Rumor And Other Stories:

Rumor and Other Stories James Robison, 1985 **Have You Seen the Moon Tonight? and Other Rumors** Jonathan Louis Duckworth, 2023-07-21 Duckworth is a magician of the macabre in these sixteen wonderfully inventive and wickedly unsettling tales of the inhuman ruin creeping just beneath the surface of the everyday With an enviable deftness and wide ranging imagination for the terrible in its many forms Duckworth conjures up unforgettable new worlds of uneasy horror Gordon B White author of *As Summer's Mask Slips and Other Disruptions* A 5 000 year old warlock gets fired from his side hustle as a stage magician at a South Beach strip club and takes it personally Henry David Thoreau discovers a sinister humanoid fungus buried under his bean field A well meaning long haul trucker picks up an underage drifter at a Texas diner not realizing he's the one in danger After a world ending plague a survivor discovers a strangely well maintained house populated by animate paper butterflies In Miami an out of work contractor and his girlfriend navigate an emergent apocalypse as something on the moon's surface drives everyone on Earth who sees it insane These and other stories form Jonathan Louis Duckworth's debut story collection *Have You Seen the Moon Tonight* The collection is comprised of 16 supernatural short stories in a shared universe Many of the stories explore a kaleidoscope of possible world ending scenarios the moon becoming a vector for madness a book that infects and corrupts any writing it touches the forgotten inhabitants of the ocean rising up to drown humanity's toxic empire and language itself becoming a mind blasting plague These stories explore damaged and jaded people reconnecting with their lost humanity or discovering the inhuman multitudes hiding beneath their skin *Have You Seen the Moon Tonight and Other Rumors* is filled with worlds that seem at once familiar yet also entirely unexpected and even disturbing These strange and haunting stories will stick with you long into the night Make no mistake Jonathan Louis Duckworth is an author to watch Gwendolyn Kiste Bram Stoker Award winning author of *The Rust Maidens* and *Reluctant Immortals*

Rumor Mills Veronique Campion-Vincent, 2017-07-05 The goal of this volume is to explore the social and political dynamics of rumor and the related concept of urban or contemporary legend These forms of communication often appear in tandem with social problems including riots racial or political violence and social and economic upheavals The volume emphasizes the connection of rumor to a set of social concerns from government corruption and corporate scandal to racial religious and other prejudices Central to the dialogue are issues of truth belief history public policy and evidence Rumor has been recognized as one of the most important contributing factors to violence and discrimination Yet despite its significance in exacerbating social discord and mistrust little systematic scholarly attention has been paid to the political origins and consequences of rumor Rumor is defined as a proposition for belief that is not backed by secure standards of evidence Rumor can be traditional or not and can be expressed as a simple claim of fact In both instances groups of claim makers operating out of their own interests and with a set of resources attempt to depict reality and if possible impact the future The need for this book is underscored by changing patterns of technology What in the past

was grounded in face to face interaction is now often found on the Internet which is a major source of rumor An appreciation of how new electronic forms of communication affect communal belief is essential for explicating rumor dynamics The volume is comprehensive Essays cover race and ethnicity migration and globalization corporate malfeasance and state and government corruption While editors and contributors well appreciate the dynamic nature of rumors and legends the high quality of the effort make it evident that the issues that are raised and reoccur will serve to channel and inspire research in this major field of communications research for years to come Tales, Rumors, and Gossip Gail de Vos,1996-04-15 Explore the stories and themes that capture the imagination of young people today A sampling of tales is organized into broad subject areas such as contaminated food threats to children and satanic legends and the tales are analyzed according to function structure and international variants De Vos also discusses film and literary adaptations and offers suggestions for adapting tales for the junior high and high school curriculum Explore the stories and themes that capture the imagination of young people today After a fascinating overview and discussion of contemporary legends commonly referred to as modern urban legends and often told as true de Vos examines them in their relationship to rumors and gossip ostension acting out the legends the role of the media in formulation and dissemination and related tales e g literary horror tales A sampling of tales is organized into broad subject areas such as contaminated food threats to children and satanic legends and the legends are analyzed according to function structure and international variants De Vos discusses some of the literary and visual adaptations in popular culture and offers suggestions for adapting tales for the junior high and high school curriculum A fascinating professional book this is a great resource to use with young adults Narrative Landmines Daniel Leonard Bernardi,Pauline Hope Cheong,Chris Lundry,Scott W. Ruston,2012-03-12 Islamic extremism is the dominant security concern of many contemporary governments spanning the industrialized West to the developing world Narrative Landmines explores how rumors fit into and extend narrative systems and ideologies particularly in the context of terrorism counter terrorism and extremist insurgencies Its concern is to foster a more sophisticated understanding of how oral and digital cultures work alongside economic diplomatic and cultural factors that influence the struggles between states and non state actors in the proverbial battle of hearts and minds Beyond face to face communication the authors also address the role of new and social media in the creation and spread of rumors As narrative forms rumors are suitable to a wide range of political expression from citizens insurgents and governments alike and in places as distinct as Singapore Iraq and Indonesia the case studies presented for analysis The authors make a compelling argument for understanding rumors in these contexts as narrative IEDs low cost low tech weapons that can successfully counter such elaborate and expansive government initiatives as outreach campaigns or strategic communication efforts While not exactly the same as the advanced technological systems or Improvised Explosive Devices to which they are metaphorically related narrative IEDs nevertheless operate as weapons that can aid the extremist cause **Rumors of Resistance** Amanda C. Miller,2014 James C Scott s discussion of hidden

