Don Nardo

Rulers Of Ancient Rome:

Rulers of Ancient Rome Don Nardo, 1999 Discusses the contributions of various rulers of ancient Rome including Fabius Marius Caesar Cicero Augustus Nero Constantine and Justinian **Dark History of the Roman Emperors** Michael Kerrigan, 2012-10-31 Illustrated with striking images of the protagonists and their deeds from ancient statues to medieval engravings and renaissance paintings *Dark History of the Roman Emperors* is an entertaining and visually spectacular account of the skulduggery of the greatest empire the world has ever known and the hubris that came with it *Chronicle Of The Roman Republic* Philip Matyszak, 2008-10-14 A commendable addition to a series intended to make history accessible to general readers Choice The Roman Republic was one of the most civilized societies in the ancient world ruled by elected officials whose power was checked by a constitution so well crafted that it inspired the founding fathers of the United States of America Here Philip Matyszak describes fifty seven of the foremost Romans of the Republic spanning the centuries from its birth to its bloody death and including the best and the worst of the Roman elite Licinius Crassus a kind father and loving husband who crucified slaves by the thousands or Cato the Censor upright and incorruptible xenophobic and misogynistic Supported by a wealth of pictorial and archaeological detail these personal histories provide an overview of the development and expansion of Rome encompassing foreign and civil wars as well as social strife and key legislation The biographies are supplemented by time lines data files and special features that highlight different aspects of Roman culture and society

Emperors of Rome David Potter, 2014-04-24 The Emperors of Rome charts the rise and fall of the Roman Empire through profiles of the greatest and most notorious of the emperors from the autocratic Augustus to the feeble Claudius the vicious Nero to the beneficent Marcus Aurelius through to the maniac Commodus and beyond Interwoven with these are vivid descriptions of sports and art political intrigues and historic events In this entertaining and erudite work acclaimed classical scholar David Potter brings Imperial Rome and the lives of the men who ruled it to vivid life Emperor of Rome Mary Beard, 2023-10-24 INSTANT NEW YORK TIMES BESTSELLER Best Books of 2023 New Yorker The Economist Smithsonian Most Anticipated Books of Fall Washington Post Los Angeles Times TODAY Literary Hub and Publishers Weekly A vivid way to re examine what we know and don t about life at the top Emperor of Rome is a masterly group portrait an invitation to think skeptically but not contemptuously of a familiar civilization Kyle Harper Wall Street Journal A sweeping account of the social and political world of the Roman emperors by the world s most famous classicist Guardian In her international bestseller SPQR Mary Beard told the thousand year story of ancient Rome from its slightly shabby Iron Age origins to its reign as the undisputed hegemon of the Mediterranean Now drawing on more than thirty years of teaching and writing about Roman history Beard turns to the emperors who ruled the Roman Empire beginning with Julius Caesar assassinated 44 BCE and taking us through the nearly three centuries and some thirty emperors that separate him from the boy king Alexander Severus assassinated 235 CE Yet Emperor of Rome is not your typical chronological account of Roman

rulers one emperor after another the mad Caligula the monster Nero the philosopher Marcus Aurelius Instead Beard asks different often larger and more probing questions What power did emperors actually have Was the Roman palace really so bloodstained What kind of jokes did Augustus tell And for that matter what really happened for example between the emperor Hadrian and his beloved Antinous Effortlessly combining the epic with the quotidian Beard tracks the emperor down at home at the races on his travels even on his way to heaven Along the way Beard explores Roman fictions of imperial power overturning many of the assumptions that we hold as gospel not the least of them the perception that emperors one and all were orchestrators of extreme brutality and cruelty Here Beard introduces us to the emperor's wives and lovers rivals and slaves court jesters and soldiers and the ordinary people who pressed begging letters into his hand whose chamber pot disputes were adjudicated by Augustus and whose budgets were approved by Vespasian himself the son of a tax collector With its finely nuanced portrayal of sex class and politics Emperor of Rome goes directly to the heart of Roman fantasies and our own about what it was to be Roman at its richest most luxurious most extreme most powerful and most deadly offering an account of Roman history as it has never been presented before

Rulers and Ruled in Ancient Greece, Rome, and China Hans Beck, Griet Vankeerberghen, 2021-02-04 Situated on opposite flanks of Eurasia ancient Mediterranean and Han Chinese societies had a hazy understanding of each other's existence But they had no grounded knowledge about one another nor was there any form of direct interaction In other words their historical trajectories were independent In recent years however many similarities between both cultures have been detected which has energized the field of comparative history The present volume adds to the debate a creative method of juxtaposing historical societies Each contribution covers both ancient China and the Mediterranean in an accessible manner Embarking from the observation that Greek Roman and Han Chinese societies were governed by comparable features the contributors to this volume explain the dynamic interplay between political rulers and the ruled masses in their culture specific manifestation as *demos* Greece *populus* Rome and *min* China
