and theory surrounding the rule of law ideal beginning with classical Greek and Roman ideas elaborating on medieval contributions to the rule of law and articulating the role played by the rule of law in liberal theory and liberal political systems The author outlines the concerns of Western conservatives about the decline of the rule of law and suggests reasons why the radical Left have promoted this decline Two basic theoretical streams of the rule of law are then presented with an examination of the strengths and weaknesses of each The book examines the rule of law on a global level and concludes by answering the question of whether the rule of law is a universal human good

Law's Rule Gerald J. Postema, 2022 The rule of law once widely embraced and emulated now faces serious threats to its viability To answer these fundamental threats we first must return to its foundational principles This book articulates a coherent framework and foundation for thinking about the rule of law and planning strategies for building and defending it against serious challenges to its intelligibility relevance and normative force

Judging in Good Faith Steven J. Burton, 1994-11-25 This book offers an original theory of adjudication focused on the ethics of judging in courts of law It offers two main theses The good faith thesis defends the possibility of lawful judicial decisions even when judges have discretion The permissible discretion thesis defends the compatibility of judicial discretion and legal indeterminacy with the legitimacy of adjudication in a constitutional democracy Together these two theses oppose both conservative theories that would restrict the scope of adjudication unduly and leftist critical theories that would liberate judges from the rule of law

Investment Protection Standards and the Rule of Law August Reinisch, Stephan W. Schill, 2023 This edited volume explores the connection between the rule of law and substantive standards of treatment in international investment agreements It also analyses to what extent these standards of treatment can be understood as positive expressions of the rule of law

The Cambridge Companion to the Philosophy of Law John Tasioulas, 2020-07-02 What is the nature of law as a form of social order What bearing do values like justice human rights and the rule of law have on law Which values should law serve and what limits must it respect in serving them Are we always morally bound to obey the law What are the philosophical problems that arise in specific areas of law from criminal and tort law to contract law and public international law The book provides an accessible comprehensive and high quality introduction to the major themes of legal philosophy written by a stellar international cast of contributors including John Finnis Martha Nussbaum Fred Schauer Onora O'Neill and Antony Duff The volume is an exceptional teaching tool that provides a critical introduction to cutting edge work in the philosophy of law

The Rule of Law Under Fire? Raymond Wacks, 2021-10-21 Does the rise of populism authoritarianism and nationalism threaten the welfare of the rule of

law Is this fundamental democratic ideal under siege In this timely and important book Raymond Wacks examines the philosophical roots of the rule of law and its modern often contentious interpretation He then investigates 16 potential ideological economic legal and institutional dangers to the rule of law They range from the exercise of judicial and administrative discretion and parliamentary sovereignty to the growth of globalisation the war on terror and the disquieting power of Big Tech He also considers the enactment and enforcement in several countries of Draconian measures to curtail the spread of COVID 19 which has generated fears that these emergency powers may outlive the pandemic and become a permanent feature of the legal landscape thereby impairing the rule of law Wacks identifies which issues among this extensive array pose genuine risks to the rule of law and suggests how they might be confronted to ensure its defence and preservation

Recrafting the Rule of Law David Dyzenhaus, 1999-07-01 This collection of essays on the rule of law focuses on the traditional question whether the rule of law is necessarily the rule of moral principles the question of the legitimacy of law Essays by lawyers philosophers and political theorists illuminate and take forward both that question and debate about issues to do with the reach of the rule of law which complicate its answer The essays are divided into sections which deal first with legal orders where the rule of law is under severe stress second with the question of the value of the rule of law as a conceptual problem and third with the question of the limits of legal order Contributors Richard Abel Jody Freeman Robert Alexy Neil MacCormick Kenneth Winston Andras Sajó Alon Harel Anton Fagan Anthony Sebok Christine Sypnowich Allan Hutchinson Bill Scheuerman John MacCormick Julian Rivers Henry Richardson David Dyzenhaus

Routledge Handbook of the Rule of Law Michael Sevel, 2024-10-24 This Handbook provides a state of the art survey of the study of the rule of law across law the humanities and social sciences as well as insights into the practice of building the rule of law within and among states Its 28 chapters are by many of the world's leading scholars of the rule of law as well as distinguished junior scholars from a dozen countries and representing a number of academic disciplines The chapters are ordered to progress first from theory to the practice of the rule of law and second from the rule of law within to beyond the state They divide into three parts The first part examines the concept history and value of the rule of law This section considers the importance of political and intellectual history in shaping the concept over the centuries and takes novel philosophical approaches to the connection between the rule of law and other important ideals such as justice equality and civil disobedience The second part transitions from theoretical studies to accounts of practical exercises in building the rule of law The chapters consider the challenges of rule of law reform including the use of local intermediaries facilitating interactions between international legal aid organizations and state governments the challenges of legal translation across vastly different societies the pathways of knowledge among the powerless about the protective potential of the rule of law as well as the possible future for artificial intelligence systems in helping to reinforce rule of law principles The third part examines the rule of law from a number of perspectives within particular supranational and national states such as the European Union China Singapore and South