transcripts of defiance or resistance among subordinate groups has been taken up in suggestive ways by scholars who claim to detect elements of defiant transcripts in or behind Paul's letters. This book uses Scott's theory to explain tensions within the narrative of the Gospel of Luke.

Rumors of God Darren Whitehead, Jon Tyson, 2011-07-18 Discover a faith that goes beyond doubt and reveals how God continues to fulfill his promises today just as he did in biblical times, unlocking true purpose and fulfillment in our busy modern lives. Where is the life God promised us? In the midst of our fast-paced schedules and endless distractions, we often push God to the background, struggling to believe that his promises are still relevant. He seems distant, and the abundant life Jesus spoke about doesn't seem possible. When we hear that God wants to give and show us more, we assume it's just a rumor. But what if God really is calling us to something more—a life of deeper purpose, fulfillment, and peace today and right now? In *Rumors of God*, Jon Tyson and Darren Whitehead challenge us to reimagine what it means to live a life shaped by faith. They invite us to close the gap between the promises we've heard and the reality we experience, helping us see how God's presence and power are at work even in our modern everyday lives. This book is more than a reminder; it's a call to rediscover a God who is active, present, and moving among us. For those feeling weary, jaded, or uncertain about how faith fits into today's world, *Rumors of God* offers a fresh perspective on God's timeless promises.

Rumors from the Cauldron Valerie Miner, 2014-08-19 An indispensable collection of essays reflecting on the historical and cultural relevance of feminist movements across the globe. In these remarkably far-reaching writings, author and journalist Valerie Miner delivers a complex and engaging volume of essential reading. This book touches on topics ranging from suburban housewives to lesbian identity to feminist thought. Miner provides an important perspective on the interrelated concepts of authorship, gender identity, and social criticism. Included are examinations of the works of Grace Paley, Margaret Atwood, and May Sarton; meditations on writing; and reflections on the cultural legacy of feminism. Miner's insights are both perspicacious and thought-provoking. Written with profound passion and knowledge, these tracts are of tremendous value to all readers engaged with the politics of equality.

Rumors Jean-Noel Kapferer, 2017-07-12 Rumors may be the oldest medium of mass communication of information or ideas. Even before there were newspapers, radio, or television, rumors communicated by word of mouth made and shattered reputations and set off riots and wars. Yet contrary to predictions, rumors continue to thrive in spite of, and parallel to, mass media. What accounts for the puzzling persistence and continuing significance of this little-studied social phenomenon? Jean-Noel Kapferer examines the theory and practice of rumors, focusing on specific areas such as entertainment, criminal behavior, business and finance, and politics. He describes the kinds of conditions that give birth to rumors, why we believe them, and the hidden messages they convey. Kapferer points out that rumors frequently serve useful social purposes and present rich examples. He speculates about how rumors can be controlled, changed, and prevented. Drawing upon contributions of disciplines ranging from psychology to history and integrating the insights of Europeans with the latest work of American researchers, this is the most comprehensive examination of rumors.

gossip and urban legends yet published Translated into nine languages this edition was updated with advances in theory and research since the book's original French publication in 1987 Its brisk accessible style makes the book of interest to psychologists economists political scientists sociologists and folklore analysts as well as the general reader who is curious about the origins of this fascinating social phenomenon **Race and Rumors of Race** Howard W. Odum,1997-08-20 In the early 1940s all sorts of rumors about impending and presently occurring race wars were circulating throughout the South among white Southerners Chapel Hill sociologist Howard W Odum was so alarmed and fascinated by these rumors that he set out to collect and catalog them First published in 1943 RACE AND RUMORS OF RACE documents Odum's findings

