

A PUFFIN BEDTIME STORY CHEST

chosen by Barbara Ireson

A large, light-colored treasure chest with a golden lock and a yellow ribbon tied around it sits on a large, pink, circular rug. The rug has a blue and white striped border and a large orange tassel hanging from the bottom right. A young girl with dark skin and a pink bow in her hair is lying on her stomach on the left side of the rug, holding a small object. A young boy with blonde hair, wearing a blue jacket and a yellow hat, is sitting on the right side of the rug, holding a white cup. A large, golden elephant's head with a tassel and a small figure of a person are also on the right side of the rug. A yellow rope is coiled around the bottom left of the rug.

Children's Fiction Sourcebook Margaret Hobson, Jennifer Madden, Ray Prytherch, 2018-12-17 First published in 1992 this Sourcebook is a basic working tool for all those concerned with children's reading. It will help librarians and teachers to select a comprehensive stock of children's fiction for their institutions. The authors in the sourcebook have been selected on the grounds of importance, popularity and current availability. Each entry consists of some background information and evaluative comment on style of the book, a list of the author's books with publisher, date and price and literary agent where applicable. There is a suggestion of similar authors, sequels, related series and reader age range. The Runaway Shoes Barbara Ireson, 1989-01-01

**Singularity and Other Stories** Melanie Tem, 2018-02-28 Singularity gathers award-winning writer Melanie Tem's most important short fiction, highlighting her diversity and mastery of her art. The sixty stories collected here range from *Sitting with the Driver*, a western with a dark woman at its center, to *Little Shit*, a contemporary tale of a woman who uses her deceptive appearance and psychic power to trap those who prey on the helpless. The child in *Corn teeth* longs not only to become a part of an alien family but also to become an alien. And in the title tale, a man studies singularities and string theory to both understand and blind himself to the truth about the woman he loves. Although the story is not science fiction, its

exploration of physics is as rigorous as that found in the best sf Here you will find no triumphant warriors no powerful and beautiful protagonists no monsters from beyond the dark cold void or madmen bent on conquest Tem s characters are mothers and siblings orphans and lonely seniors Her stories are often about family and always about relationships Even though Kelly is the only character in Iced in the bitter truth that lies at the story s heart is that she is doomed by her failure to maintain relationships Melanie Tem s stories are often haunted by ghosts and monsters ghosts and monsters revealed as all too human In Singularity she explores the love and terror that lie deep within all of us     *A Chance to Tell Ten Stories* Stanley B.