Africa among others and concludes by considering the prospects of the rule of law beyond the state both within and among international institutions such as the United Nations as well as non territorial spaces like the world's oceans This Handbook is aimed at rule of law scholars across law the humanities and the social sciences law and development practitioners policymakers and advanced students and researchers who seek a state of the art overview of the history theory and practice of the rule of law

Rights, Emergencies, and Judicial Review Imtiaz Omar, 1996-04-24 This book makes a significant contribution to the understanding of issues of comparative constitutionalism in emergent politics Recurrent states of emergency in Malaysia Sri Lanka and Bangladesh provide the background for a comparative examination of constitutional emergency powers individual rights and judicial review This work examines the extent to which the Court in these countries has performed its expected role identifies problems in approaches to interpretation which have been adopted and suggests alternatives to constitutional interpretation and judicial review The alternatives explored are drawn from contemporary western jurisprudence including those of Ronald Dworkin and writers of the Critical Legal Studies tradition The juxtaposition of western jurisprudential development to issues of constitutionalism in the countries under survey is a bold attempt to seek some common ground in conceptualizing rights and techniques of juristic interpretation in western and eastern legal cultures The theoretical framework of the study is well perceived the arguments convincing This carefully researched work makes a valuable and scholarly contribution to the study of comparative constitutional law and jurisprudence

The Arc of Due Process in American Constitutional Law E. Thomas Sullivan, Toni M. Massaro, 2013-07-04 In *The Arc of Due Process in American Constitutional Law* Sullivan and Massaro identify the historical underpinnings of due process while describing the evolution of the American due process doctrine

The West Versus the Rest and The Myth of Western Exceptionalism Imad A. Moosa, 2023-02-28 In this book the author attempts to debunk some myths about Western exceptionalism and to evaluate critically the characteristics that make the West superior to the Rest The author suggests that the West does not represent a homogenous group of countries and that the most common characteristic of the core Western countries is imperialism The author goes on to provide a detailed critique of the proclaimed characteristics of Western countries including democracy human rights judicial independence transparency the rule of law and exclusive contribution to science and technology A critique is presented of the views expressed by Samuel Huntington Francis Fukuyama and Niall Ferguson arguing that they do not recognize the historical fact that civilizations rise and fall It is argued that the Western economic system which is based on neoliberalism has adverse consequences for democracy morality and peace as well as inequality poverty and homelessness Written in a simple but powerful language this book is a must read for those interested in international relations and anyone interested in current affairs

Law after Modernity Sionaidh Douglas-Scott, 2013-04-30 How can we characterise law and legal theory in the twenty first century *Law After Modernity* argues that we live in an age after Modernity and that legal theory must take account of this fact The book presents a dynamic analysis of law which focusses on

the richness and pluralism of law on its historical embeddedness its cultural contingencies as well as acknowledging contemporary law's global and transnational dimensions However Law After Modernity also warns that the complexity fragmentation pluralism and globalisation of contemporary law may all too easily perpetuate injustice In this respect the book departs from many postmodern and pluralist accounts of law Indeed it asserts that the quest for justice becomes a crucial issue for law in the era of legal pluralism and it investigates how it may be achieved The approach is fresh contextual and interdisciplinary and unusually for a legal theory work is illustrated throughout with works of art and visual representations which serve to re enforce the messages of the book Unpacking Normativity Kenneth Einar

Himma, Miodrag Jovanovic, Bojan Spaic, 2018-11-01 This book provides a new and wide ranging study of law's normativity examining conceptual descriptive and empirical dimensions of this perennial philosophical issue It also contains essays concerned with among other issues the relationship between semantic and legal normativity methodological concerns pertaining to understanding normativity normativity and legal interpretation and normativity as it pertains to transnational law The contributors come not only from the usual Anglo American and Western European community of legal theorists but also from Latin American and Eastern European communities representing a diversity of perspectives and points of view including essays from both analytic and continental methodologies With this range of topics the book will appeal to scholars in transnational law legal sociology normative legal philosophy concerned with problems of state legitimacy and practical rationality as well as those working in general jurisprudence It comprises a highly important contribution to the study of law's normativity **Complicity and the Law of State Responsibility** Helmut Philipp Aust, 2011-09-01 This systematic

analysis of State complicity in international law focuses on the rules of State responsibility Combining a theoretical perspective on complicity based on the concept of the international rule of law with a thorough analysis of international practice Helmut Philipp Aust establishes what forms of support for wrongful conduct entail responsibility of complicit States and sheds light on the consequences of complicity in terms of reparation and implementation Furthermore he highlights how international law provides for varying degrees of responsibility in cases of complicity depending on whether peremptory norms have been violated or special subject areas such as the law of collective security are involved The book shows that the concept of State complicity is firmly grounded in international law and that the international rule of law may serve as a conceptual paradigm for today's international legal order **The Cambridge Companion to Comparative**