The lost road [and other stories Richard Harding Davis,1916 *The Effects of Strategic Bombing on Japanese Morale* United States Strategic Bombing Survey,1947 **The Effects of Strategic Bombing on Japanese Morale** United States Strategic Bombing Survey. Morale Division,1947 Examines the willingness and capacity of the Japanese to work and sacrifice to win the war and how those attitudes changed as a result of the American bombing campaigns including the atomic bombs directed at the nation as a whole Wyvern's Trim and Other Stories Nix Whittaker,2016 Dragons came to earth a long time ago and changed everything Refugees to earth they were merely waiting for extinction as only male dragons had been able to escape their doomed planet Angry they hunted humans as annoying snacks then they collected them as interesting treasures Only to find their salvation in humans Wyvern's Trim and Other Stories is a collection of short stories showing dragons falling in love with humanity **Rumors Behind the Greek's Wedding** Pippa Roscoe,2020-08-01 The engagement was a lie But their connection was all too true She'd been hired to repair Loukis Liordis's public reputation not become involved in his private affairs Yet spiraling rumors have Loukis demanding C lia play the role of his fianc e To deny the Greek would be the end of her career but to agree For years Loukis focused on one goal Now he has the gorgeous C lia to consider She is tempting beyond reason and perhaps just the woman he needs They may have already indulged in their wedding night but will they make it to the altar **The 1984 Anti-Sikh Violence** Ritika Singh,2024-10-15 This book presents a comprehensive theoretical study of fictional and non fictional narratives of 1984 anti Sikh violence in India This volume contributes to the expanding field of trauma and memory studies in literature through an interdisciplinary approach It takes perspectives from the fields of neurobiology sociology psychology and literary theory to offer an integrative and fresh approach to reading and locating trauma in narratives Going beyond a simple reading of silence the author discusses themes which encompass othering of the Sikh body visual echoic and olfactory memories somatic expressions of trauma experiences of women and instances of rape and sexual atrocities and children as young witnesses and intergenerational trauma to understand questions of agency and politics of remembering Incisive and invigorating this book is a must read for students of memory and trauma studies Sikh studies South Asian literature gender studies English studies postcolonial studies cultural studies psychology exclusion studies and political sociology *Reflections in a Bloodshot Lens* Lawrence Pintak,2006-01-20

There exists today a tragic rift between Americans and the world's Muslims. Yet in the immediate aftermath of 9/11 there was widespread sympathy for the US throughout the Muslim world. This book explores what happened. It examines the disconnect that leads Americans and Muslims to view the same words and images in fundamentally different ways. Partly a result of a centuries-old us against them dichotomy, the problem is exacerbated by an increasingly polarised media and by leaders on both sides who either don't understand or don't care what impact their words and policies have in the world at large. Reflections in a Bloodshot Lens argues that the Arab media revolution and the rise of patriot journalists in the US marginalised voices of moderation, distorting perceptions on both sides of the divide with potentially disastrous results.

Humor and Rumor in the Post-Soviet Authoritarian State Anastasiya Astapova, 2021-02-15 Drawing on ethnographic fieldwork in Belarus, an example of an authoritarian state, *Humor and Rumor in the Post-Soviet Authoritarian State* presents over one hundred contemporary political jokes in the contexts of their performance. Throughout, Anastasiya Astapova demonstrates the salience of the joke genre, the multiplicity of humor manifestations, and the fundamental presence of intertextual links between jokes and another folk genre, rumor. Informed by real-life fieldwork in an authoritarian regime, *Humor and Rumor in the Post-Soviet Authoritarian State* challenges many common theories of political humor, including the interpretation of political jokes as weapons of the weak. It illustrates how jokes and rumors remind communities of their fears, support paranoia, shape conformist behavior, and consequently reinforce the existing hegemony. In this rare study on everyday life in and reactions to repressive regimes, Astapova unveils political humor as it is lived.

Rumors at Court Blythe Gifford, 2017-05-01 As rumors swirl through Medieval London, a royal decree calls for the marriage of a warrior knight and a beautiful widow. This sexy historical romance, *Widow Valerie of Florham*, wants nothing more than to forget her abusive marriage and live peacefully at the mercy of no man. She'd never have dreamed of a liaison with handsome Sir Gil Welford, but then comes a royal decree: they must wed. Gil craves military conquest in Castile, far from his haunted past. Marriage to Lady Valerie is the last thing he should want, yet both have truths to hide from the rumormongers at court. They have no choice, and once wed, the marriage bed changes everything.

Rumors of the Marvelous Peter Atkins, 2020-09-20 *RUMORS OF THE MARVELOUS* is a brilliant collection of 14 short ghost stories by a contemporary master of the fantastic. Previously released as a limited edition hardcover in Great Britain and a finalist for The British Fantasy Award for Best Short Fiction Collection, *RUMORS OF THE MARVELOUS* finally sees its first release in a US edition. With stories ranging from horror hints of sci-fi and fantasy to epic poetry, Peter Atkins delivers all in a style uniquely his own. Stories included in this collection: *Stacy and Her Idiot*, *Between the Cold Moon and the Earth*, *King of Outer Space*, *Doctor Arcadia*, *Intricate Green Figurines*, *The Cubist's Attorney*, *Prisoners of the Inferno*, *The Girl in the Blue Volcano*, *The Show Must Go On*, *The Mystery Aviatrix*, *The Last of the Invisible Kings*, *Dancing Like We're Dumb*, *Frumpy Little Beat Girl*.

Rumor And Other Stories Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rumor And Other Stories has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rumor And Other Stories has opened up a world of possibilities. Downloading Rumor And Other Stories provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rumor And Other Stories has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rumor And Other Stories. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rumor And Other Stories. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rumor And Other Stories, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rumor And Other Stories has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rumor And Other Stories Books

1. Where can I buy Rumor And Other Stories books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
