Lord Byron

Rumours Of War:

Punch Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1869

Rumours of Revolt Rosanne M. Baars, 2021-03-15 This book explores the reception of foreign news during the late sixteenth century civil wars in France and the Netherlands Analysing a large body of French and Dutch chronicles Rosanne Baars innovatively demonstrates that the wider public was well aware of events abroad though interest in foreign conflicts was far from constant She sheds new light on the connections between the Dutch Revolt and the French Wars of Religion contemporaries were gradually more inclined to see these wars as part of an international struggle Baars argues that these times of civil war made inhabitants of both countries more apt at distinguishing rumour from reliable reports thus contributing to the emergence of a public of critical news consumers

Crowd and Rumour in Shakespeare Kai Wiegandt, 2016-04-22 In this study the author offers new interpretations of Shakespeare's works in the context of two major contemporary notions of collectivity the crowd and rumour The plays illustrate that rumour and crowd are mutually dependent they also betray a fascination with the fact that crowd and rumour make individuality disappear Shakespeare dramatizes these mechanisms relating the crowd to class conflict to rhetoric to the theatre and to the organization of the state and linking rumour to fear to fame and to philosophical doubt Paying attention to all levels of collectivity Wiegandt emphasizes the close relationship between the crowd onstage and the Elizabethan audience He argues that there was a significant and sometimes precarious metatheatrical blurring between the crowd on the stage and the crowd around the stage in performances of crowd scenes The book's focus on crowd and rumour provides fresh insights on the central problems of some of Shakespeare's most contentiously debated plays and offers an alternative to the dominant tradition of celebrating Shakespeare as the origin of modern individualism

Late Stalinist Russia Juliane Fürst, 2006-09-27 With cutting edge research and contributions from top scholars the late Stalinist period is thoroughly explored in this impressive work It explores a wide range of aspects of late Stalinist society focusing on the experience of the Soviet people and their interaction with ideology state policy and national and international politics

Byron's Travels Lord Byron, 2024-03-26

A new hardcover selection of Lord Byron's letters, poems and journals tracing his dramatic, scandalous, heroic life and his wide ranging travels and timed to the two hundredth anniversary of his tragic early death. George Gordon Lord Byron was one of the leading figures of British Romanticism. The Byronic hero he gave his name to the charming, dashing, rebellious outsider remains a powerful literary archetype. Byron was known for his unconventional character and his extravagant and flamboyant lifestyle. He had numerous scandalous love affairs including with his half sister Augusta Leigh, Lady Caroline Lamb. One of his lovers famously described him as mad, bad and dangerous to know. His letters and journals were originally published in two volumes. This new one volume selection includes poems and provides a vivid overview of his dramatic life arranged to reflect his travels through Scotland, Italy, Spain, Turkey, Albania, Switzerland and of course Greece where he died. It contains a new introduction by scholar Fiona Stafford highlighting Byron's enduring significance and the ways in which he was ahead of his time. Everyman's Library pursues the highest production standards: printing on acid free paper with full cloth cases with two color foil stamping, decorative endpapers, silk ribbon markers, European style half round spines and a full color illustrated jacket. Each title includes an introduction, a select bibliography and a chronology of the author's life and times.