Constitutional Law Roger Masterman, Robert Schütze, 2019-10-03 Comparing constitutions allows us to consider the similarities and differences in forms of government as well as the normative philosophies behind constitutional choices The objective behind this Companion is to present the reader with a succinct yet wide ranging companion to a modern comparative constitutional law course **Proportionality in EU Digital Law** Jan Czarnocki, Przemyslaw Palka, 2024-10-03

This book addresses the interplay between the proportionality principle and EU digital law Does EU digital law provide a fair

balance of rights and interests How does proportionality limit legislation in the digital economy How can it be used to balance competing rights and interests Diving into the dialectics of law and technology the book analyses the relevance of the proportionality principle in regulating the digital world and as a vital tool for balancing competing rights and interests The chapters analyse how conflicting rights and interests are resolved in EU digital law through the proportionality principle and critically reflect on its application They scrutinise recent EU regulatory initiatives such as the GDPR AI Act Copyright Directive DSA and more They reflect on the unique context of AI systems regulation digital marketing and data protection illuminating the application and impact of proportionality in these arenas Providing an in depth examination of legal actors and real life conflicts resolved by applying EU digital law the book explains the pivotal role of the principle of proportionality in achieving an optimal balance of rights in our digital era

The Remaking of the Courts Dr Sarah Murray, 2014-03-21 The Remaking of the Courts Less Adversarial Practice and the Constitutional Role of the Judiciary in Australia centres on the changing nature of courts within the Australian constitutional context In essence the monograph explores the degree to which less adversarial innovations and the remodelling of the judicial role can be accommodated within Australia's constitutional framework The work draws upon comparative principles separation of powers jurisprudence and the theoretical perspectives of constitutionalism and neo institutionalism By examining Chapter III of the Commonwealth Constitution and applying Chapter III approaches to less adversarial case studies traversing state and federal fields the book argues that less adversarial judicial practices can be broadly accommodated by the Australian constitutional framework However the book asserts that the clarity and suitability of the Chapter III constitutional approaches employed would be significantly improved by the adoption of a contextual incompatibility methodology which would protect the constitutional role of the courts while not forestalling constitutionally compatible reform

Questioning the Assumptions of Political Discourse John Hasnas, 2025-06-30 Much of our contemporary political discourse rests on unquestioned assumptions This book questions these underlying assumptions and then offers new unconventional answers Disputes over how to use government power assume that the use of government power is morally justified Arguments over voting and the scope of democratic government assume that democracy is coherent form of government Disputes over whether certain actions violate the rule of law assume that the rule of law is a genuine political value Arguments over the scope of discrimination and affirmative action assume that there is an anti discrimination principle that applies to all parties And arguments over how to punish corporations assume that corporations can and should be punished Each chapter of the book addresses one of these assumptions and each is designed to serve both an educational and an argumentative purpose Each begins with the educational aspect by providing the reader with necessary background information and a description of the current state of intellectual debate on the relevant subject The chapter then proceeds to the argumentative stage by identifying the assumption upon which this debate rests presenting reasons to believe that it is false and presenting an alternative resolution

to the debate Judicial Review and the Constitution Christopher Forsyth, C. F. Forsyth, 2000-08-04 Contains papers and comments from the conference on the Foundations of Judicial Review held in Cambridge England May 22 1999 and some previously published papers

Fuel your quest for knowledge with is thought-provoking masterpiece, Dive into the World of **Rule Of Law Ideal Or Ideology** . Rule Of Law Ideal Or Idealogy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rule Of Law Ideal Or Idealogy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rule Of Law Ideal Or Idealogy has opened up a world of possibilities. Downloading Rule Of Law Ideal Or Idealogy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rule Of Law Ideal Or Idealogy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rule Of Law Ideal Or Idealogy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rule Of Law Ideal Or Idealogy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rule Of Law Ideal Or Idealogy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rule Of Law Ideal Or Idealogy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rule Of Law Ideal Or Idealogy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rule Of Law Ideal Or Idealogy is one of the best book in our library for free trial. We provide copy of Rule Of Law Ideal Or Idealogy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rule Of Law Ideal Or Idealogy. Where to download Rule Of Law Ideal Or Idealogy online for free? Are you looking for Rule Of Law Ideal Or Idealogy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Rule Of Law Ideal Or Idealogy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Rule Of Law Ideal Or Idealogy are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Rule Of Law Ideal Or Idealogy. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you

have convenient answers with Rule Of Law Ideal Or Idealogy To get started finding Rule Of Law Ideal Or Idealogy, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Rule Of Law Ideal Or Idealogy So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Rule Of Law Ideal Or Idealogy. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Rule Of Law Ideal Or Idealogy, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Rule Of Law Ideal Or Idealogy is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Rule Of Law Ideal Or Idealogy is universally compatible with any devices to read.
