*Tumult And Silence At Second Creek* Winthrop D. Jordan, 1996-01-01 In the war fevered spring and summer of 1861 a group of slaves in Adams County Mississippi conspired to gain their freedom by overthrowing and murdering their white masters The conspiracy was discovered the plotters were arrested and tried and at least forty slaves in and around Natchez were hanged By November the affair was over and the planters of the district united to conceal the event behind a veil of silence In 1971 Winthrop D Jordan came upon the central document previously unanalyzed by modern scholars upon which this extraordinary book is based a record of the testimony of some of the accused slaves as they were interrogated by a committee of planters determined to ferret out what was going on This discovery led him on a twenty year search for additional information about the aborted rebellion Because no official report or even newspaper account of the plot existed the search for evidence became a feat of historical detection Jordan gathered information from every possible source the private letters and diaries of members of the families involved in suppressing the conspiracy and of people who recorded the rumors that swept the Natchez area in the unsettled months following the beginning of the war letters from Confederate soldiers concerned about the events back home the journal of a Union officer who heard of the plot records of the postwar Southern Claims Commission census documents plantation papers even gravestones What has emerged from this odyssey of research is a brilliantly written re creation of one of the last slave conspiracies in the United States It is also a revealing portrait of the Natchez region at the very beginning of the Civil War when Adams County was one of the wealthiest communities in the nation and a few powerful families interconnected by marriage and business controlled not only a large black population but the poorer whites as well In piecing together the fragments of extant information about the conspiracy Jordan has produced a vivid picture of the plantation slave community in southwestern Mississippi in 1861 its composition and distribution the degree of mobility permitted slaves the ways

information was passed around slave quarters and from plantation to plantation the possibilities for communication with town slaves free blacks and white abolitionists Jordan also explores the treatment of blacks by their owners the kinds of resentments the slaves harbored the sacrifices they were willing to make to protect or avenge abused family members and the various ways in which they viewed freedom Tumult and Silence at Second Creek is a major work by one of the most distinguished scholars of slavery and race relations Winthrop D Jordan s study of the slave society of the Natchez area at the onset of the Civil War is a landmark contribution to the field More than that his exhaustive and resourceful search for documentation and his careful analysis of sources make the study an extended and innovative essay on the nature of historical evidence and inference      *Secret Agent Disco Dancer: Double Agent Orangegrove* Scott Gordon,2016-08-20 It s Fredrico Frillyfoam s first day on the job and elements within the mysterious Black Eagle organization want to make sure that he doesn t see the end of it Of course this is Secret Agent Disco Dancer we re talking about here expert at everything including avoiding danger that crops up around every corner When the newbie agent notices a Navel orange slip away from the compound he s more than a bit curious where the trail might lead Could it be that a network of fruity fiends have infiltrated Black Eagle and are using the intel for dubious purposes Or perhaps our silly superhero had one Twinkie too many WARNING Lots silliness abounds in this slim volume Don t drink orange juice while reading unless you enjoy shooting it out of your nose Approximately 8 400 words 20 images 1 crazy frog 1 no good double agent super spy orange Whew      Partners - Everyday working dogs being heroes every day Nan Walton,2013-09-18 Highlighting the value of canine instincts Partners will increase the reader s understanding and love for a species that has been walking at our sides for 26 000 years It details the personal struggles of working teams man and dog as they learn to trust and communicate while developing that all important human dog bond to accomplish together what cannot be done alone      Cardinal Constructs Douglas Milewski,2022-12-13 After you go big the only direct left is going even bigger Arcadia now controls Leviathan largest sea monster ever one of the four Cardinal Constructs If she s to stop Minister Hoover and his ancient flying city from conquering the world she ll need all their power combined and then some Of course she s likely to burn down a few cities along the way and might just possibly throw her entire civilizations into chaos but what s a few calamities between friends When you re with Steamfitter Company the chaos is by design      Genealogical Data from Colonial New York Newspapers Kenneth Scott,1977 This volume consists of abstracts of genealogical data from four of New York s earliest newspapers the New York Gazette 1726 1744 and the New York Weekly Journal 1733 1751 the two earliest city papers and the New York Mercury and the Weekly Mercury 1752 1783 These newspapers were originally produced as weeklies and usually consisted of four pages with occasional supplementary issues Their subject matter encompassed essays treatises parliamentary proceedings governors messages European and West Indian news shipping news incidents culled from other newspapers and many advertisements In this volume of abstracts may be found items yielding information concerning marriage birth death age

Alexander and Delphine Camila John, 2013-10-16 Mankind was blessed with the will to survive yet even the bravest among us carry scars There are wounds we can see on the surface but too often the secret scars we carry in our souls are the most crippling of all Impeding our progress we allow the mistakes of the unchangeable past to build a barrier Forgiving others is only half the battle The bigger war lies in forgiving ourselves only then can we embrace our futures and find peace Wounded in Vietnam Alex struggles with the devastating effects of war He's disappointed in what he views as God's indifference to pain and suffering His faith is shattered Adjusting his dreams Alex faces the future but life with its great joys and bitter disappointments always seems empty Lasting contentment is elusive Disillusioned by a disastrous relationship Delphine exists in a life of dull complaisance Approaching sixty Delphine challenges her dismal fate She wants to find the person she lost the optimistic believer she used to be Placing her trust in God she makes a daring move to find a new perspective on life Faith leads the way
