An Orphan in New York City Seymour Siegel,2000-08-14 An Orphan in New York City is about survival During the Great Depression families who suffered loss of income loss of health and loss of life sought frantically for ways to survive Social Security Housing and Urban Development Public Assistance and Public Health programs available today were limited or non existent back then All extended family members helped out as much as they could When this was not enough the only choice was to break up the family Benevolent Jews had established orphanages to care for children left homeless or in poverty The largest of these orphanages was the Hebrew Orphan Asylum better known as the HOA or The Home located between 136th to 138th Streets on Amsterdam Avenue across from the Lewisohn Stadium of the City College of New York City From 1929 to 1939 the HOA housed more than one thousand boys and girls at a time The Hebrew Orphan Asylum was referred to as a city within a city as it was basically self contained Not only where there the essentials of residential life dormitories a kitchen a dining room an infirmary a dental clinic and a laundry but also a public school 192 a synagogue and a religious school Then too there were a bakery a shoe shop a tailor shop a barber shop a clothing store a candy store a woodworking room a sewing room a photography studio and darkroom a boys scout room a band room a choir room athletic fields and playgrounds There was a Reception House the Main Building the Warner Brothers Gymnasium state of the art at that time and buildings for boilers for heating It had its own transportation system and a fire

engine There were military bands and drill squads fraternities and sororities as well as baseball basketball and football teams that competed with other orphanages and the junior varsity at City College Orphans half orphans and children from broken families began their shared institutional lives at the Reception House where they were isolated for two weeks to assure they did not bring any contagious disease or illness into the institution The author was one of those with a family destroyed by alcoholism and poverty who had to leave his family at the age of nine and begin an orphan s life He writes Having seen from my top floor perch in the Reception House children who were playing on the huge field below and having listened to the marching band and watched the military drills I was looking forward to moving to the Main Building But when I finally got there I felt lost in the labyrinth of hallways and doorways and among the masses of children who were coming and going Outside in the courtyard were more than 100 children talking shouting and playing together One of my first memories there is of hearing a short rotund man suddenly shout above that babble of voices All Steeeeeeeeeeeel All Still What that meant only became clear when as I watched most of the children froze in their places and stopped talking One child did not freeze The man with the powerful voice strode over to him and slapped him so hard across the face that the child fell down In the years that I would be in the orphanage that and similar examples made me obey the All Still and always appear to be following commands rules and regulations even when I wasn t obeying What I witnessed there day after day also reinforced my hopeless and helpless feeling that there were immense forces beyond my control my father s rage my separation my placement in an institutional environment and the subsequent abuse in that environment I wept within myself and there was no adult at the institution to comfort me not the first day nor the last For his own healing Dr Siegel has written a book about his decade during the depression years in the Hebrew Orphan Asylum **New York Magazine** ,1985-02-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Shadows of Foxworth V.C.
