Rulers Of Evil Useful Knowledge About Governing Bodies:

Rulers of Evil F. Tupper Saussy, 2001 Provides links connecting secret societies such as the Iluminati and the Freemasons to the American Revolution and subsequent events Rulers of Evil E Tupper Saussy, F. Tupper Rulers of Evil - Useful Knowledge of Governing Bodies F Tupper Saussy, 1999-04-05 The author Saussy, 1999-11-01 provides a provocative look at the role of Roman Catholicism in American history especially the part played by the Jesuits in promoting the rebellion against England in 1776 Saussy a Grammy nominated songwriter and author Miracle on Main Street makes a case here that will strike most readers The papacy really does run United States foreign policy and always has To prove that for example the pope controls Washington Saussy offers evidence such as the number of Catholic senators and other high government officials or that the land known today as the District of Columbia bore the name Rome in 1663 property records Further he argues that the Jesuits have imbued western culture with a purely Catholic political theory the theory underlying the American Revolution which in turn was brought about by a Jesuit priest Lorenzo Ricci as part of a plan to make America safe for Roman Catholics Catholics were oppressed in colonial times Saussy notes but Catholic immigrants flooded into the U S from Europe in the decades following the Revolution **Global Deception and the Issue of Freedom** Ville Suutarinen, 2022-06-29 A Book about Current Events in Light of Apocalyptic Trumpets Trumpets were signaling devices in ancient Israel and a metaphorical and amazing message is hidden in them for the modern human being The relationship between freedom and responsibility is a very current topic Who has the authority to define the limits of freedom and responsibility Which entity has the authority to decide who has the right to access freedoms The forces of evil including the Antichrist aim to take the hold of this authority by deception The great controversy between light and darkness concentrates on these issues and it is a battle for our mindset and attitudes Jesus Christ will have victory in the end However it is important to know the means of the hoax of Satan and the Antichrist so that we would not be deceived A global medical deception is part of the hoax Liberty of conscience not totalitarianism is at the heart of God's mindset and government The interpretation of the trumpets has a long tradition This book continues the tradition by concentrating on the fifth and the sixth trumpet Often in Protestantism the events of the fifth and the sixth trumpet are either situated into the past so called traditional interpretation in Adventism or they are seen to reach until the present time In this book we unite the two views and think that the trumpets are repeated in history We aim to let the Bible interpret itself Both global deception and freedom of conscience are issues which are grounded on God's Word The book is a self published work and it contains 259 pages
